TAMPA BAY WATCH

THE PRESIDENT'S MESSAGE

Dear Infamously Horrified Democrats,

More good news is arriving in November with a short reprieve after the August primary election.

Until then we are angry at the lack of human compassion for anyone past the age of birth.

Whether it is the lack of reverence for women everywhere or the way that the Republican party cannot reckon with its cozy relationship with the NRA, the rest of us must suck it up and move voters to the polls.

Adolescents having the **AUTHORITY** to purchase an automatic rifle is just insanity. The age to purchase alcohol is 21. The age to gamble is 21. The age that car insurance considers one an adult is 25. Why then are we handing over killing machines to adolescents?

We are in a nightmare of endless mass shootings and no one adult on the Right is willing to move to correct it. And that is what it is going to take, a Republican with the toughest vagina to stop this madness.

Speaking of tough vaginas, June is PRIDE month. A month of joyous celebrations, parties, marches and rallies. While we celebrate the uprising at the Stonewall Inn, we are cautiously waiting for the SCOTUS decision on the fate of Roe v. Wade. You may think that these two subjects are unrelated, but in fact, if Roe falls, so does every Federal action that has been enacted over the states, including not only LGBTQ marriage, but civil rights as well.

There is no time to waste here. Stop reading this newsletter and reach out to your neighbors (yes, the ones you dread to speak to) and let them know your concerns for the future of our Country.

Go to [Mobilize](#) and reach out to your neighbors, church members, grocery store clerks and let them know how important this election will be to their wellbeing.

NOW LET'S GET TO WORK!

We have enthusiastic volunteers, but we need help with postage.

Help us end voter suppression now by donating to the **Get Out the Vote Campaign**. Increased voter participation in the 2022 elections is critical. This campaign will target both registered voters who have not voted in recent elections and unregistered voters.

To cross barriers of mistrust, funds are needed to hire Black and Latino young adults who will door knock. Unregistered voters will be assisted with the voter registration process. They will provide, in English and Spanish, information on voting deadlines and voting options, such as how to vote by mail and early voting site locations.

Questions? Contact Phil Stone, Campaign Coordinator, (413) 992-7991 (cell); email PhilStone300@gmail.com.

I had asked you to become a Florida notary.

There are 2 reasons to do so:

1. To collect **Vote By Mail Ballots** (VBM), an affidavit is required by LAW for each ballot.
2. Following the November election, we will do a **Ballot Chase**. This requires us to find the folks who had gotten provisional ballots at the polling place and need to 'cure' the ballot. If this person cannot get to the

DWCUP Words of Inspiration

Pride for All

In June, we celebrate Pride Month. Pride stands for many things.

It stands for a true and freely given respect for personal rights. As Harvey Milk said, "It takes no compromise to give people their rights ... it takes no money to respect the individual. It takes no political deal to give people freedom. It takes no survey to remove repression."

It stands for our desire to recognize our own and others' individuality. As George Takei said, "We should indeed keep calm in the face of difference and live our lives in a state of inclusion and wonder at the diversity of humanity."

It stands for our appreciation of love. In the words of poetess Sappho from so long ago, "From all the offspring of the earth and heaven, love is the most precious."

As Democratic women, we defend – in the words of former President Obama – the right to "love who we love." We stand strong in defense of rights of all for -- as we know -- once rights fall, they may fall for all of us.

. ~Diane Lebedeff
