## Words from Our President

Dear Friends,

I am very happy spring is here, I am sure some of you will be glad to see the white stuff gone. I would like to start out by congratulating our juniors Octavia Stensen and Zarin Godfrey on going to Westminster - Good Luck! Also congratulations to all attending Westminster this year. Good Luck! Hope your travels to the show are smooth.

This newsletter has the up-to-date info on the National Specialty. Christine VanVleet has been very busy putting everything together. We will have the specialty on Saturday and a supported entry on Sunday. It is going to be a great weekend. Christine has assembled a great team to collect raffle items; if you have something you want to donate please contact her, Monika Grimm or Patricia Lalli. Mona Aasmul is putting together a couple fit dog walks and Michelle Leathers is working on some fun activities for the weekend. We will have the junior showcase again this year. I am still trying to set up a herding clinic and a seminar. It should be a fun-filled weekend. You will find information on the hotel and the dinner/meeting, sponsors needed for Trophies, and more included here and on the FB page.

We have 2 other supported entries set - I know that Christine VanVleet with the Kalamazoo, MI supported entry and Joanne David with the Klamath Falls, OR supported entry have been working hard to make these nice supported entries. If you are a member of an all breed club and want to have a supported entry please contact a board member so we can get the process started.

When we voted on the changes for the by laws we voted to increase the dues - you will find the amounts the dues will increase included in the newsletter - the vote to increase said no more than \$75.00 - even though there was the option to increase to \$75.00 we did not.

The nomination committee chair has been set and she has selected her members. Thank you Heidi Erickson for accepting the job.

Our membership has selected Greeley, CO as the location for our 2024 National and the survey for the 2025 will be out soon.

We are looking for a Parent Club Junior Membership Coordinator. The job description is included in the newsletter. Please contact Faye Adcox if you are interested in taking on this position.

There are still a few trophies that need sponsors - seems that all the large trophies are sponsored but we still need sponsors for the 1st in each class - Please consider sponsoring one of those trophies - Thank you! Have a great spring. Let us know what you are doing with your Bu. Please share pictures and stories.

--Faye

## Specialty Chair's Report

From your show chair:

Hello everyone and welcome to Spring. I hope everyone is doing well and having fun with their K9 companions!

I have been working on a Supported Entry to be held in conjunction with the Apple Blossom Cluster in Kalamazoo Michigan over Memorial Day weekend. This is a five day show running from 5/25 – 5/29/2023 with our Supported Entry on Sunday, May 28, 2023. We'll have hospitality bags for all that enter and some nice prices and awards too. There will be obedience and rally offered through the various clubs that are participating in this cluster, so I hope to see lots of Buhunds that weekend; and their humans too!

In addition to the Supported Entry, I have been busy working on this year's National Specialty which will be held in Pennsylvania. I'm looking forward to attending and hope to see many of you there as well. I have been working with the host club and we will be holding a junior show case again this year, we have our judging panel in place, ribbons ordered and trophies are in the works. There is a lot to do in putting these events together and I'm enjoying working with our Board members and the various contacts from the host club. We have a block of hotel rooms reserved so if you're planning to attend, don't forget to get those reservations made.

With the duties almost wrapped up for our 2023 Specialty, it is time to begin thinking about 2024 as we'll be in Greeley, CO. I have volunteered to chair this upcoming event so I'm asking if anyone has input, suggestions, or ideas, please feel free to contact me via email at midoglvr4@comcast.net.

Best wishes to all, good luck at your events, and hope to see you soon,  
Christine

# Meet the Breeds NYC

*Contributed by Faye Adcox*

Tina Hamblin and myself took 3 dogs and ventured to NYC for Meet the Breed in late January. We had Kodi, Hagrid and Reisling--all 3 dogs loved the adventure. The official count of people that came through the building was over 25,000 people. All three dogs got lots of attention and love. They were great ambassadors for the breed. They gave lots of kisses and got lots of pets in turn. There seems to be a great deal of interest in the breed!
