PRESIDENT'S REMARKS AUGUST 2024

Joy. That's not a word we often hear in politics, but it's absolutely appropriate now. The team of Kamala Harris and Tim Walz has brought JOY to many Americans. I was telling a friend that I could see myself hanging out with Kamala and Tim over an adult beverage. I certainly feel that I could have been on the same high school faculty as Tim. These two give us renewed hope and enthusiasm for this election--and I mean the entire slate!

We're tired of all the whining and blaming about perceived wrongs of the past. As one talking head said, "That's so 8 years ago." We want to look ahead to a future where kids get fed, families have adequate housing, nations are at peace, and the planet is healthy. I know that I dream big, but that's the world we all want to live in.

So that's all part of why you're getting this EXTRA newsletter edition right now. Our lives and this election changed dramatically in the last month, and I couldn't wait to share my excitement with you. Yes, we still need to work every day from now until November 5th, with all our energy, funds, blood, sweat and tears. But we'll do it with a lighter step and bigger smiles. When we work (or as Kamala would say, "When we fight,...) WE WIN!

In addition, our room has changed for this month only. Park in the big lot on Old Coachman, and enter the SPC main entrance. Come to ES104 for our meeting/workshop. We'll have non-messy munchies, plus the snack bar will be available. Hope to see you there!

Join the Pinellas Democratic Party at our Unity Brunch Event! As we gear up for the final stretch of the 2024 election cycle, this special gathering will bring together all our candidates, campaigns, clubs, and caucuses. All are welcome to attend. Let's unite and energize our community for the upcoming elections!
