 <p>Real FrenchPresident Reply Seniorita Sign up to listen to Kim's life force updates on UNN. She mentio... Please, I joined UNN ages ago and have been trying to get 2 more people to start an assembly for 6 months now. I am guilt caught up. Thanks. Again, please don't answer unless you CAN give the answer. And why is there so much assumption about how "caught up" people are if they ask difficult questions? Inappropriate. Best wishes. edited 10:41 AM</p>	1-Feb-2022	https://t.me/c/1688716656/19533

 <p>Kimberly Reply Jazzilady49 Why do we not see evidence of all that Kim announces, I want to ... What is concrete? I get asked this question a lot. I tell you about things, point you in the direction to get verification (such as the patent office yesterday) to verify the existence of things. I have made statements of things going to happen and/or not going to happen and haven't been wrong yet. How does one give "concrete proof" of something you didn't even know existed yesterday? 12:54 PM</p>	2-Feb-2022	https://t.me/c/1688716656/19973
 <p>Real FrenchPresident Reply Kimberly What is concrete? I get asked this question a lot. I tell you about ... Apologies - not my conversation - but might I suggest re 'concrete' I wholly get the difficulty and the need to move more into intuition - but maybe to act and then immediately post details which only the actor could have known - something along those lines. I 100% get the thing if no 'proof' ever being 'enough'. But folk need no extra reasons to doubt right now. Confidence and trust - given this is a war of consciousness - is so important. Anything I can help with, get in touch. Best. 1:04 PM</p>	2-Feb-2022	https://t.me/c/1688716656/19991
 <p>Kimberly admin Real FrenchPresident Apologies - not my conversation - but might I suggest re 'concret... Even if I did.. Then you would ask for verification of said "act" which most all of you do not have the capacity to verify. 1:12 PM</p> <p>I again remind you, I do the life force calls not for myself, not to gain "followers", what people need right now are "leaders", and that is what most all of you are. So I am not asking people to follow me, nor even believe in me. I am asking people to believe in themselves. 3 1:13 PM</p> <p>I give you information so you can discern for yourselves, understand when things are a little bit "wonky" you are not alone. 9 1:14 PM</p>	2-Feb-2022	https://t.me/c/1688716656/19992

Especially the last part was brilliant. Now head of CNN Jeff Zucker has stepped down. Coincidence ? They have no bank accounts, thats hilarious !  <p>Deleted message</p> <p>Saying the CIA organized the Freedom Rally is like saying the FBI organized the Jan 6 protests. While they undoubtedly got their claws into it in an attempt to control the situation, "they" in fact only represent a tiny fraction of the real impetus of the movement which is truly of and by The People. No CIA operation could garner that kind of populist participation. IMO, pushing the narrative that this is the Freedom Convoy is a CIA Opp, IS a CIA Opp and an attempt to discredit the real movers behind the movement, which is truly the people. Whilst it's important to be aware of CIA/Black Sun infiltration and possible attempt to hijack a populous movement, pushing this narrative is harmful to the movement as it discredits the genuine, grassroots energy behind it. 2:20 PM</p> <p>Kimberly admin Kimberly Aria Saying the CIA organized the Freedom Rally is like ... <p>Lightening11 Reply The problem is that people cannot see how this will work without money, but it will work without money. If you can look into the future, you will see that people will just help each other and when there is heavy lifting to be done, more people will get involved because it will not be for one person's benefit, it will be for every person's benefit. You must rise above the thinking of the fiat currency. I read a passage to my group the other week, I will share it here: People all over the World have a clear picture of what heaven is. It is lush green pastures, fruit trees of abundance, flowing crystal brooks of clean water, men walking in harmony with all manner of animals, people being pleasant to one another. Discussions abounding in like minded groups on how to help and how to achieve an even better harmony. But my question to you is - why are we not achieving that here on Earth? It is possible, it is logical and it is desirable. ← 6 edited 5:45 AM</p>	16-Feb-2022	https://t.me/c/1688716656/32688
<p>Kimberly admin Lightening11 The problem is that people cannot see how this will work without money, but it will work without money. If you can look into the future, you will see that people will just help each other and when there is heavy lifting to be done, more people will get involved because it will not be for one person's benefit, it will be for every person's benefit. You must rise above the thinking of the fiat currency. I read a passage to my group the other week, I will share it here: People all over the World have a clear picture of what heaven is. It is lush green pastures, fruit trees of abundance, flowing crystal brooks of clean water, men walking in harmony with all manner of animals, people being pleasant to one another. Discussions abounding in like minded groups on how to help and how to achieve an even better harmony. But my question to you is - why are we not achieving that here on Earth? It is possible, it is logical and it is desirable. 1) Because of the Deep State, 2) Because the people are not united. Money only amplifies the problem if there is not a clear solution to actually fund. 5:51 AM</p>	16-Feb-2022	https://t.me/c/1688716656/32688

 <p>Paula H</p> <p>Joseph L511 ✨⭐️⭐️</p> <p>Anyone know where is the latest UPDATE from ground comman...</p> <p>I have been trying to figure out something Kim told me...She said that now that I know what it means to sovereign stop giving my power away to the "UN powerful". I think this wording in your plea may be what she is talking about. How could you reword this statement and make it so the power is going to uplift the situation. Read back her comments and you will see Kim asked us to give her 9 or 10 days. I do not have the answers I am trying to learn this new way of thinking/speaking. Thank you for allowing me a moment of learning.</p> <p>2:51 PM</p>		
 <p>Kimberly</p> <p>Paula H</p> <p>I have been trying to figure out something Kim told me...She said...</p> <p>Power "FULL" people aka powerful: People whom get everyone's energy, time and attention so they are full and you are emptying your own personal power to them. To be Sovereign you have to be powerful: Not giving away your personal power source/god grants you every day to another human. It is ok to give energy, and receive energy, its not the same as giving your power away.</p> <p>3:36 PM</p>	18-Feb-2022	https://t.me/c/1688716656/35280
 <p>Joseph L511 ✨⭐️⭐️</p> <p>Paula H</p> <p>I have been trying to figure out something Kim told me...She said...</p> <p>Sure Paula. I'm cool with that. But learn THIS: IF WE DON'T CARE ENOUGH FOR OUR NEIGHBORS AND OUR HUMAN FAMILY no matter where it is, we are doing a disservice to our selves "An injustice anywhere, is an injustice EVERYWHERE" Martin Luther King We cannot close our eyes and ignore situations where TYRANICAL, AUTHORITARIAN, FACIST dictatorship criminal actions and mandates are hurting and killing our fellow humans. PRAYER is actually very good, especially when we understand that when many of us do it as if it is ALREADY happening and give thanks, then we MANIFEST it into existence. But most people just don't understand the power of our collective consciousness. HOW and WHY? Because there is only ONE MIND in all of creation, the Cosmos or the Multiverse. Which means ALL minds, all consciences are connected and communicate in the QUANTUM FIELD. This is explained by scientists like DR. BRUCE LIPTON and GREGG BRADEN. So after this "lesson" do a little listening and see videos about this and then you can realize just how important it is TO CARE.</p> <p>4:00 PM</p>		
 <p>Kimberly</p> <p>Joseph L511 ✨⭐️⭐️</p> <p>Sure Paula. I'm cool with that. But learn THIS: IF WE DON'T CARE ...</p> <p>Yes..but giving your power away by saying this person or that person will save us all takes away from yourself and the collective. Even in a negative context as in focusing on the deep state in any way also gives them power of collective. The narcissist love the attention whether negative or positive</p> <p>4:48 PM</p>	18-Feb-2022	https://t.me/c/1688716656/35329

You can't prove to anyone that Kim destroyed the Chinese fleet or the underground Utopia. It has to be something that can't be disputed.  <p>BA Taylor Reply Questions for Kim, for I am really confused now? 1. A couple years ago there was global martial law already declared? The reason Kim is ground Command, the highest ranking military person right? 2. The UN has no charter - How are they paying the troops? Do they really have enough troops to control millions or billions of people? 3. Lifeforce wanted people to gather and unify? Now you are saying the unification of truckers and people are a problem? How? 4. How would a small amount like 10 million helping these people? Millions is pocket change for these groups - not enough to do much right? 5. Thought Council or LF was removing these humans connected to the past controls? Why do the families, black sun or any clowns still have bank accts? 6. Remove gun rights - going door to door to remove - how? Power is not what they think it is. The back system still controls the money, so this a no win, it just delays the end of the past controller and causes more pain to the population. 4 9:14 AM</p>

 <p>Kimberly admin Deleted message K</p> <p>People seem to forget, I am not reporting other people's intel, this is my JOB and my life. I am working 15 to 18 hours a day right now for all of YOU. If you haven't noticed there is a lot going on in the world right now, and I am sorry I haven't had the time to tell all of you about it personally. Right now, I have had to have my "hands on the wheel" from around 3am, sometimes all night, to at least 8 or 9 pm. While I understand you may want to see my face, most days I haven't even gotten a shower let alone put on any make up. This is so we don't erupt into a world war, they don't poison us further, and still keeping my promises of cleaning out the financial system so we can start the real work. So I am sorry, wait, I am not, that you are disappointed. K 7:25 AM</p>	25-Feb-2022	https://t.me/c/1688716656/43151

<p>Deleted Account Kimberly Greetings! I am trying to figure out how Blackwater managed to infiltrate the Eastern Ukraine rebellion, could you give a hint (one word will do 🙏) if the following is "cold / warm" ?</p> <p>"triple crown" -> Trilateral Trillennium Tripartite Gold Commission -> Office of International Treasury Control -> Cabinet of 12 (Global)-> Cabinet of 12 (Local level - Russia) -> Vladislav Surkov(Dudaev) also a head of Goldman Sachs in Russia is said to be the one who was a controlling the "new republics" and perhaps much more, such as sale of the "separated" land to different corporations. Thats how Blackwater has got in?</p>
