Assemblymember Jim Wood, DDS (D-Healdsburg) has announced that he is endorsing Ryan Sundberg for re-election as Humboldt County's Fifth District Supervisor. Wood was elected in 2014 and serves California's 2nd Assembly District, which comprises all of Del Norte, Trinity, Humboldt, and Mendocino counties, plus northern and coastal Sonoma County, including the northern half of Santa Rosa.

"I am proud to endorse Fifth District Supervisor Ryan Sundberg for re-election in 2018. Supervisor Sundberg and I have worked hard to protect local revenue streams and address unfunded mandates that put an undue burden on local communities," Wood said. "He is a dedicated professional with the unique ability to forge relationships with partners and stakeholders across party lines because he focuses on what is best for his district and the wider Humboldt County community. His re-election is critical to ensure that Humboldt County maintains a voice on the Coastal Commission and that the North Coast is represented in decisions that often have far reaching and lasting impacts."

Sundberg was first elected to represent the Fifth District in 2010. He was re-elected in 2014 and is seeking a 3rd term in office. He was appointed to the Coastal Commission by Governor Jerry Brown in 2017.

"I have been thankful for the opportunity to work with Assemblymember Wood and appreciate his endorsement," Sundberg said. "He is very responsive to issues that face the Fifth District, supporting our efforts to address the environmental damage caused by illegal cannabis grows, increase infrastructure improvements like road repair and more. I look forward to working with him on more positive initiatives for our District in the next four years."
