Dear Peter,

I am writing in connection with an article in the *Northants Telegraph* in respect of Oakley Vale Community Centre's 10th Anniversary celebrations held on the 29th July 2023.

I wanted to express my congratulations to you, and the whole team at Oakley Vale Community Centre, for your tireless work, both in achieving this impressive milestone, and in organising a fantastic celebratory 'fun day' on the 29th July for the community.

I was very impressed at the wide range of activities you put on to mark the day; with everything from archery to a dog show - the fun day certainly sounded like a thoroughly enjoyable event, which I am sure attendees would have greatly appreciated.

I was also delighted to hear of your fundraising effort for emergency equipment, and that you had been able to purchase two defibrillators and a bleed kit. Hopefully, they'll never actually need to be called upon, but these hugely important pieces of kit could do much to protect our community, and your decision to purchase this kit, for the benefit of the whole community, demonstrates further your admirable commitment to looking out for people locally.

Once again, congratulations on the fun day, and I wish you all the very best for the next ten years and beyond!

With best wishes,
