

Please join us on
WEDNESDAY, OCTOBER 28, AT 10 AM
at **THE COLLABORATORY**
for a workshop/information session on

WILDFIRE PREPAREDNESS

Preparedness and mitigation efforts needed prior to brushfire incidents

Basic planning, supplies, and actions needed to respond in brushfire situations

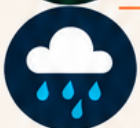

Real-world insight and decision-making needed to keep families and pets safe

Use of smart phone apps and communications to stay informed real time

Overview of the Community Emergency Response Team (CERT) program

Information will be provided on how to prepare for extreme weather (El Niño)

**THIS WORKSHOP IS A UNIQUE OPPORTUNITY FOR
ENLA MEMBER ORGANIZATIONS AND COMMUNITY PARTNERS
TO ENHANCE PREPAREDNESS EFFORTS!**
