ABOUT GARB

In Garb we Trust

Garb is trusted by some of the largest retailers in the Golf, Collegiate, and Resort markets. With over two decades of experience, we have proven ourselves as industry leaders who know what we are doing. When you choose Garb, you can trust that you are partnering with a company that is committed to excellence, reliability, and expertise in every aspect of our business.

One Stop Shop

Look, we get it. Buying kids clothes is not your top priority and you're not alone. At Garb, Kids is our only priority. That is why we make it easy for you. Garb offers everything you need for boys and girls, infants, toddlers, and youth from polos and bottoms to T-shirts & headwear. Instead of having multiple different vendors you can choose Garb to handle your entire kids section.

Our Capabilities

Garb decorates all of our products in-house in Denver, Colorado. We provide embroidery, screen print, sublimation, heat transfers, and patches of all types for you to choose from. Outside of decoration, Garb can provide other tools and services to help your business run smoother. This includes things like an art library, EDI connections, custom barcodes, hangers, poly bags, and more, just ask!

Sizing Made Easy

Kids sizing is hard, but we made it easy. With our age-equals-size system, every garment's neck label lists the size and age range it fits. Now your shop employees become experts. Even dads and grandparents can pick the right size.

Hand-Me-Down Quality

Garb prides itself on quality. That's why we meticulously choose our materials and manufacturing processes to ensure top notch quality. From top quality cotton and side seamed garments, to tagless neck labels and water based screen print ink. Every detail is carefully crafted to deliver exceptional quality that both kids and parents will appreciate.
