RAWLES PSYCHOLOGICAL SERVICES

Rawles Psychological Services (RPS) is a mental health organization that specializes in providing clinical, educational, training and consultation services for more than 16 years. Our long-term and short-term clinical services are structured from a trauma-informed perspective. RPS educational services consist of providing guidance, recommendations, and advocacy regarding academic and educational plans/needs. Our training services provide education on relevant mental health, cultural competency topics for mental health, educational, public safety, social services, court services professionals, and clergy. RPS consultation services consist of addressing mental health issues faced by public safety agencies, human services department, adult and juvenile court services units, and religious organizations. RPS government procurement codes are: NIGP Codes 94876, 91838, 91866; PSC Codes: AJ66, U008 ; NAICS 541618, 611430, 621330. We accept all major insurances plans, Medicaid and Medicare and we work with private pay clients.
