10/1/25. **Any other business** – Sadly despite all our attempts, with the exception of 1 family, there has been no interest or feedback regarding play equipment for the Amenity Field which is very disappointing, considering the large cost of this and our other expenses it has been decided to hold off on this for now and unless we get any interest or feedback from the community there seems little point allocating a large proportion of our finances to this project. Proposed by Cllr Brown seconded by Cllr Rose.

11/1/25. **Date of next meeting** – 10th February 2025
