7. Concerns / Questions—If you have any questions or concerns we ask that you please do not ask your child’s teacher in between classes or during classes as this holds them up from starting their next class on time. You can email the studio or talk to our office staff who will get the message to the appropriate person who will then contact you.

8. Observation / waiting rooms—We encourage parents throughout the year to make use of our observation windows to observe your child’s class. Please keep the waiting area quiet so parents can enjoy watching their child’s classes and so it does not disrupt any classes that are in session. No parents, siblings or friends will be allowed in the dance rooms.

9. Injury / missing items—The studio is not held responsible if a child is injured or a be-longing is lost or stolen. If a child is injured, we will apply basic first aid and take other actions if need be.

10. If a student comes into class not feeling well or say they are injured and need to sit out (without a note from their parents), parents will be called from the office to inform them of the illness or injury.
