 <p>Liva I don't understand the info about 365 days and added star systems. We didn't always have 365 days. Were planets added to our solar system? If yes, is that how they changed our DNA? ← 34 1:02 AM</p>	4-Jun-2022	https://t.me/c/1688716656/127370
 <p>Kimberly Reply Liva I don't understand the info about 365 days and added star syste... No "Spheres" were Stars owned by the Abraxas.. Our Loosh was being sent to each one and this is how we now have 365 days in a year. 1 day it goes to X star, next day Y star and so on. Abraxas were loosh farmers. 👍 35 🍷 10 🔥 9 ❤️ 8 8:04 AM</p>		
 <p>Deleted message</p> <p>Thanks for the reply Graham, and what you tell is real. But like I said, I do a lot helping people and animals, and when I make a promise, I keep it and make it happen. I didn't ask to make a series on the pedo files or the truth about the history of earth. So, the only thing I refer to is, as you make a statement, turn it into action, no words but deeds. It's not my fault they don't do, what they said they would be doing. And again I hope I'm wrong about this and it all will come out, but somethings are just taking to long. I hope you and everyone else understand this now, I don't mean bad, I do all that I can in private. I'm not saying that Kim is a bad person, else I wouldn't be following her for 1,5 year now, just that somethings needs to be done, else she's going to loose credibility. Thanks again for your descent reply. May peace be with you. 👍</p> <p>👍 7 7:50 AM</p>		
 <p>Jurgen Reply BA Taylor Question for you - did you really think a system that has been in ... Off all the things you claim, is no proof of or what so ever. Do I need proof for all of that? No. Can I aspect some? Probably yes. Am I waiting for the money? Not at all. I don't need Satan's dirty tricks. And I'm not attacking people, someone attacked me. I just told what has happened in the past and what is happening again. In the end there's no proof of any kind of believe, that's why it is a believe. But when all that I can is believing what someone is saying, than I can go on and believe Fauchi, or the governments or what so ever. If asking for just a little bit of hard evidence is to much to ask, than what are we doing here.bi thought that people here were looking for the truth. My mistake apparently . Again, I do not wish to harm someone, I'm trying to get the truth out. 😞</p> <p>👍 🌐 8:06 AM</p>

 <p>Lacsap Reply Kimberly Did you know they existed before? What is proof? Picture of the Abraxas would be a start. Or a picture of you with Putin/Marduk, or maybe a clip of where you shot down the missiles you talked about or how you destroyed the Chinese about to invade the USA, or how you made all nuclear weapons in the world point to Brussels, or maybe some phone calls with all those high up generals, or phone calls with Trump and Trump JR, or how you shut down all those dozens of computer systems you always talk about, or how you help the world with frequencies.....basically anything about what you talk about. Just a tiny sliver would be nice.</p> <p>3 1 9:28 PM</p>		
 <p>Kimberly Reply Lacsap Picture of the Abraxas would be a start. Or a picture of you with ... And what would you do with any of this? The Abraxas were human.. They look like me and you, so if I had a picture from the 5D with a human that looked just like me or you would you believe it? Answer is no. They don't have passports or drivers licenses with last names, but if they did you wouldn't believe me anyway. Now, Putin, Real Putin was dead in 2015, not me, someone else.. They don't exactly let you take cell phones to "snap a selfie" in to places like that. I have even been to meetings where they put a black bag on my head and took me to meet people. I know you live in your comfy chair looking for something, but maybe you should try to get out of the chair and go ANYWHERE near these people and you would understand a SHRED of how this world works. Now, Diplomatic lines are like a messaging service. You type other person types, and it is encrypted and secured... Get one of those, you know actually "do something" and you will understand. So as far as proof, no one in this freaking world handed me SH(*&T so get out of your comfy chair and go DO IT and you will have proof.</p> <p>36 24 24 4 1 1 9:33 PM</p>	7-Jun-2022	https://t.me/c/1688716656/129744

I mean come on that is on the internet.. Maybe do a teeny tiny bit of work for yourself. EVERYTHING has a frequency, from bacteria to PSI operations the dark side ran/runs. Take a little time to get your own proof instead of acting like a silver spoon baby and expecting everyone to do it for you.</p> <p>43 17 16 7 2 2 9:37 PM</p>	7-Jun-2022	https://t.me/c/1688716656/129752

How lovely.</p> <p>So if I rewatched Gone with The Wind or The Wizard of Oz this week, the Abraxas messaging has been replaced by Source and Source Covenant?</p> <p>So if the CIA was an Abraxas creation, by attaining US Marshals badges that tells you they don't exist because the Abraxas today never existed which is why they feel the need for the badges?</p> <p>MW 8 3 32 edited 8:58 PM 488</p>

It smells too much AI or Nebu programs, or just too New Agy to me. Do not be fooled by who was fooled in the first place. Always ask for astronomical and science data, and the real ET names. In these times of great agendized confusion we need to work our discernment more than ever. Ask for astronomical facts</p>

<p>Doug Reply That was a very significant report, especially about the food shortage issues related to Russia and Putin's speech earlier today. Kimberly also broke a fair amount of news not previously disclosed to my knowledge; one example was about CIA pilots for chemtrail aircraft, and another was her disclosure about the Umbrella Corporation. Umbrella is discussed all the time in the supersoldier interviews about their off-planet operations, and has been cited by some retired supersoldiers as the off-planet developer of the lethal technology within the Covid injections. She also confirmed some of the teachings of legal experts like David Straight. I think this was a very interesting and useful report, one well worth the investment in time to watch in its entirety. 6:30 PM</p>	17-Jun-2022	https://t.me/c/1688716656/139489

You say that I should review life force calls from "December 2021-March 2022 that might help you understand" but I assure you that no information was disclosed about any misappropriation of funds at any time in the calls. This can be done with frequencies, and targeting the emotional layer of matter. Every living thing has an optimal frequency for growth and comfort and an equal and opposite frequency for its demise or pain.. Like cancer for example, and of course there is a different frequency for each type as well. I don't know where you are in the world, and for certain types of cancer such as leukemia and lymphatic, blood cleansing does work as well. It depends on the person and if there are other issues going on at the same time that are feeding the cancer (such as candida overgrowths and insulin issues). Yes it is possible and has been done. The MRNA injected cancer patients are like playing rife whack a mole as things are there one day and gone the next..</p> <p>👍 29 ❤️ 5 🍌 1 😊 1 6:18 PM</p>	19-Jun-2022	https://t.me/c/1688716656/142013

<p>I remember her saying her name - Kim. And I remember (please note, it was one of those super late, late nights incredible E'Asha style tangents and I am only sharing from what I remember was said...) I remember from my perspective her saying, that this woman who had the highest 'human' DNA on the planet (I believe she said 99.8% but please don't quote me on that) would be the one that would take over the quantum financial system on the planet. That she would be verified through the quantum system through her DNA.</p> <p>When this transition happened, (is when all of the information we had been learning on the macro level) would hit the grid here and we would start to see the drama in the 'theatre' here on the planet. As this woman - Kim, had a humanitarian agenda and is pro-human and would eliminate funding war against Humanity. Thus start to see real change happen on "the ground" for Humanity.</p> <p>21 likes, 7 reactions, 6 fire emojis</p> <p>7:03 PM</p>

<div style="border: 1px solid #ccc; padding: 10px; background-color: #e8f5e9;"> <p>Kimberly Reply</p> <p>Not all of the Parents are alike and not all are completely against humans becoming free. That said, this is probably the best example of one who is vocal, opinionated and forward, who sums up well the general outlook of humans this group holds.</p> <p>What comes next will be up to us.</p> <p>Your writer does not feel the same as what you are about to read. Although he is not directly fighting them, if he ever needed inspiration to, this would be it.</p> <p>-----</p> <p>We do not hate you we are indifferent. Left to your own devices you act as if you wish to destroy this world for your own comfort and convenience. The happiest you ever appear is in a state of ignorant bliss so why shouldn't we continue. You had your chances and your perfect world when that wasn't enough we were created to lead you. And as the lion feeds on anything it can we do unto you. A few may act or feel differently but the focus remains on the majority not the few lonely villages questioning and dreaming.</p> <p>The energy you possess is squandered, neglected, abused. For a hundred years we have fed you your entertainment and you have devoured our offering supporting the lies your told ignoring the nuggets or people of truth. Not once giving us any indication you wish things to be any different. Speak up if you have something to say we are listening but we will not allow you to waste a resource as yourselves. You can not be allowed to destroy the planet like your creators designed you to.</p> <p>So we will give you the escape you so desperately want we warn you ourselves and you swallow it like greedy little piglets expecting us to deliver you from your own evil and call it entertaining. You have given us no reason to feel any differently than we always have about you and that is why we are building this world for you.</p> <p>You will become cybernetic while we allow it after which time you will be fully inserted into a brand new world. "The Kingdom of Heaven" the bulk of you have been worshipping while we waited for our chance to take over you. You want a savior and we will save you from yourselves. We will enjoy the fruits of our labor while you sleep and dream as we create our own world for ourselves in which you are not suitable to exist. You are breathing dead and your time is ours. Billions of you and only a few are even reading this and that would still be true even if this was your nightly news station. A capable race would see beyond the swamp to find the fresh water.</p> <p>My very letter to this man called The Ruiner will be a representation of the fact that you all cannot see truth when it is in front of you and you will always choose the more comfortable free ride provided</p> </div>	23-Jun-2022	https://t.me/c/1688716656/145829

And we will have our utopia without your presence doing anything but powering our new creations. What a hundred readers or more and you think you're all ready to be saved.</p> <p>To address you the runaways. We hope you enjoy your freedom and wish you luck knowing you need it. You've damn near voided your agreement with us by inspiring this fiasco so tread carefully.</p> <p>The writer of this blog has tried to argue on behalf of a few thousand humans who are aware of us what we do and how the world really works as if this is some sort of defense of humanity as a whole. These few have always existed and are laughed and ignored because of their own inability to digest the knowledge they have. They sit at computers and attend conferences that feed the money cycles as if they are outsmarting the system. This is no threat any damage these types could have ever done would have been done long before today.</p> <p>Go ahead and prove us wrong.</p> <p>Hope this is what you wanted Mr. Green though I doubt it. <p>Kimberly admin</p> <p>Kimberly</p> <p>Not all of the Parents are alike and not all are completely against ...</p> <p>This is just a friendly reminder.. The Parents are gone now, but each one was awarded by the Abraxas the "elixir of immortality" in exchange for their service of controlling humanity in some way. Each of the 21 were given "tasks" be it monetary, blocking the gates to "heaven", "judgement of human souls", control of souls, etc. In conjunction with their respective tasks, each controlled an area of the world, and 2 coven masters who then controlled the covens who then controlled the Order, who then controlled the SSP who then controlled the agencies/militaries who then controlled the Shadow (Deep State), who then controlled the governments, and eventually down the line YOU. Why is this taking so long? Because people continue to focus on Governments and things they "think" can change, but truly only YOU can change the world. Confusing isn't it?</p> <p>❤️ 116 👍 42 😊 9 🍷 7 🔥 6 😊 6</p> <p>7:59 AM</p>	<p>23-Jun-2022</p>	<p>https://t.me/c/1688716656/145836</p>

<p>wrong and such. He welcomes this. It could only hurt his feelings if he was incorrect.</p> <p>The Draco have lived on this planet before us.</p> <p>You may take a minute if you need..</p> <p>Albeit a much different planet than it is now, as much has occurred since then. The Draco were brought up on this planet. As is often the case they lived parallel to another race which was evolving at the same time and as is always the case, there were other races - at a different stage in their evolution - who were making a mess of this planet.</p> <p>As a result of that mess, the Draco felt the need to abandon ship. They received some help in removing several of their kind off of the planet, catching a lift on a moon which was orbiting nearby, at the time.</p> <p>From there, with some technology advice and help from an older race the Draco built up their own culture and civilization and quickly became able to travel to other planets on their own and with great and powerful technology. Eventually learning to exist without the assistance of the race that had assisted them.</p> <p>They waged wars. Established colonies. Began traveling far from their home to seek resources of various kinds.</p> <p>Quickly they became one of the most powerful races in their area of this galaxy. Expanding and taking what they wanted.</p> <p>After some time what they wanted was Earth.</p> <p>After some time what they wanted was Earth.</p> <p>At the time they arrived humans were in a highly traumatized state having witnessed a vast amount of destruction in their skies and on their planet. There were not many, but they were desperate for help.</p> <p>Humanity had an appointed a group formed long before this time, who had survived and were still the appointed leaders of humanity.</p> <p>When the Draco arrived they offered a deal. They would help humans, and humans would give them the planet. (Skipping some terms and conditions for now) That simple. No one laid claim to this planet besides humanity. This appointed group given the power of this claim, and in light of their weakness, gave their power and this planet away to another. The Draco.</p> <p>Perhaps this group and the humans of earth at the time did not understand what they were giving away. Mirrored in not understanding what we are giving away when we sign many contracts in society. The reality is that humans were faced with standing on their own, or being carried by another, and they made the easier choice.</p> <p>They were not, however, carried by another. They were forced to crawl. The choice was already made.</p> <p>Today we all live with this choice we would never make today.</p> <p>For a while the Draco gave us things we desired and a large civilization full of wonderful technology and comfort.</p>

DEAR US CITIZENS: <https://nypost.com/2022/06/24/roe-v-wade-decision-how-us-cities-are-preparing-for-protests/> I am aware of this, they are EXPECTING you to PROTEST for the right to KILL. This is a "ritual" like mass protest/mass meditation tied to their "Pale Horse of the Apocalypse" Plan aka you would be "meditating for the right to murder". I am not saying I agree or disagree with abortion rights.. JUST NOT RIGHT NOW AND NOT RIGHT BEFORE THE NEW MOON. The Order earlier today was doing their part in the ritual using 5 year old little girls and some incantations. The little girls were "lab grown" in Belgium by the order for this purpose using their "purity" they thought they could bring in what they refer to as "the bride of Satan". This won't happen now, but we have no idea what other rituals they have planned for this weekend. So please SHARE this far and wide, and do NOT participate at least not until next week 3 days after the new moon. If you do you have been TRICKED again by the ORDER by CONSENTING TO DEATH.

 <p>KL 🤔🌍 Reply</p> <p>Kimberly Photo</p> <p>The information below was interpreted and derived merely based on my poor Chinese level. Please do not hesitate to correct me if you find anything wrong. Hope this helps:</p> <p>These 3 diagrams are very interesting and may deliver much information than what they appear to be. Even though I can read Chinese words, the information given by this man is way beyond the meanings of his words, as some are not ordinary Chinese words but literally a combination of few Chinese characters and symbols altogether. For examples, the 4 "words" encompassing the 4 characters 天, 地, 人 and 和 mentioned by CS.</p> <p>He used a mix of both simplified and traditional Chinese words in each diagram with modern punctuation and symbol such as !!! and arrow sign in the 2nd diagram. Most likely he is already an old man by now who had lived through the Cultural Revolution in the last century.</p> <p>First diagram consists the most information. It may hint the location of a place within where the fortune and honor are. This is indicated by the 2 sentences on the left and right of the diagram:</p> <p>来龍歸此地 The coming dragon(s) return to this land.</p> <p>富貴在其中 Fortune and honor are within it (the land).</p> <p>Note that the 3rd word in the first sentence might be a spelling mistake or an intentional simplified version of the word 歸, which means "return" in traditional Chinese. There is also a possibility that he only knows simplified Chinese but having a hard time to remember those traditional Chinese words that he previously saw from somewhere else.</p> <p>Also note that the 1st word in the first sentence 来, which generally means "come" in simplified Chinese, can also mean "future" in some cases.</p> <p>The 3-summit mountain-like doodle in the middle of the diagram with 3 words below it may hint the location of the said "land".</p> <p>The doodle may suggest a mountain, maybe with 3 summits, as it resembles Chinese word for mountain, 山, which is originated from the oracle bone inscription of a similar form.</p> <p>The 3 words below it 五三七 are 3 numbers: 537</p> <p>I tried to perform a search on Google and Google Map with these numbers and the key word mountain (in Chinese), some search results shocked me:</p> <p>There is a 537 highway in Hunan province next to a mountain range below which is the imperial tomb of an ancient king, Shun (舜帝陵). When I zoomed in to the area between the mountain range and the highway, two winding roads stretch out from the mountain area</p>

<p>highway, I saw 2 winding roads stretch out from the mountain area. They look rather similar to the "curly tail" of the doodle.</p> <p>Back to the 4 "words" encompassing the 4 characters 天, 地, 人 and 和 mentioned by CS. It is worth noting that each of these "words" has a meaningful character at the bottom - 心, which generally means heart, and mind or consciousness in some cases. This character 心 is commonly used as a radical of Chinese words/ characters and placed at the bottom of those words that have some meaning related to heart, mind or consciousness.</p> <p>On the left of each of the 4 characters 天, 地, 人 and 和, there is a radical of " 彳 ", which generally implies pairing in a Chinese character. This radical is commonly placed at the left of a Chinese word/character that has some meaning related to actions in pair.</p> <p>On the top of each of these 4 "words" there are 4 similar radicals with different symbols. Position of these radicals may imply the meaning of weather/phenomena related to moisture or rain as portrayed by the Chinese character of rain, 雨。 However, the core symbol of rain drops in the radicals had been replaced with different symbols by him:</p> <p>天 (sky) - ^^, which may indicate "peaks" or "up". 地 (earth) - inverse of ^^, which may indicate "valleys" or "down". 人 (human) - 人人, which may indicate "pairs" or "many humans". 和 - symbols of lightning (as shown by Johnson Zhang), which may indicate "lightnings" or "speed" or "electricity".</p> <p style="text-align: right;">edited 6:52 AM</p>		
<p> Kimberly Photo</p> <p>The 2nd diagram seems to have some codes as mentioned by CS. The word in the middle, 劍, means "sword" in traditional Chinese, but apparently the man has written it in a simplified form.</p> <p>三 means three 寸 means inch 尺 means foot 打開 means break open or open up (打 generally means hit or beat; 開 means open, this word is also written by the man in a simplified form of traditional Chinese)</p> <p>It is worth knowing that the length of "3 feet 3" (as explained by CS about "3尺3") in Chinese measurement is 3 feet plus 3 inches (which is very close to 1 metre) instead of 3.3 feet, while "1 inch 1" means 1.1 inches.</p> <p style="text-align: right;">edited 6:53 AM</p>		
<p> Kimberly Photo</p> <p>The 3rd diagram may seem a bit tricky. The 2 sentences on the left and right are all written in simplified Chinese. This may be a proof of his own words and drawing to describe something that he knows.</p> <p>木 wood 结 bearing 果 fruit(s)</p> <p>铁 iron 定 affirming 局 situation/round</p> <p>The phrase 结果 commonly means result. The phrase 定局 commonly means foregone conclusion.</p>

<p>The tricky part is, a noun can also be an adjective in Chinese. For example, the second sentence may mean that it is the iron that concludes the situation, or a foregone conclusion is as firm as the iron.</p> <p>Thus, the first sentence may mean that it is the wood that bears the fruit(s), or a result is as slow-witted as a block of wood. However, in my humble opinion the latter seems more likely because he could have just used “tree 树” instead of “wood” if he meant the former. Furthermore, the word 木 in certain dialects of China can mean “no”.</p> <p>My sincere apology for the long-winded messages. I try my best to share whatever I know within my limited knowledge as I assume the 3 diagrams are important to your work. Please use the information as you deem fit. Thanks a lot for what you are doing for us. 🙌😊</p> <p>👍 39 🙌 10 🔥 1</p> <p style="text-align: right;">6:55 AM</p>		
<p>Kimberly Reply</p> <p>KL 🙌🌍</p> <p>The information below was interpreted and derived merely base...</p> <p>Thank you for your interpretation!!! This makes sense here is why. China is another one of those places where downward (upside down pyramids) exist.. and 3 "holy" mountains or mountains to portals in heaven exist. For too long the dark has ruled china, but the return of the 3 holy mountains will come soon. This guy was old at the time, probably in his 70's so I am not sure he is still alive. It was a small little village on a mountain. Also there was a living water pool similar to the ones I found in other locations. Flowers, I believe lotus flowers were growing in the water and they made some kind of powder from the flowers</p> <p>👍 51 🙌 12 🔥 3</p> <p style="text-align: right;">7:35 AM</p>	25-Jun-2022	https://t.me/c/1688716656/148467

 <p>BT Would like to ask some other questions if the governments are at the bottom of the control structure why is that place to start change? I agree the governments are corrupt and need to be changed. But if the current governments have so little control in the grand scheme of things how will things really change? Can we direct the militaries? Can we learn how they got orders? Will 2 different types of government only fight against each other, while those above continue on the destruction program?
