### **Our Vision:**

- To propose conferences and events aimed towards networking, expansion, and learning for all bakers.
- To provide a database of all licensed bakers and treat makers with their specialties and location(s).
- To offer learning resources and networking opportunities for bakers and treat makers across the state.
- To sponsor, host and/or participate in events and activities that promote baking and treat making.

## What does your sponsorship do?

We will be providing education that will offer simple, practical solutions for anyone to enhance their products and business.

Through sponsorships, we will be able to provide education, baking products, and food and beverage to our attendees. We will shower them with gifts and giveaways!

We are also raising money to provide free birthday treats to families in need across South Dakota as well as creating scholarship opportunities for students who are applying for culinary school.

These donations and funds are deductible. Funds will be donated back to South Dakota Bakers Association, a non profit organization a 501c 3 company.

### Joining the very first Baking Convention presented by the South Dakota Bakers Association will give you:

- An opportunity to reach out and connect with community members through a different, positive platform.
  - Promote your brand, products and services.
