

Kidney Connections

NATIONAL KIDNEY
FOUNDATION®

of Illinois

Get answers, find support, and connect with others who understand life with kidney disease.

What To Expect:

- Ask kidney experts your questions
- Learn practical tips for managing kidney disease
- Hear real stories from patients and care partners
- Connect with others facing similar challenges
- Discover helpful resources and support

This free in-person event is open to people living with kidney disease, care partners, and family members.

Leave feeling informed,
supported, and connected.
