Heart Throb Band
Attn: Al Cardoza

Dear Al,

On behalf of the Maltese Heritage Association, I would like to thank the Heart Throb Band for their amazing and energetic performance during the Maltese Heritage Association 6th Annual Classic Car Show. Everyone enjoyed the ambiance you brought to our venue. Thanks to your support the event was a huge success.

The Maltese Heritage Association strives to educate individuals about our island and promote the Maltese Culture. We raise money for our organization to participate in various cultural events in the San Francisco Bay Area such as our Classic Car Show and the Italian Heritage Parade. Each year we also make a donation to charitable organizations whose focus is on education or children and families in need. Thanks to last year's support, we made a generous donation to the Redwood Credit Union - 100% went directly to The North Bay Fire Relief.

Included is the program we gave out during our event proudly showing The Heart Throb Band as a Donor and we hope you will receive new business due to your generosity.

With Gratitude,

Debbie Gatt Ghiglieri
Secretary
