Looking Ahead to the Holidays

We have a busy and exciting season ahead! We are looking forward to our upcoming Thanksgiving program and Christmas program. These special days give our children an opportunity to perform and celebrate while making memories with their friends, teachers, and families. As the holidays approach, we are reminded that the most meaningful parts of our school are not just the classrooms, playgrounds, or activities, but the relationships we build along the way. Thank you for allowing us to be part of your child's early years. It is a privilege we never take for granted. We wish all of our CVP community a wonderful holiday season filled with love, laughter, and special memories. We look forward to finishing out the year together!

Ready! Set! GO!

We are excited to announce that our playground project is officially complete! The children are absolutely loving the new structures and all the opportunities they bring for climbing, exploring, playing, and developing new skills. We are thrilled to have this space ready for our students and look forward to seeing all the wonderful memories made there. Thank you for your continued support as we continue to improve our school!
