

G Vastu

Realign Energy of Architectural Environments

What is Vastu?

- **Vastu** is an ancient Indian architectural science that **directs** the **five elements** positively impacting environments, and the **psyche and behaviour** of its occupants.
- Vastu Yantras can identify and remedy specific **spatial discrepancies** bringing peace of mind to your **health, wealth, and prosperity** in your family settings.

How does it impact you?

- Overall stability, growth & contentment
- Improved personal relations & joy
- Vastu affects self-worth, abundance and inner peace leading to living a balanced lifestyle.

How can we help you?

- Bespoke personalised/familial relations
- Interior & exterior design consultation
- Energy balancing

What can you do?

- Identify what **familial, stability and personal problems** you are facing from the **Zonal Family Vastu Energy Grid** (on this page)
- **Share floor plans** for an in-depth **analysis and report**
- **Get in touch** to book a consultation
