<p><b>Carol Greenan</b> Reply</p> <p><b>Kimberly</b> and further if you are transgender, then just say it and stop lying ...</p> <p>I can see how it would be frustrating to have people out there talking about you all the time. Whether true or not I really liked this interview. I feel like Pattie stated your intention correctly which almost never happens. Get the people to understand that working together to solve problems is the only thing that matters. It's so aggravating to see most people that do even acknowledge you are so aggressive. You literally are the only one out here not asking for anything. Yet they portray you as someone not to be trusted. In what way? All you are asking for is people to help themselves. That should go without saying. Literally zero reason to be a hater. It's non-sensical. Pattie said we all need to be thinking about getting right in our soul. This life is just a forum to learn how to be. I see no harm in that. I'm sure there is more to the story than I will know or understand. I've spent my life in a culture that gave my time and energy to corporations, churches and the elite. That's the main issue in my opinion. To me Pattie's message rings true whatever the details may be. I think we should save our aggression to fight the right battle. Those that actually impact our lives.</p> <p>CG 4 2 12:21 PM</p>	<p>1-May-2022</p>	<p><a href="https://t.me/c/1688716656/103106">https://t.me/c/1688716656/103106</a></p>
<p><b>Kimberly</b> Reply</p> <p><b>Carol Greenan</b> I can see how it would be frustrating to have people out there tal...</p> <p>If you look up the meaning of "aggressive" that is far from what I am "being". IF I were "aggressive" or even "assertive" you would know it, and so would Pattie. I simply am stating a fact. She is claiming YOU, meaning everyone but her, should be "right in their soul", whilst not being right in her own. She has accused me of being many many things and I never said a word, with the latest being "Kim is the daughter of Lilith", and still no response to her. The woman has tried very hard to "label" me over the last year or two. In one of her live chats "George Hart" comments aka "The Viking" who absolutely is black sun. claimed he left but didn't. He took money from them to attack me and divide lifeforce. Fortunately I met someone else who was trained at the same time by the same crew so the signs were easy to read. So these are the people that are "feeding" Pattie her information. While I will never tell anyone whom to follow and whom not. I personally don't believe a word the woman says, and given the fact I know where some of her "info" is coming from, I will not participate in any interview with her. This is my choice. If that seems "aggressive" to not associate myself with the Black Sun talking head, then so be it.</p> <p>64 26 18 6 1 8:32 AM</p>		
<p><b>C.K.</b></p> <p><b>Kimberly</b> what's your view on Juan O Savin / 107 ?</p> <p>The number 107 he says is a "nickname". That nickname comes from his DARPA coin number. We mentioned it in a lifeforce call several months ago. He is DARPA which is a front for the SSP and the Order of the Black Sun. Trump does know him, and he is an</p>	<p>1-May-2022</p>	<p><a href="https://t.me/c/1688716656/103107">https://t.me/c/1688716656/103107</a></p>

Alcyones are 7th density. Earth is in the 3rd density. And when Atlantis happened, it happened in the 2nd dimension, is that it? Haha. I like asking questions. It's always for free and then you get enlightened after. Thanks much!!!  <p><b>Rachel Meyer</b> Reply <b>Wendy Costello</b> Did anyone else have family members or friends etc having majo... So I've had something bothering me about something I did in my past and it related to a Ouija board. I've known all my life not to open doors and when i was around 8 years old my mother found a Ouija board under my brothers bed and flipped out..well, she ended up giving it to me telling me to throw it outside in the dumpster and I could feel the bad vibes from it and me being a kid and wanting to do away with the evil. I split the board with my knee before throwing it in the trash...  I ended up asking my brother about the board and if he had used it. I didn't go into any detail about my experience with it either.  He said that him and his friends used it all the time and he kept trying to get rid of it and it kept showing back up under his bed and he even mentioned a big crack in the back (I'm assuming from when I split it)... He also mentioned that he had no idea I even knew about the board...  So I told him the story about me splitting it...  Anyways, my question is. Did I curse myself as a child by doing what I did? 👍 1 🗨️ 1 10:08 AM</p>

 <p><b>F</b> Lisa, I saw a small handful of Atlantic dulce in the Medical mediums recipe, didn't see the super beet. In your opinion, can either/or be used, with the same effects? Thanks 12:27 PM</p>	26-May-2022	<a href="https://t.me/c/1688716656/121499">https://t.me/c/1688716656/121499</a>

Atlantic Dulce I put in there also (liquid or powder as I personally don't like the chewy flakes) and I add the super beet powder                  9 👍 1 ❤️ 3:30 PM</p>		
 <p><b>PUREBLOOD</b> ❤️ Reply                  If Kim is the biggest threat to the cabal.. why hasn't she been removed from YouTube, the same way they did with all the COVID videos that question the narrative or provide proof of the fallacy -- all those videos were removed from YouTube and all other social media platforms in order to maintain the narrative. Why not Kim's?                  Once again -- just trying to figure out the TRUTH. 😊                  Nobody needs to get defensive.                  #CuriousMind                  6 👍 52 7:57 AM</p>	31-May-2022	<a href="https://t.me/c/1688716656/124804">https://t.me/c/1688716656/124804</a>
