# 2021 LOUISIANA COMMUNICATION ASSOCIATION(LCA) ANNUAL CONFERENCE

Virtual Conference (based on Zoom)

# Thanks for your dedication!

Dear LCA members,

It has been a rough time for everyone due to the global pandemic that shrunk and limited our mobility, communication, and education. However, your dedication to educating our future leaders was invincible. Although we still expect many difficulties in educating our students, LCA is making a substantial step with you to move our scholarship forward. Thank you very much for your attention, interest, participation, and support. I firmly believe this conference helps continue and advance our communication scholarship in Louisiana.
