DATA PROTECTION

The WHS uses the information you give us to inform you about the activities and events of the society. All general information is delivered to you by post or email. We will only contact you directly by email or phone with specific information about an event or activity that you are involved with. The data we store is kept on a secure server with access limited to named elected members of the committee only. We do not share your data with any third party.

I have read the above statement and agree to my information being held and used by the WHS for stated purpose.
