This year we got to welcome two new additions to our dance family! Atticus Whitt who's mom is Miss Raven and Issac Pintchuk who's mom is Miss Christina. We are always trying to get more boys into dance. These two teachers went for it!!! Miss Halle graduated from KSU. Way to go Miss Halle! It's not too late to sign up for our summer camps and Fall registration is up and going. I hope everyone has an amazing and safe summer and we will see you in September. ❤️ Miss Carolyn

GRADUATING SENIORS

Emma Campbell is graduating from Rootstown High School. In the fall, she will be attending Ohio University majoring in Anthropology. Emma has been dancing for 13 years! Her favorite memory of dance is going to nationals in Myrtle Beach and getting to spend the week at the beach with her friends. Words of advice Emma would like to pass down—having fun is the most important part of dance. “Life is a party, dress like it” - Audrey Hepburn

Sydney Hillis is graduating from Bethel Baptist Christian Academy . In the fall, she will be attending Kent State University for Pre-Medicine and Biology. Sydney has been dancing for 16 years! Her favorite memory of dance is attending nationals with her team and winning so many overall placements! Words of advice Sydney would like to pass down—your hard work will always pay off and it’s ok to fail, your success is coming! “Give a girl the right pair of shoes and she’ll conquer the world” - Marilyn Monroe

Ava Carter is graduating from Stow Munroe Falls High School. In the fall, she will be attending Miami University . Her favorite memory of dance is getting a Pac Attack for Production and Hip-Hop last season! Words of advice Ava would like to pass down— Winning isn't everything! At the end of the day, it's more important to have fun. "Believe you can and you're halfway there" - Theodore Roosevelt

Sarah Straw is graduating from Ravenna High School. In the fall, she will be attending Mount Union College as well as dancing with their dance team. Sarah has been dancing for 12 years and loves all her memories of dance! There is no way she could pick just one. Words of advice Sarah would like to pass down—don't wait until you are older to perfect your sport, start early and don't take any moment for granted. "Something you will never know the value of a moment until it becomes a memory".

Lauren Meadows is graduating from Field High School. In the fall, she will be attending Ohio State University majoring in vocal music education. Lauren has been dancing for 15 Years and her favorite memory of dance is being backstage during recitals and then meeting her family outside afterwards and being forced to take a million pictures. Words of advice Lauren would like to pass down—you truly don't always have to be the best one in the class. If it makes you happy, it doesn't matter if you can't do the biggest leap or the most turns. The joy you find in dancing will show through you and the smile on your face, and that's the most important part. "It's Show time!"

Class of 
2022

I hope your dreams take you...
