Words from Our President

Hello everyone,

It appears that fall is on us, at least here in the East. Cooler weather to me means getting outside and enjoying the cool air with my dogs. What about you?

I would like to start with the National. WOW what a show - 54 buhunds in one location, that was amazing and beautiful to see. Congrats to all the winners. It was great to see old friends and new ones. Thank you to the Chair of the specialty, Christine Vanvleet, you did an awesome job. Also thank you to Monika Grimm for handling the raffle which raised over \$1600.00 for our junior scholarship fund, and Mona Aasmul for the wonderful dinner. We had a great repro seminar as well and will be offering more of this type of education at our Nationals.

At our annual meeting membership was presented with some new programs we are implementing. Our ROM/ROMX program is for breeders. The information and application is on the website. We are also starting a Hall of Fame for the best of the best. This is for buhunds that are outstanding in their achievements. Hall of Fame means they have earned titles that require several legs and are at the top of their sport and skill and they are a champion in conformation as well. I know all of our dogs are Hall of Fame in our books but these dogs have gone above and beyond. They compete in the sports that require several Q's and require skill and they excel. We looked at Hall of Fame requirements for other breeds to help us come up with our requirements. These dogs will be on our website. It will be exciting to announce our 1st Hall of Fame dogs next year. You can find the information for the Hall of Fame on the website. We are making this retroactive to include past dogs. I can think of a few I hope to see on that list.

Next let's talk about the Versatile Award - we are always updating this with new titles. If you are competing in something that is not listed and want it included please put together the titles and the requirements to earn that title and submit it to the board.

You will be getting a survey soon on the 2024 and 2025 specialty, Membership voted on 2023 and decided that Macungie, PA would be the location. I hope to see many of you there.

AKC Has come up with FIT DOG titles - We have applied to be a FIT DOG Club and will be offering FIT DOG classes as well as FIT dog walks once we get everything in place. I hope you will join us.

Please join me in thanking Tina Hamblin for her service to the NBCA as our Treasurer wish her good luck in Law School as she steps down as our Treasurer and welcome James Blevins as our new Treasurer. The rest of the installed officers for 2022 are VP - Mona Aasmul, Carol Walsh and Autumn Stensen looking forward to another productive year.

Stay safe and enjoy the Fall season.

Specialty Chair's Report

Hello fellow Buhund owners and exhibitors,

As your Show Chair for the 2022 National Specialty in Lexington, Kentucky, I want to extend my sincere gratitude to all of you that participated in our show this year, contributing to its huge success. We had over 50 entries, our largest show to date, we had a great line-up of judges; several of which approached me and offered compliments on the great quality of dogs we presented and our dedication to our junior handlers. I can say, this made me proud to be part of the Norwegian Buhund family.

Chairing this show was a first for me and I honestly felt mostly overwhelmed due to my lack of knowledge on how a show is pulled together. I am grateful to our President, Faye Adcox, for her knowledge, her willingness to pass along that knowledge and mostly for her patience as my questions were endless. Mona Aasmul, thank you for coordinating catering efforts for our dinner; Joann Cocoros for finding us nice accommodations at a reasonable rate and just minutes from the show site, and lastly a HUGE shout-out of appreciation to Monika Grimm for all her efforts on our raffle, which resulted in record-breaking earnings of over \$1600 for our Junior Scholarship Program.

As your Show Chair for 2023 in Macungie, PA, I am asking for your suggestions; are there things you liked or disliked in Kentucky? Are there areas that we can improve on? Or things we should add? I am interested in hearing from you, please feel free to email me at midoglv4@comcast.net On a closing note, something I'd like to bring to everyone's attention based on a few personal observations.

Sportsmanship – noun – Definition: Fair and generous behavior or treatment of others, especially in a sport contest.

“Good sportsmanship goes beyond the game, it starts with respect.” Tommy Hilfiger

I ask that we all be mindful of the above. We all want to win, we all want the prestige and the beautiful trophies and the wins photos; but please keep in mind we have juniors that are coming up in this sport and we are their mentors. It is up to us to show them the proper way to win or lose. There is always someone who hears the snarky comment, sees the eye roll or the disgruntled way a loss is handled. Let's keep things in perspective and remember while competition is a real thing at these shows, at the end of the day, each and every one of us goes home with the best dog--our dog that we love regardless of the outcome of one's opinion from the show ring.

Respectfully submitted,
Christine VanVleet, Show Chair

Norwegian Buhund Title Statistics

Compiled by Mona Aasmul

Every year AKC Gazette publishes title statistics for every breed. The Buhunds' stats date from 2009, when Buhunds were accepted into the AKC Herding Group, and through part of 2021. Data prior to 2013 may not be accurate because it was published in print format. The print format files converted to PDF file are sometimes hard to read. Canine Good Citizenship titles and Trick Dog titles are only recorded if dog owners submitted them to AKC. Barn Hunt title stats are only those that are submitted to AKC. Some of the titles only go back a few years as they are newer sports.

New AKC Title Program: FIT DOG!

AKC is offering a new 3 level titling program with title applications opening in January 2023! According to akc.org, "The American Kennel Club is committed to improving and maintaining the fitness and health of all dogs and their owners. AKC FIT DOG titles were designed to provide a structured, individualized fitness plan that you and your dog can do together." These non-competitive titles require dogs and owners to complete fitness activities from at least two categories to earn points toward each title level. The activities fall into 6 categories:

1. AKC FIT DOG Course
2. Runs (community runs such as a Turkey Trot, Spring Scurry, etc.)
3. Walks and hikes (Independent or Group)
4. Unique to You and Your Dog (e.g., swimming, Parkour)
5. AKC title that is fitness related (e.g., FAST CAT, agility)
6. AKC Parent Club Performance Titles (e.g., pack dog, sledding)

Each category has specific requirements at each level, and varying available points. The Bronze title requires at least 5 points from two categories, the Silver title requires at least 10 points from 2 categories, and the Gold title requires 20 points and must include one AKC title that is fitness related. Full descriptions of the activity categories and title requirements can be found here:

<https://www.akc.org/sports/akc-family-dog-program/akc-fit-dog/akc-fit-dog-titles/>

NBCA is in the process of becoming a FIT DOG Club and plans to begin organizing regional group walk activities and online classes next year.

Title applications will not be available until January 2023, however you can start recording your activities now and submit your titles in the new year.
