President's Message

What an amazing year! We've been so blessed to be a positive impact in the lives of Central Florida families. I am so grateful for the support of the community through donations and grants. We are a team and each one of you plays a big part in the accomplishments of this organization. In other words, we could not do this without you. Thank you so much for all you do.

Our Family Support Program continues to help during a time when families are experiencing a loss of income and are consumed with the mission of saving their child's life. I am so humbled by the thankfulness of our families when assistance is received. I never take the blessing of helping others for granted.

Our Cheer Team continues the great work of cheering our young patients and their siblings through one of the most difficult times in their young lives. We are extremely grateful to Wal-Mart Merritt Island for partnering with us to make each gift special for each child.

It is my honor to work with such a great team of members and volunteers. The time and effort you put in to make all this possible does not go unnoticed. Thank you for making a difference!

Sincerely,

A handwritten signature in black ink that reads "Linda Roggenkamp". The signature is written in a cursive, flowing style.
