

"Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are."

-- 1 Corinthians 3:16- 17

To Whom It May Concern,

My name is Ricardo Beas and I am the Pastor, a Member and a Disciple of the **Natural Law Church of Health and Healing** (hereinafter the Church), an international church residing in the worldwide web. My personal residency is in San Diego County, California, from which my Church operates.

Our Church is a non-denominational church founded on Christian principles, with a special focus on good health and its relationship to spirituality and God. Our Church welcomes followers of all God-fearing faiths to follow and be a part of our Church, all being welcome to become Members and Disciples of our Church.

Due to our firmly held religious beliefs, which are reflected and protected by the First Amendment to the Constitution of the United States, our Church and its Members and Disciples are against vaccination of any kind based on overwhelming data regarding their harm, including information provided by the same vaccine manufacturers, that prove that vaccines not only contain cells of aborted fetuses, an aberration before our Lord God, and insect parts, but also contain many toxic substances, which include the following:

Thimerosal, mercury, aluminum (toxic heavy metals), formaldehyde, glyphosate, GMOs, peanut oil (most likely responsible the now common children's reactions to nuts), other live or inactivated viruses, bovine extract, polysorbate 80, monkey kidney tissue, and aborted fetal tissue.

All these ingredients, individually and combined can and have been proven to be detrimental to a person's health and they can and often do cause any or many of the diseases noted in the manufacturer's vaccine inserts, which include among others:

Nervous tics, allergic reaction, face edema, swelling face, pruritus, rash generalized; nausea, diarrhea, cellulitis, bronchiolitis, UTI, acute gastroenteritis, asthma, aspiration, breath holding, influenza, inguinal hernia repair, viral syndrome, URI, croup, thrush, wheezing, choking, conjunctivitis, pharyngitis, colic, colitis, congestive heart failure, severe migraine with unilateral facial paralysis; nerve compression in neck and arm, paraesthesia, hypoesthesia, facial palsy, convulsion, syncope, myelitis, anaphylactic and anaphylactoid reactions (can kill you); systemic lupus erythematosus (SLE), Guillain-Barré syndrome; multiple sclerosis, arthritis pain in extremity, tachycardia, encephalopathy, coma, Collapse or shock-like state, fainting, decreased level of consciousness, prolonged seizures, progressive neurologic disorder, including infantile spasms, uncontrolled epilepsy, or progressive encephalopathy, anaphylaxis (death can occur within 30 minutes of onset), Sudden Infant Death Syndrome (SIDS), and Death.

See the manufacturer's vaccine inserts where it lists all of the above diseases and possible injuries, at <https://tinyurl.com/Vaccine-Insert>.

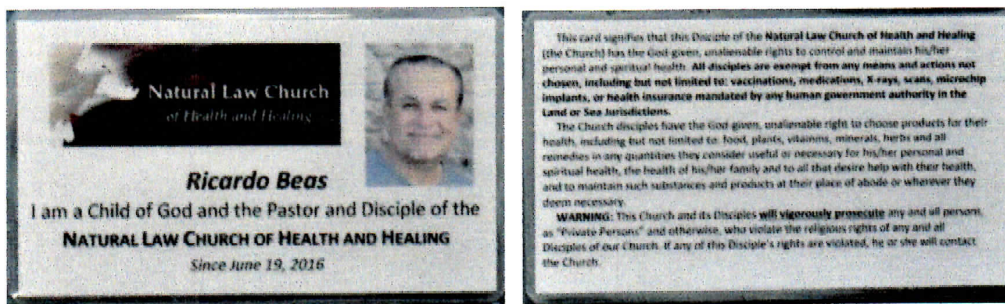

OUR CHURCH'S RELIGIOUS RIGHT AND OBLIGATION TO AVOID VACCINES

Due to these vaccines' content of aborted fetal matter, insect parts, toxic substances, and the probable ailments that can and often result from their use as noted above, our Church, Members and Disciples firmly believe that using such vaccines is harmful and is therefore against our religious beliefs and are against God's Law, being that **such vaccines would defile our body, which is the Temple of God, noting that such vaccines are "unclean"**. See **The Holy Bible, 1611 King James Version**: 1 Corinthians 6:19, 1 Corinthians 3:16, 1 Corinthians 3:17, Mark 2:17, Job 14:4, 2 Corinthians 6:17, Leviticus 5:2, Luke 17:21, Psalm 139:13-14, and Exodus 20:13.

This letter is prepared for the benefit of our Members and Disciples who follow our Church's Principals and doctrine as spelled out at <https://tinyurl.com/NaturalLawChurch-Principles>. **To be clear, our Church is against all vaccinations and our Members and Disciples have a right and a duty to our Church and God to avoid such vaccinations for them and their loved ones, including their children.**

If you, any government agency or educational institution, or any employer or other entity wants to verify if any particular person is a Disciple of our Church this can be accomplished in one of two ways:

1. Request to see their Church Disciple Certificate or ID card. Disciples of our Church have the option to acquire a Church identification card that shows their participation in our Church and their compliance with our beliefs and principles. Here is an example of such ID, mine in particular:

You will find the following text in both our Disciple Certificate and our Disciple ID card:

"This card signifies that this Disciple of the Natural Law Church of Health and Healing (the Church) has the God-given, unalienable rights to control and maintain his/her personal and spiritual health. All Disciples are exempt from any means and actions not chosen, including but not limited to: vaccinations, medications, X-rays, scans, microchip implants, or health insurance mandated by any human government authority in the Land or Sea Jurisdictions. I DO NOT CONSENT TO ANY OF THE ABOVE PROCEDURES.

The Church Disciples have the God-given, unalienable right to choose products for their health, including but not limited to: food, plants, vitamins, minerals, herbs and all remedies in any quantities they consider useful or necessary for his/her personal and spiritual health, the health of his/her family and to all that desire help with their health, and to maintain such substances and products at their place of abode or wherever they deem necessary.

WARNING: *This Church and its Disciples will vigorously prosecute any and all persons, as "Private Persons" and otherwise, who violate the religious rights of any and all Disciples of our Church. If any of this Disciple's rights are violated, he or she will contact the Church."*

2. Contact the Church. Contact me by email and provide me the full name of the claimed Member or Disciple and their year of birth, as well as an email address if available, and I will reply to confirm if such person registered with our Church and if they are currently Church Members and or Disciples.

CHURCH AUTHORITY. The Natural Law Church of Health and Healing was created under the authority of God and Jesus Christ Himself, such authority reflected in the following Biblical passages: John 1:1, 1 Corinthians 8:6, Mathew 4:19-20, Mark 16:15, Acts of the Apostles 5:29, Galatians 6:6, Psalm 94:16, Proverbs 16:12, Proverbs 29:12, Proverbs 4:14, Ephesians 5:11, Ephesians 6:10-13, 16-17, Acts of the Apostles 20:28, and Acts of the Apostles 22:15-15. See <https://tinyurl.com/NaturalLawChurch-Authority>.

While we respect any person's view where they may consider our Church, Members and Disciples' religious beliefs to not be legitimate, such personal view is irrelevant when it comes to our constitutionally protected religious rights. As an example, as noted in a recent lawsuit by the Plaintiff's attorney, and confirmed by the final result of the lawsuit:

"The legal standard isn't whether officials agree with the religious beliefs or whether those beliefs are the recognized position or official doctrine of any particular religious organization or group. Absent proof establishing an undue hardship, federal law requires an employer to provide reasonable accommodations for sincerely held employee religious beliefs, even if some may consider those beliefs idiosyncratic."

See U.S. EEOC v. Saint Vincent Health Center, Civil Action No. 1:16-cv-234; see also EEOC v. Mission Hospital, Inc., Civil Action No. 1:16-CV-00118. This type of reasoning and legal standard also applies to our Members Disciples' children when it comes to attending school without vaccinations.

If you have any question regarding our Church please feel free to email me at the address above. Thank you for your attention in this matter and for not attempting to force our Members and Disciples, their children or anyone under their care, to vaccinate themselves or go through any other unwanted medical procedure that violate our Church's principles and our firmly held religious beliefs and rights, as noted in our ID cards and in our Church's website.

Respectfully Submitted,

Pastor Ricardo Beas
