 <p>Kimberly admin Good Afternoon.. I understand yesterday was tough, and it should be a little better as of an hour or so ago? A lot of this is due to the multiple etheric fields we have passed through in the last few days leaving many with headaches, body aches, and fatigue. We also found a few other issues which were cleared up by around noonish MST.</p> <p>90 likes, 16 thumbs up, 8 🍌, 2 🍌, 2 😊, 2 🍌</p> <p>← 24 4:11 PM</p>	7-May-2022	https://t.me/c/1688716656/107890

 <p>Kimberly Reply explorerer-kul Kim, is Putin a war criminal? Why are there so many ppl who sup... Real Putin died around Jan 2017. The "thing" that inhabited putin happened in 2015. I was there. Putin is only a front for the oligarch generals. Never was he anything else, ever. Its all about "branding" for putin. Did you see the news we did on him a few weeks back? These SAME oligarchs are running Ukraine too. Don't believe</p>	7-May-2022	https://t.me/c/1688716656/107968

 <p>Rachel Meyer Reply Wendy Costello Did anyone else have family members or friends etc having majo... So I've had something bothering me about something I did in my past and it related to a Ouija board. I've known all my life not to open doors and when i was around 8 years old my mother found a Ouija board under my brothers bed and flipped out..well, she ended up giving it to me telling me to throw it outside in the dumpster and I could feel the bad vibes from it and me being a kid and wanting to do away with the evil. I split the board with my knee before throwing it in the trash... I ended up asking my brother about the board and if he had used it. I didn't go into any detail about my experience with it either. He said that him and his friends used it all the time and he kept trying to get rid of it and it kept showing back up under his bed and he even mentioned a big crack in the back (I'm assuming from when I split it)... He also mentioned that he had no idea I even knew about the board... So I told him the story about me splitting it... Anyways, my question is. Did I curse myself as a child by doing what I did? 👍 1 🗨️ 1 10:08 AM</p>
