
CONNECT @ RENEWAL

At Renewal we believe that each of us have special gifting and abilities given by God to serve others and to build up His Church! Our Connect groups are designed to Connect small groups of believers so that they can more effectively serve one another and our community. Our goal is to serve this community and to reach those that are not in a personal relationship with Jesus Christ. We also seek to strengthen those who are in a relationship with Him by sound Biblical teaching, prayer and service! Simply put, we seek to KNOW HIM AND TO MAKE HIM KNOWN!

ABOUT US

We are a non-denominational evangelical Christ Centered body of believers that yearns to work with all "parts" of the body of Christ! While our doctrine primarily adheres to the Baptist Faith and Message (2000 edition) we encourage all believers, regardless of denominational affiliation, to join us! We stand firmly upon the Word of God and follow it above any denominational doctrine or tradition of men. We encourage worship in any way you feel led to worship! Our dress code is casual, so come as you are. Worship how you like and use your gifts to edify your brothers and sisters in Christ! At Renewal we don't have "members." We have family! To "join" the Church you simply show up and participate! No "membership" is required! Our vision includes a multipurpose facility that will allow after school and weekend programs for teens in our area as well as biannual youth camps and children programs.

REALITY CHECK YOUTH RETREAT RECAP:

Youth camp went great, for the fourth year, and we can honestly say this was the best year yet! Each year we gain experience and improve what camp has to offer for the teens that attend. The worship was amazing, the food was delicious, the Word was spoken and the Holy Spirit moved throughout the week! We had several teens recognize their need to be in a personal relationship with Jesus Christ, one call to ministry and several were delivered from the bondage of sin! Two students were holding on to unforgiveness and by the Holy Spirit they were able to finally let go and forgive! We are planning our next event around mid November!

Church Hurt/tired of religion?

Don't worry! People aren't perfect and life is messy. At Renewal this is a safe place! A place to be loved on, cared for, forgiven and brought up in the Ways of Jesus! Trust us we're different!

GO AND TELL!

We believe in evangelism and missions! Here at Renewal, we believe our first and greatest mission field is our community. That's why we are here. Our primary mission focus is on the next generation. We envision our older generations connecting with and leading our younger generations through discipleship! This is the purpose of the Church as Christ commissioned us! To go and make disciples. This is an individual command and requires each of us at Renewal to be a disciple maker. We believe each of us should be constantly discipling others throughout our lives regardless of age or perceived "abilities". God uniquely gifted you to reach people in this community! We invite you to go and tell!
