Say "Aloha!" to Honolulu on Oahu's South Shore. Honolulu is the main business center for the Hawaiian Islands.

The breathtaking scenery is just one part of the Honolulu experience, there's so much more to explore.

Waikiki Beach is located on the southwest shore, the perfect base for exploring Oahu.

Its crescent beach, shopping and dining have a view of the 350-acre volcanic crater Diamond Head. The most popular sightseeing tour is Pearl Harbor National Memorial.

Be sure to take a scenic circle island tour from the South Shore to the North Shore, and experience the Polynesian Cultural Center, the Dole Plantation (think pineapples!), as well as world-class snorkeling, shrimp carts, and shaved ice stands.
