

Message from the Commodore.....

Happy New Year, 2018 from your new Commodore! Hopefully by now you are all recovered from your holidays and thawed out from the snow storm and deep freeze. Mother nature did us all a favor and provided us with a January melt down so that the club is now accessible just in time for our January board meeting. Over the next few weeks I will be contacting all of those that were interested in taking on Committee chair positions and those that showed some interest in contributing their time to help me keep the ship afloat and headed in the right direction. That will be the message that I will be sharing with all of you over the next few months, asking for your help and guidance in making the BSYC a place that we can all enjoy as well as making the necessary improvements to keep the grounds in ship-shape. Feel free to contact me at any time, my door is always open.

Since we are a volunteer club, in order to keep the doors open we truly do need your help. Please consider working with me and the various Committee chairs so that we all can be proud of the place we call the Jewel on the Bay, the Bay Shore Yacht Club.

***** And don't forget to save the date: March 24th, 2018 Commodore's Ball. *****

All the best,

Dom Russo
Commodore, [Bay Shore Yacht Club](#)
