

Individual Walker Checklist

We encourage all walkers to fundraise and collect donations in an effort to support the Northeast Ohio SPCA. Below are some tips to get started!

- Set a goal for the amount of donations you want to raise.
- Spread the word! Invite your family, friends, co-workers, etc. to attend the walk as well.
- Share the “Donation Impact Form” to encourage donations.
- There are two ways to fundraise:
 - 1.) Ask your family, friends, co-workers, etc. to make a donation. All donations should be recorded on the provided donation collection form.
 - 2.) Complete a fundraising event such as a bake sale, car wash, etc. Feel free to get creative!

Every dollar you raise brings us closer to saving an animal. How much will you add to the movement?
