President's Message

This year has been a challenging year with many uncertainties. Due to the Coronavirus, in the best interest and safety of others, we made the decision to cancel our fall Denim & Gold fundraiser. This is our biggest fundraiser of each year. We were also unable to deliver cheer for several months and postponed Christmas in July delivery to Advent Children's Hospital until September. Despite the obstacles, we continued to assist families financially as needed.

The best part of 2020 is eight children received their End of Chemo celebrations after a long battle of kicking leukemia and showing their brave the entire way. This is always a great feeling knowing that they are cancer free and returning to being a kid again.

Christmas was amazing this year. We added a Gift Cards for Teens Drive to our annual toy drive and received over \$1,300 in gaming and eatery gifts cards for the older kids. We also received enough toys and games to fill three trucks to deliver to Advent and Arnold Palmer Children's hospitals to assist Santa with his delivery to each child spending their holiday in the hospital.

Thanks to the help of our family sponsors and donations we adopted 39 children for Christmas. Each child received gifts from their very own wish list totaling \$125 per child.

Our team at Brittany's Wish is in awe of the outpouring of love and encouragement during such an unprecedented time. A lot of negative happened, but a lot of positive was accomplished.

Thank you to our team, volunteers, and supporters. Please know how much you are appreciated not by just me, but the families and children going through one of the most fearful journeys of their lives. Thank for all you do to make a difference.

With thanks,

Linda Roggenkamp
President

Community Impact

118 Gift Cards Issued (Fuel and Meal Support)

8 End of Chemo Celebrations

103 Cheer Gift Deliveries

20 Family Support (Assistance with bill payments)

2 Sponsored Meals at the Ronald McDonald House - (Nemours & Arnold Palmer)
