MAILBOX UPDATE

- 1) The phone number for Denise at Curb Appeal was 404-630-4525. There was typo in the letter for her phone number.
- 2) The lettering for the mailbox can be bought from Denise at Curb Appeal. She knows the exact lettering since she has been repairing and replacing the mailboxes in the subdivision for years.
- 3) Gibraltar Mailboxes Elite Large Classic Galvanized Steel Post Mount Black Mailbox is the replacement mailbox NOT the medium size mailbox.

The fountains will be back soon. Repairs are being made to get them up and running again.
