I am aware that this retreat will take place primarily outdoors in a location not specifically designed or optimized for camping. I will attend diligently to my own personal safety and the safety of fellow participants. At the same time, I acknowledge potential hazards such as SLIPS, TRIPS, AND FALLS due to 1) the placement of tent ropes or extension cords or 2) paths and walk surfaces being unfamiliar, uneven, or damp and slippery, or 3) the darkness of night; or ENCOUNTERS with insects or wildlife.
