To get on this list for 2025, do any of the following by December 31st

- Buy tickets for this weekend's Political Action Raffle and maybe win a terrific prize.
- Did you attend CUNA's GAC earlier this year and buy raffle tickets? If so, you're all set to have your name appear on this sheet at our 2025 convention (but you can still buy some Political Action Raffle tickets this weekend too).
- Are you an employee of a Vermont credit union? Participate in CULAC's Payroll Deduction plan.
- Make a donation directly to Vermont CUPAC or CULAC

Contributions to CULAC and Vermont CUPAC are not tax deductible. Individuals who are associated with AVCU or with CUNA-affiliated credit unions that have signed a permission agreement with AVCU are eligible to participate in CULAC.

All contributions to CULAC and Vermont CUPAC are strictly voluntary and will be used for political purposes. You have the right to refuse to contribute without any reprisal.

Vermont Campaign Finance laws require PACs to report the name and mailing address of all those making a contribution, regardless of the amount. We appreciate your assistance in helping AVCU remain compliant when purchasing Political Action Raffle tickets.
