

Request for Architectural Changes

Name/Address:

Date:

Type of Modification:

Details:

Please attach: Specs, or drawings with proposed changes/additions and placement of changes/additions.

The Committee and/or Board reserves the right to request more information to clarify the request. Requests for multiple changes should be submitted separately (i.e. if you are installing a fence and a pool, you must submit two request forms, one for each).

*****Plans must be accepted by the Architectural Committee *before* construction begins.*****
