

# **Announcement: New Primary Care Location**

## **Now Accepting New and Existing Primary Care Patients**

For those of you who were previously followed for primary care (insurance-based services) or those of you looking to establish new primary care, I am now practicing part-time at:

Health Call Primary Care

2 Lathrop Ave

Norwich, CT

Phone: 860-204-0332

I am accepting both new and existing patients at this location for primary care services, and you are welcome to call for scheduling.

For those who prefer, primary care services are still available through this telehealth platform. This includes appointments for:

- Primary care follow-up visits
- Sick visits

All appointments for medical marijuana and medical weight loss services should be scheduled through the website or by contacting us via phone, text, or email.

- 860 341 8705
