Neighborhood Happenings

Upcoming Discussions

We have several pieces of information that we will be updating residents on at our upcoming annual meeting. The board has been working to resolve issues that are brought to our attention. We will share resolutions about each of these topics and also share some new items that have come up re: neighborhood safety and upkeep. We encourage everyone to join us and share your thoughts on these matters. The updates include information on the road verge (area between sidewalk and road on Amethyst), people cutting through from Newberry, & increasing dues to improve amenities.

beauty and safety. The board is all volunteer and works to ensure that all homes are valued in decisions that are made and to the benefit of the entire development. We encourage anyone who would like to participate to please let us know and feel free to join in these discussions or committees.

events (including meeting dates), contact info, and dues payments. You can also join our private Facebook page. This is an easy way for to share information as a community.

The Board

We have been very fortunate to have a neighborhood that prides itself on maintaining

Communication

We are working to keep the website up to date, so you can always check there for board meeting minutes, upcoming

Special points of interest:

- Please be mindful of speed when driving through the neighborhood. There are a lot of children and limited sight lines. We have recently had a large numbers of cars, ATV's, and RVs driving too fast through the neighborhood.
- Nontoxic Weed Killer Recipe: 1 gallon white vinegar, 1 cup salt, 1 table-spoon liquid dish soap

Summer Barbecue/Annual Meeting

The board has made the decision to cancel this year's summer barbecue in light of the current state recommendations due to COVID-19. We will still hold our annual meeting at the same time and location (Ebony Ct.) using the cul-de-sac to

allow for proper social distancing. We are working on an online option for anyone who wants to attend but is not comfortable with an in person meeting. We will post details on Facebook and will send out an email closer to time. If any-

one is interested in being on the board for this coming year, please e-mail us to let us know prior to the upcoming meeting.
