Andria  
RECLAIMED OAK FINISH

This collection was created to address a trending style in today's market while adding some transitional feel by bowing the inset drawers. Use of the slats in the center of the drawer and hardware to match the slats creates a uniform design element. Slat look is carried through to the accents on the mirror as well as the beds. The panel bed uses the middle slat look of the cases to have a "suited" L option. Cases and beds are on metal legs to modernize the collection.
