 <p>Kimberly admin NOTICE: A new group "Life Source" has been formed by Lane Keller. I would like to comment only on the following 1)It has come to my attention "someone" in the Life Source group is stating they will take all the assembly grievances and forward them directly to Kim. THIS IS INCORRECT INFORMATION, I am not affiliated with "Life Source" Groups in any way and I was actually never in that chatroom to begin with. 2) Lane chose to start her own media group, while I am happy to hear of her venture, I am saddened to see the way this is being handled leaving many lost and confused. Further, the LIE being told to the members of our former Lifeforce Chat that the chat is a way to reach me directly is false. 3) Due to the recent information over the last few days I have severed all ties with Lane as I personally do not lie nor manipulate people nor do I associate with those that do. This is my free will and choice to not have that energy in my space. If people wish to gather together with Lifeforce, then that is their choice, if they choose another path that is also their choice. I personally have to go with what resonates with me and with Source/God the Creator's Natural Law. Please post this where you feel it is needed in order for the people to understand the falsehoods being told. Thank you for your understanding. Warmest Regards, Kim 12 10:27 AM</p>	18-Jan-2022	https://t.me/c/1688716656/4568

 <p>Kimberly admin THIS IS COMPLETELY UNTRUE. Lane has stated "she is done with Tank" and my post above states my stance on this issue. 10:30 AM</p> <p>Forwarded from Steven Please post this reply</p> <p>This matter is under full investigation and there are many assemblies that are currently or have been in the past affected by this Negative Non Source driven Interference There are many who have already come forward FACT!.They have been denied a voice on all Platforms personally by Kelly and others at his direct instruction (FACT!). Deliberate cold calculated censorship of all comments AND the forced removal of those citizens from ALL threads! FACT! Members of the LifeForce Core-Team and Work team, have also personally experienced this.FACT! This occurs on all LifeForce controlled threads Fact! .This is not acting with Integrity Honesty and Transparency FACT!.All Assemblies are now encouraged to post all factual or send all factual (not Opinion) evidence of unwarranted interference directly to Lane or myself for post directly on LifeSource Threads, so that a full unadulterated unredacted Factual evidenced, detailed report can be delivered directly to All, including Kim and Tank and others on the Life Force Core Team.This will be done freely and without outside censorship on this thread and free from those who are attempting to restrict the truth from being told to all.Truth will always be told and Source will always provide a means of stating Truth and Facts.As Sovereign Beings the choice is always yours, and yours alone,to choose your own path, and not to be controlled by others.You are Free 🙏 Love Light and Gratitude 10:30 AM</p> <p>This post by a member of "Life Source" is completely false. 10:31 AM</p>	<p>18-Jan-2022</p> <p>18-Jan-2022</p> <p>18-Jan-2022</p>	<p>https://t.me/c/1688716656/4570</p> <p>https://t.me/c/1688716656/4571</p> <p>https://t.me/c/1688716656/4572</p>
 <p>Ulanda Schmulian Joriej The seven deadly sins Consider the seven deadly sins as more of... The seven deadly sins is a Vatican concept and was the creation of Pope Gregory. It is a Roman Catholic dogma. It is not really a biblical teaching. Instead the Bible discusses the "Fruits of the Spirit" in Galatians 5: 22,23. The Bible also teaches us the 10 commandments. I suppose with Kim being a Catholic this has been adopted by the group but generally protestants like myself don't put much trust in these "teachings of men". 11:58 AM</p>	<p>18-Jan-2022</p> <p>18-Jan-2022</p> <p>18-Jan-2022</p>	<p>https://t.me/c/1688716656/4619</p> <p>https://t.me/c/1688716656/4620</p> <p>https://t.me/c/1688716656/4621</p>
 <p>Kimberly admin Actually I was raised catholic.. What I witnessed within the hall of records and the "files of the game changers" that were/are supposed to turn things around for humanity. So everytime someone was "deleted" from the God/Source file, and joined the "other team" it carried the label of one (and in some cases multiple) of those "Sins" 12:02 PM</p> <p>Further there was a "Law of Sin and Death" registered as well 12:02 PM</p> <p>So its not the biblical sense, it is more under Natural Law or the Law</p>

So say it takes 50 people to build your house. This is not a permanent job (defined monetarily as a position created which lasts 5 years or more) these jobs are temporary. So a portion from each of 50 peoples accounts goes to pay for the new construction of a house a building etc. Because those people are benefitting. However it still does not increase the GDP..so its considered dead money</p> <p>K 3 8:29 AM</p> <p>Karen Australia Deleted message</p> <p>Houses here are expensive as Govt leverages housing market to print money.</p> <p>To save up to buy a house cash is very difficult.  <p>Kimberly Reply Lets not forget inflation (or the fictitious creation there of). Do you know why the Federal Reserve is talking about more? The GDP of the USA (and every other nation) is way down by almost 30 Trillion dollars (globally) per year due to covid.. All of those people were the people. They were people from different professions that were volunteering hundreds and hundreds of hours to get the assembly set up in all states and many countries only to be infiltrated in what seem like a nanosecond when pgsd was installed. So when you say that these cabal criminals would be totally stopped from hurting humanity – stop and ask yourself what about all the people that built assemblies worldwide ...aren't THEY part of humanity? No one stopped Pgds et al from hurting them to date.</p> <p>edited 1:35 PM</p>

 <p>Angela McNeese Kim, Is there going to be 2 quantum systems running at the same time? Or can there only be one true quantum system which I believe is yours. The Charlie Wards out there still are professing that they are in control and will run the quantum through Star link Legacy System. 3 8:22 PM</p> <p>Kimberly Angela McNeese Kim, Is there going to be 2 quantum systems running at the sam... Starlink is not a quantum system unto itself. The Quantum part of that system was to the Kronin dark AI through the SSP and Darpa. 8:23 PM</p> <p>It is dissipating and should be completely gone by tomorrow. 1 8:24 PM</p>	27-Jan-2022 27-Jan-2022	https://t.me/c/1688716656/14545 https://t.me/c/1688716656/14546

 <p>Karen Australia I feel disappointed that Kim has to ask for help from us. That she has to explain why she needs cash to keep the lights on. We are not shouldering enough of the burden.</p> <p>What else can we do to help in the transition until the Cabal falls completely? Kim has specifically asked us to form Assemblies in alignment with PGSD and to guard these Assemblies against infiltration. We are at a perilous time. We can all contribute to implementing The Restoration Plan. I've got my 2 page proposal. If everyone in an Assembly comes up with one proposal, we'll get this done! 8:28 PM</p>	27-Jan-2022	https://t.me/c/1688716656/14567
