### **Preschool Rates**

Tuition rates for preschool will be separate from tuition paid for children in grades K-8 unless the family has two other children enrolled in grades K-8. In such cases, the family would qualify for a 25% discount for preschool tuition. Snacks will be provided during after-care only. Note that the preschool's tuition increase is based on last year's rate before it was prorated due to the late 9/3 start. The daily rate for extended care is \$15 a day. Extended care fees are non-refundable.

Extended care rate options are also below.
