BRIGHT BLOOMS BULLETIN

Cashiers Valley Preschool, Cashiers NC

A MESSAGE FROM THE DIRECTOR
APRIL JOHNSON

Dr. Seuss Week brought so much joy and imagination to Cashiers Valley Preschool! Our classrooms were full of laughter as students celebrated with favorites like Green Eggs and Ham day, Wacky Day, and Hat Day, with plenty of silly outfits, colorful hats, and even a few brave taste-testers trying green eggs for the first time. It's always wonderful to see our children learning through creativity, play, and a little bit of Seuss-inspired whimsy.

Alongside the fun, we are also excited about important steps forward for our school. Cashiers Valley Preschool is preparing to expand with the addition of a new one-year-old classroom, allowing us to serve more local families during those critical early years. We are also working to enclose the front entryway of the building, creating a safer and more welcoming arrival space for our students and families. It's an exciting season of growth for our preschool community, and we are grateful for the support that continues to make these improvements possible.
