Get to know your teachers: Miss Carolyn Roberts (studio owner)

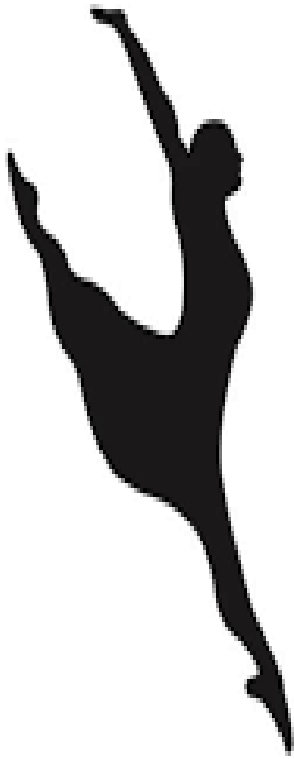

- 1) How many years have you been at Roberts: This is Miss Carolyn's 45th year at the studio. It all started with a handful of students in her apartment with folding chairs as ballet bars.
- 2) What is your favorite type of dance: Favorite type of dance to teach is Ballet because there are so many elements to it. Favorite to dance is Musical Theatre because it contains elements from all styles of dance.
- 3) What is your favorite dance memory: Her favorite memory is when she was 15 and her dance teacher took her to the fair to perform. Afterwards she gave her \$10 and said now you are a professional dancer. Favorite memory as a teacher is when you realize that you made a difference in a students life.
- 4) What piece of advise would you like to share with the dancers: Never give up. If you quit you will never know if you could have achieved it. You don't want to get old and have any would of, could of, should of's.
- 5) Anything you would like to the studio to know about you? How blessed I am to have a job I love. I have wanted to be a dance teacher/chorographer since I was in the 3rd grade. I was lucky both of my parents supported my dream and now I am living it.
