BRIGHT BLOOMS BULLETIN

Cashiers Valley Preschool, Cashiers NC

A MESSAGE FROM THE DIRECTOR
APRIL JOHNSON

May 22nd was such a special day for our preschool family as we celebrated this years amazing group of graduates with our Graduation/move- up program. It feels like just yesterday they were walking through our doors for the very first time — some a little shy, some full of energy, and all of them ready to learn and grow. Over the past year, we have watched these children blossom in so many ways. They have learned their letters, numbers, songs, and routines, but more importantly, they have learned how to be kind friends, problem solvers, helpers, and confident little leaders. We are so proud of each one of them. To our parents and families: thank you for trusting us with your children each day. Thank you for your support, encouragement, and partnership throughout the year. Watching your children grow has truly been a privilege and a joy for all of us.

I also want to take a moment to say how incredible our teachers and staff are. Their patience, dedication, and love helps create a place where children feel safe, happy, and excited to learn every day. The impact they make is immeasurable.

Congratulations, Class of 2026! 🎓

Progress in motion!

The one-year-old room is coming together thanks to our staff's hard work and parent donations! The room has been painted and furniture and toys are being set up! We still have more to do but the Munchkin room is going to be a great addition to the school. The room is set to open on August 10th, but are in need of a lead teacher. Spread the word and help us find someone hardworking, fun, creative, and great with kids! We are currently doing open enrollment for the school year and have spots avalible for all classrooms, ages 12 months to 5 years.
