

BIGFORK MEMBER VOLUNTEER/ INFORMATION REQUEST SHEET

The Bigfork Gun Club was formed in 1988 by a handful of sportsmen with a big vision. Over the years this Club has grown in numbers as well as size with safety standards set to achieve a safe environment for all shooters, from novice to expert.

The bulk of work has always been shouldered by volunteers. Some years there are ample folks to carry the load, some years not so many. The burden of upkeep is borne by a decreasing number of volunteers and members' willingness to serve on the Board has been dwindling.

If you would like to show your support and help maintain your club and its activities we ask you to fill in the applicable areas of interest below:

Note: When need arises, we will send out a request to those who have offered to help. Your volunteer hours will be recorded and your membership fee will be waived the year following completion of 20 volunteer hours.
