BRIGHT BLOOMS BULLETIN

Cashiers Valley Preschool, Cashiers NC

A MESSAGE FROM THE DIRECTOR

APRIL JOHNSON

Welcome to a brand-new school year!

As we turn the page from summer to a new school year, I can't help but reflect on what a wonderful summer we've had together. Our summer program was filled with fun, laughter, new experiences, friendships, and so many special memories. A heartfelt thank-you goes to our amazing teachers who worked hard to make each day exciting, engaging, and meaningful for our children.

Now that our summer program has come to an end, we are excited to begin a new chapter! Our classrooms are ready, our teachers are prepared, and we are looking forward to watching our children learn, grow, and reach new milestones throughout the year.

The beginning of a school year is always such an exciting time. Some children are returning to familiar classrooms and friends, while others may be experiencing preschool for the very first time. We know that every child is different, and we are committed to making each child feel safe, loved, welcomed, and confident as they begin this new journey.

This year, we look forward to creating a classroom environment where curiosity is encouraged, friendships are nurtured, independence is celebrated, and every accomplishment—big or small—is recognized. Our goal is not only to prepare children academically, but also to help them develop the confidence, kindness, and social-emotional skills they need to thrive.

To our families, thank you for trusting us with your children. Choosing a preschool is a big decision, and we are honored that you have chosen to be part of our school family. We value your partnership and look forward to working together throughout the year.

Here's to a new school year filled with learning, laughter, friendships, growth, and countless memories! We are so excited to have everyone back and can't wait to see all the wonderful things our children will accomplish.

Welcome back, families! Let's make it our best year yet!

School year ready!

The classroom projects are complete! The new Munchkin room is filled with toys, furniture, and has a new lead teacher! Mrs. Kenia, previously the TK class aid, has move into the lead position. The Transitional Kindergarten room has been upgraded too! Walk into outer space when entering our newly painted and decorated TK room. The entry way now has community resource corner, staff information and more! The playground upgrade is still underway, so stay tuned!

Invest in the future by supporting our preschool!
