NMABE STRATEGIC PLAN

- Bilingualism is an asset to be encouraged and promoted.
- Languages, cultures, and heritages should be preserved, maintained, and developed for all people in New Mexico.
- Respect for all languages and acceptance of diversity is essential for a healthy society.
- The teaching and learning of languages is vital for the education of all children.
- The most important tool for learning is the language(s) that the child brings to school.
- Focused professional development for stakeholders is vital for lifelong learning, understanding, and growth.
