CRICKET HONG KONG, CHINA

CODE OF CONDUCT FOR PLAYERS AND PLAYER SUPPORT PERSONNEL

INTRODUCTION

Cricket Hong Kong, China (hereafter referred to as **CHK**) is the sole national sports association responsible for the governance of the sport of cricket in Hong Kong and the Code of Conduct for *Players*, *Player Support Personnel* (the **Code of Conduct**), Member Clubs and Match Officials is adopted and implemented as part of *CHK's* ongoing efforts to maintain the public image, popularity and integrity of cricket by providing:

- a) an effective means to deter any participant from conducting themselves improperly on and off the 'field-of-play' or in a manner that is contrary to the 'spirit of cricket'; and
- b) a robust disciplinary procedure pursuant to which all matters of improper conduct can be dealt with fairly, with certainty and in an expeditious manner.

CHK, C has adopted a zero tolerance towards corruption and indiscipline in the game.

The Code of Conduct shall apply to all forms of cricket under the auspices of the CHK, C, hereafter referred to as a *CHK, C Domestic Match*, in respect of the following disciplinary matters:

1. Any allegation of corruption (as defined in Article 2 of the ICC Anti-Corruption Code for Players and Player Support Personnel or as provided in Appendix 1 of the ICC Code of Conduct for Umpires) in connection with any form or level of cricket under the authority of *CHK, C*;
2. Alleged breaches of the Code of Conduct (in Article 2) which occur on or off the field in connection with any of the following fixtures or competitions:
 - a) International fixtures, either official or unofficial, involving any Hong Kong team;
 - b) Any fixtures or competitions organised by *CHK, C*;
 - c) Any other fixture or competition in which it is agreed by the parties thereto that any disciplinary matters relating thereto shall be the responsibility of *CHK, C*,

except where the matter (be it an alleged breach of the Code of Conduct or of corruption) occurs under the authority of another body

whose authority *CHK, C* has acknowledged shall apply to such matters.

Matters relating to anti-doping or employment contracts are not governed by the Code of Conduct. Unless otherwise indicated, references to Articles and Appendices are to articles and appendices of the *Code of Conduct*.

Throughout the Code of Conduct:

- a) words importing the masculine gender include the feminine;
- b) unless the contrary intention appears, words in the singular include the plural and words in the plural include the singular.

Words in italicised text in the Code of Conduct are defined terms and their definitions are set out in Appendix 1.

ARTICLE 1 SCOPE AND APPLICATION

1.1 All *Players* and *Player Support Personnel* are automatically bound by and required to comply with all of the provisions of the *Code of Conduct*. Accordingly, by their participation (in the case of a *Player*) or assistance in a *Player's* participation (in the case of a *Player Support Personnel*) in a *CHK, C Domestic Match*, such *Players* or *Player Support Personnel* shall be deemed to have agreed:

1.1.1 that it is their personal responsibility to familiarize themselves with all of the requirements of the *Code of*

Conduct, including what conduct constitutes an offence under the *Code of Conduct*;

- 1.1.2 to submit to the exclusive jurisdiction of any *Match Rules and Disciplinary Committee, Judicial Commissioner or Appeal Panel* convened under the *Code of Conduct* to hear and determine charges brought (and any appeals in relation thereto) pursuant to the *Code of Conduct*; and
- 1.1.3 not to bring any proceedings in any court or other forum that are inconsistent with the foregoing submission to the jurisdiction of the *Match Rules and Disciplinary Committee, Judicial Commissioner or Appeal Panel*.
- 1.2 Without prejudice to Articles 1.1 and 1.2, *CHK, C* and the *CHK, C Member Clubs* shall be responsible for promoting *Code of Conduct* awareness and education amongst all *Players* and *Player Support Personnel*.
- 1.3 It is acknowledged that certain *Players* and *Player Support Personnel* may also be subject to other rules of their *CHK, C Member Club* that govern discipline and/or conduct, and that the same conduct of such *Players* and/or *Player Support Personnel* may implicate not only the *Code of Conduct* but also such other rules that may apply. For the avoidance of any doubt, *Players* and *Player Support Personnel* acknowledge and agree that: (a) the *Code of*

Conduct is not intended to limit the responsibilities of any *Player* or *Player Support Personnel* under such other rules; and (b) nothing in such other rules shall be capable of removing, superseding or amending in any way the jurisdiction of the *Match Rules and Disciplinary Committee*, *Judicial Commissioner* or *Appeal Panel* to determine matters properly arising pursuant to the *Code of Conduct*.

1.4 For the avoidance of any doubt:

1.4.1 where a representative side of a *CHK, C Member Club* participates in an *CHK, C Exhibition Match* against an invitational team from outside of Hong Kong, for the purposes of their participation in such *CHK, C Exhibition Match*:

1.4.1.1 all *Players* and *Player Support Personnel* representing the *CHK, C Member Club's* representative side are automatically bound by, required to comply with, and shall submit themselves to the jurisdiction of this *Code of Conduct*; and

1.4.1.2 all players or player support personnel representing the invitational team shall not be bound by this *Code of Conduct*. Instead, such individuals will be bound by, required to comply with, and shall submit themselves to the jurisdiction of the relevant cricket board's own applicable rules of conduct.

ARTICLE 2

CODE OF CONDUCT OFFENCES

The Preamble of CHK, C Playing Conditions, sets out the definition of the Spirit of Cricket, as follows:

“Preamble – The Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws (which are incorporated within these Playing Conditions), but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

Respect is central to the Spirit of Cricket.

Respect your captain, team-mates, opponents and the authority of the umpires.

Play hard and play fair.

Accept the umpire's decision.

Create a positive atmosphere by your own conduct, and encourage others to do likewise.

How self-discipline, even when things go against you.

Congratulate the opposition on their successes, and enjoy those of your own team.

Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.”

The conduct described in Articles 2.1 to 2.22 amounts to conduct which breaches the Spirit of Cricket and therefore, if committed by a *Player* or *Player Support Personnel*, shall amount to an offence by such *Player* or *Player Support Personnel* under the *Code of Conduct*.

COMMENT: *Where considered helpful, guidance notes have been provided in text boxes beneath the description of a particular offence. Such notes are intended only to provide guidance as to the nature and examples of certain conduct that might be prohibited by a particular Article and should not be read as an exhaustive or limiting list of conduct that may be prohibited by such Article.*

The Code of Conduct offences cover a variety of different behaviours and levels of seriousness. It is not intended to penalize trivial behaviour. For the purpose of determining the appropriate sanction for an offence, levels of charging have been assigned for each offence, ranging from Level 1 for conduct of a minor nature, up to Level 4 for conduct of an extremely serious nature. Where an offence is alleged to have been committed, the individual reporting the alleged offence must determine which of the assigned levels of offence is appropriate for the conduct in question. Reports can only be laid at the levels identified in respect of each particular offence below.

For the purposes of the Code of Conduct, the phrase “during an CHK, C Domestic Match” should be interpreted broadly to cover all conduct which takes place at the ground on the day of an CHK, C Domestic Match, and not just conduct which takes place on the field of play. It will therefore include conduct which takes place off the field of play, for example in the changing rooms, or during any of the intervals in the match.

For the avoidance of doubt, the CHK, C’s jurisdiction to take action against a Player or Player Support Personnel under this Code of Conduct is limited to incidents which take place (i) during, or in relation to, an CHK, C Domestic Match or (ii) during, or in relation to, an CHK, C Event. In circumstances where a Player or Player Support Personnel is involved in an off-field incident which may warrant action under this Code of Conduct and any code of conduct or disciplinary rules of the Player or Player Support Personnel’s Club, the CHK, C will consult with the relevant Club in order to determine what the most appropriate course of action against the Player or Player Support Personnel should be.

2.1	Excessive appealing during a CHK, C Domestic Match
<i>Note:</i>	<i>For the purpose of Article 2.1, 'excessive' may include (a) repeated appealing of the same decision; (b) repeated appealing of different decisions when the bowler/fielder knows the batter is not out with the intention of placing the Umpire under pressure; (c) charging or advancing towards the Umpire in an aggressive manner when appealing; or (d) celebrating a dismissal without appealing to the Umpire when a decision is required. - 3.1** Any one of the following individuals can report an alleged offence under the *Code of Conduct* (other than *Minimum*

Over Rate Offences - as to which see Appendix 2) by lodging a report in the manner described in Article 3.2, below (a **“Report”**):

- 3.2 an *Umpire* that officiated in *CHK, C Domestic Match* during which the alleged offence was committed.
- 3.3 the head representative (Captain of Cricket or equivalent) of either of the two *CHK, C Member Club* whose representative teams participated in *CHK, C Domestic Match* during, or in relation to which, the alleged offence was committed, or his/her designee (provided that the identity of such designee is advised to *CHK, C* by the *CHK, C Member Club* in advance of, or at least at the same time as, the *Report* is lodged);
 - 3.3.1 *CHK, C’s Domestic Cricket Manager*; or

------------	------------------------	--

Note: For the purposes of Articles 3.2.1 to 3.2.4 above, Reports should be lodged as soon as reasonably practicable. The time limits set out in the above tables constitute the latest time by which a Report can be lodged.

In all circumstances where a Report is to be lodged with the Match Rules and Disciplinary Committee if, for logistical reasons, it is impractical to lodge the Report with the Match Rules and Disciplinary Committee, it shall be lodged with the CHK, C's Domestic Cricket Department within the same deadline

Where it is alleged that a *Player* or *Player Support Personnel* has committed more than one offence under the *Code of Conduct* during, or in relation to a *CHK, C Domestic Match* or during, or in relation to a *CHK, C Event* (whether on the field of play or otherwise), whether arising out of the same set of facts or otherwise, then a separate Report should be filed in accordance with this Article 3 for each of the offences that are alleged to have been committed.

NOTE: For the avoidance of doubt, only one Report should be laid per offence. As such, where the incident in question could fall within more than one offence under Article 2, for example Article 2.7 (public criticism or inappropriate comment) and Article 2.21 (conduct that brings the game into disrepute) a Report should be laid

only in respect of the offence which most specifically covers the relevant conduct (in the example above, Article 2.7) and not both offences.

ARTICLE 4 NOTIFICATION PROCEDURE

Level 1 Offences, Level 2 Offences, Level 3 Offences:

- 4.1** Where a *Report* is to be filed against a *Player* or *Player Support Personnel*, the individual filing the *Report* must first make all efforts to notify the individual being reported about their intention to file said *Report* against them. This should include details on which Article and Level of Offence the individual is being reported for, where practical.
- 4.2** Where a *Match Rules and Disciplinary Committee* receives a *Report* lodged under Articles 3.2.1, 3.2.2 or 3.2.3, they must review the *Report* and determine whether the *Player* or *Player Support Personnel* named in the *Report* has a case to answer in relation to the offence identified in the *Report*. Where the *Match Rules and Disciplinary Committee* determines that there is a case to answer, they must promptly provide a copy of the *Report*, together with a completed Form “Not 1”, (such documents comprising the ‘**Notice of Charge**’), to the following individuals:

- 4.2.1** the *Player* or *Player Support Personnel* named in the *Report*, or, where appropriate in the case of an offence under either Article 2.10 (manipulating a CHK, C *Domestic Match*) or 2.13 (changing the condition of the ball), the relevant *Team Captain*; and
- 4.2.2** the Head Representative of the *CHK, C Member Club* to which the relevant *Player* or *Player Support Personnel* is affiliated.
- 4.3** The *Notice of Charge* shall specify that the *Player* or *Player Support Personnel* shall have the following three options:
- 4.3.1** he/she may admit the offence charged and accede to the proposed sanction specified in the *Notice of Charge* (which sanction shall be strictly at the *Match Rules and Disciplinary Committee's* discretion, but at all times within the appropriate range for the level of offence). In such circumstances, no further action shall be taken, save the notification of the decision as described in articles 5.1.4, 5.1.5 and 5.1.6.
- 4.3.2** he/she may admit the offence charged but dispute the proposed sanction specified in the *Notice of Charge*, providing an explanation or any evidence they deem appropriate, in which case the matter shall be further reviewed in accordance with Article 5.1; or

- 4.3.3** he/she may deny the offence charged, providing an explanation or any evidence they deem appropriate, in which case the matter shall be further reviewed in accordance with Article 5.1.
- 4.4** The *Player* or *Player Support Personnel* should respond to the *Notice of Charge* in writing within three (3) working days. If no response is received, the MRDC shall proceed with the *Disciplinary Procedure* described in Article 5.1 without it.

Level 4 Offences:

- 4.5** Where a *Report* is to be filed against a *Player* or *Player Support Personnel*, the individual filing the *Report* must first make all efforts to notify the individual being reported about their intention to file said *Report* against them. This should include details on which Article and Level of Offence the individual is being reported for, where practical.
- 4.6** Where CHK, C's *Match Rules and Disciplinary Committee* receives a *Report* lodged under Articles 3.2.1., 3.2.2., 3.2.3 or 3.2.4, they must promptly conduct a review to determine whether the *Player* or *Player Support Personnel* named in the *Report* has a case to answer in relation to the specific type and/or level of offence identified in the *Report* (i.e. to determine, in CHK, C's opinion, whether the specific type and level of offence noted in the *Report* is properly

identified when reviewed against the conduct complained of).

- 4.7** If the initial review of the *Report* reveals that there is no case to answer in relation to the specific type and/or level of offence, then CHK, C shall notify the person who filed the *Report* of that fact, advising them of the reasons that such a determination has been made and, where applicable, providing guidance on which specific type and level of offence CHK, C considers to be appropriate. Upon receipt of such a decision, the person who filed the *Report* shall, notwithstanding the provisions of Article 3.2 and having considered CHK, C's guidance in good faith, within a period of twenty-four (24) hours from the time of notification by CHK, C, notify CHK, C whether he/she wishes to: (a) revise the specific type and/or level of the offence charged, in which case a revised *Report* must be lodged with CHK, C within such twenty-four (24) period; (b) proceed on the basis of the original *Report* lodged; or (c) withdraw the *Report*.
- 4.8** If the initial review of the *Report* reveals that there is a case to answer, or a revised *Report* is lodged with CHK, C pursuant to Article 4.5, then CHK, C shall promptly provide a copy of the *Report*, together with a completed Form "Not 1" (such documents comprising the '**Notice of Charge**') to the following individuals:
- 4.8.1** the *Player* or *Player Support Personnel* named in the *Report*; and

- 4.8.2** the *Team Captain* of the relevant *Player* or *Player Support Personnel* named in the *Report*; and
- 4.8.3** the Head Representative of the *CHK, C Member Club* to which the relevant *Player* or *Player Support Personnel* is affiliated.
- 4.9** The *Notice of Charge* shall specify that the *Player* or *Player Support Personnel* shall have the following options:
- 4.9.1** he/she may admit the offence charged and accede to the proposed sanction specified in the *Notice of Charge* (which sanction shall be strictly at *CHK, C's* discretion, but at all times within the appropriate range for the level of offence). In such circumstances, the hearing before the *Judicial Commissioner* shall not be required and no further action shall be taken, save the notification of the decision as described in articles 5.1.4, 5.1.5 and 5.1.6.
- 4.9.2** he/she may admit the offence charged but dispute the proposed sanction specified in the *Notice of Charge*, in which case the matter shall proceed to a hearing in accordance with Article 5.2; or

4.9.3 he/she may deny the offence charged, in which case the matter shall proceed to a hearing in accordance with Article 5.2.

4.10 The *Player or Player Support Personnel* should respond to the *Notice of Charge* in writing within three (3) working days. If no response is received, the MRDC shall proceed with the Disciplinary Procedure without it.

ARTICLE 5 THE DISCIPLINARY PROCEDURE

Level 1 Offences, Level 2 Offences, Level 3 Offences:

5.1 Where a matter proceeds to the Disciplinary Procedure under Articles 4.3.2, 4.3.3 or 4.4, then:

5.1.1 Upon the receipt of the *Player or Player Support Personnel's* response to the *Notice of Charge* or, in the case where no response has been received, after the 3-day period has elapsed, the *Match Rules and Disciplinary Committee* shall decide whether to maintain their originally proposed sanction or to alter it.

5.1.2 The *Match Rules and Disciplinary Committee* can contact the person who filed the *Report*, the *Player or Player Support Personnel* reported, or any other individual involved with the incident for further information that they deem necessary to reach their decision.

- 5.1.3** For the purposes of confidentiality, the members of the *Match Rules and Disciplinary Committee* may not discuss the details of the case with anyone outside of the committee without first obtaining consent from all the other members of the committee.
- 5.1.4** Upon coming to a decision, a copy of the decision shall be provided to the *Player or Player Support Personnel*, the relevant *Team Captain*, the Head Representative of the *CHK, C Member Club* to which the relevant *Player or Player Support Personnel* is affiliated, and the individual(s) who filed the report.
- 5.1.5** The decision shall be updated on the website, along with the date of the offence, the offence nature and level, and the *Player or Player Support Personnel* involved.
- 5.1.6** Subject only to the right of appeal under Article 8, the *Match Rules and Disciplinary Committee's* decision shall be the full, final and complete disposition of the matter and will be binding on all parties.

Level 4 Offences:

- 5.2** Where a matter proceeds to a hearing under Article 4.9.2 or 4.9.3, then the case shall be referred to a *Judicial*

Commissioner for adjudication in accordance with the following procedure:

5.2.1 As soon as reasonably possible, the *CHK, C Match Rules and Disciplinary Committee* Chairperson shall appoint one member from *CHK, C's Code of Conduct Commission* to sit as the *Judicial Commissioner* to hear the case sitting alone. The appointed member shall be independent of the parties, have had no prior involvement with the case and shall not, unless otherwise agreed between the parties, be from one of the *CHK, C Member Clubs* participating in the *CHK, C Domestic Match*, during, or in relation to which, the alleged offence was committed.

5.2.2 The *Judicial Commissioner* shall convene a preliminary hearing with the individual lodging the *Report* pursuant to Article 3.1 (the **Complainant**) and his/her legal representatives (if any), together with the *Player* or *Player Support Personnel* and his/her legal representatives (if any). The preliminary hearing should take place as soon as possible by telephone conference call unless the *Judicial Commissioner* determines otherwise. The non-participation, without compelling justification, of the *Player* or *Player Support Personnel* or his/her representative at the preliminary hearing, after proper notice of the preliminary hearing has been provided, shall not prevent the *Judicial Commissioner* from proceeding with the preliminary hearing, whether or not any written submissions are made on behalf of the *Player* or *Player Support Personnel*. Where the initial *Report* was lodged by someone other than the

individual described in Article 3.1.3, CHK, C will be notified and invited to participate in any such preliminary hearing convened by the *Judicial Commissioner* through its representative.

5.2.3 The purpose of the preliminary hearing shall be to allow the *Judicial Commissioner* to address any preliminary issues that need to be resolved prior to the hearing date. In particular (but without limitation), the *Judicial Commissioner* shall:

5.2.3.1 determine the date(s) upon which the full hearing shall be held. Save in exceptional circumstances or where the parties otherwise agree, the full hearing should take place no longer than fourteen (14) days after the receipt by the *Player* or *Player Support Personnel* of the *Notice of Charge*.

5.2.3.2 establish dates reasonably in advance of the date of the full hearing by which:

(a) the *Complainant* shall submit an opening brief with argument on all issues that the *Complainant* wishes to raise at the hearing and a list of the witnesses that the *Complainant* intends to call at the hearing (and a summary of the subject areas of the witness's anticipated testimony), and enclosing copies of the exhibits that the *Complainant* intends to introduce at the hearing;

- (b) the *Player* or *Player Support Personnel* shall submit an answering brief, addressing the *Complainant's* arguments and setting out argument on the issues that he/she wishes to raise at the hearing, as well as a list of the witnesses that he/she intends to call at the hearing (and a summary of the subject areas of the witness's anticipated testimony), and enclosing copies of the exhibits that he/she intends to introduce at the hearing; and
- (c) the *Complainant* may (at its discretion) submit a reply brief, responding to the answer brief of the *Player* or *Player Support Personnel* and listing any rebuttal witnesses that the *Complainant* intends to call at the hearing (and a summary of the subject areas of the witness's anticipated testimony), and enclosing copies of any other exhibits that the *Complainant* intends to introduce at the hearing; and

5.2.3.3 make such order as the *Judicial Commissioner* shall deem appropriate in relation to the production of relevant documents and/or other materials between the parties.

5.2.4 Subject to the discretion of the *Judicial Commissioner* to order otherwise for good cause shown by either party, or if otherwise agreed between the parties, hearings before the *Judicial Commissioner* shall take place in the country in which the alleged offence was committed.

- 5.2.5** The procedure followed at the hearing shall be at the discretion of the *Judicial Commissioner*, provided that the hearing is conducted in a manner which offers the *Player* or *Player Support Personnel* a fair and reasonable opportunity to present evidence (including the right to call and to question witnesses by telephone or video-conference where necessary), address the *Judicial Commissioner* and present his/her case.
- 5.2.6** The hearing before the *Judicial Commissioner* shall be in English, and certified English translations shall be submitted of any non-English documents put before the *Judicial Commissioner*. The cost of the translation shall be borne by the party offering the document(s). If required by the *Judicial Commissioner* (at his/her discretion), CHK, C shall make arrangements to have the hearing recorded or transcribed.
- 5.2.7** Where video evidence of the alleged offence is available at the hearing before the *Judicial Commissioner*, then it may be relied upon by any party, provided that all other parties shall have the right to make such representations in relation to it that they may see fit.
- 5.2.8** Unless exceptional circumstances apply, each of the following individuals must attend any hearing before the *Judicial Commissioner*: (a) the *Player* or *Player Support Personnel* who has been charged with the alleged offence; and (b) the *Complainant*. Where any such individual has a compelling justification for his/her non-attendance, then

they shall be given the opportunity to participate in the hearing before the *Judicial Commissioner* by telephone or video conference (if available). In addition, a representative of CHK, C's legal department shall be entitled to attend any such hearing. Without prejudice to the *Player* or *Player Support Personnel's* ability to call and to question such witnesses as may be necessary and/or to be represented by such other person of his/her own choosing pursuant to Article 5.2.9, one of the *Team Captain*, *Team Vice-Captain* or *Team Manager* of the team that the *Player* or *Player Support Personnel* represents may also attend such hearing to provide additional support and assistance to the *Player* or *Player Support Personnel*.

- 5.2.9** Each of the individuals described in Article 5.2.8(a) and (b) shall have the right (at his/her or its own expense) to be represented at the hearing before the *Judicial Commissioner* by such representative (including legal counsel) of his/her or its own choosing.
- 5.2.10** The non-attendance of the *Player* or *Player Support Personnel* or his/her representative at the hearing, after proper notice of the hearing has been provided, shall not prevent the *Judicial Commissioner* from proceeding with the hearing in his/her absence, whether or not any written submissions are made on his/her behalf.
- 5.2.11** At the end of a hearing, where the *Judicial Commissioner* considers that further evidence is necessary or further time is required to consider the evidence that has been

presented, he/she shall adjourn the hearing for an appropriate period of time and make such directions as may be necessary.

5.2.12 Alternatively, at the end of a hearing:

5.2.12.1 brought under Article 4.9.2:

- (a) as soon as possible after the conclusion of the hearing (and, in any event, no later than forty-eight (48) hours thereafter), the *Judicial Commissioner* will confirm the *Player* or *Player Support Personnel's* admission that he/she had committed a *Code of Conduct* offence and announce the substance of his/her decision. Within seven (7) days after conclusion of the hearing, the *Judicial Commissioner* shall announce his/her written decision, with reasons, setting out: (a) what sanctions, if any, are to be imposed (including any fine and/or period of suspension); (b) the date that any period of suspension shall come into force and effect; and (c) any rights of appeal that may exist pursuant to Article 8.

5.2.12.2 brought under Article 4.9.3 (or where the *Player* or *Player Support Personnel* has failed to respond in a timely fashion to the *Notice of Charge*):

- (a) the *Judicial Commissioner* shall adjourn the hearing (for a period of no less than ten (10) minutes and no more than twenty-four (24) hours), following which he/she will reconvene

the hearing and verbally announce his/her finding as to whether a *Code of Conduct* offence has been committed;

- (b) where the *Judicial Commissioner* determines that a *Code of Conduct* offence has been committed, the *Player* or *Player Support Personnel* may request a short adjournment (of no more than thirty (30) minutes) to prepare any submissions that he/she might wish to make in relation to the appropriate sanction that ought to be applied; and
- (c) as soon as possible after the conclusion of the hearing (and, in any event, no later than forty-eight (48) hours thereafter), the *Judicial Commissioner* will announce the substance of his/her decision. Within seven (7) days after conclusion of the hearing, the *Judicial Commissioner* shall announce his/her written decision, with reasons, setting out: (a) the finding as to whether a *Code of Conduct* offence had been committed; (b) what sanctions, if any, are to be imposed (including any fine and/or period of suspension); (c) the date that any period of suspension shall come into force and effect; and (d) any rights of appeal that may exist pursuant to Article 8.

5.2.13 A copy of the written reasoned decision will be provided to the *Player* or *Player Support Personnel*, the Head Representative of the *Player* or *Player Support Personnel's* *CHK*, *C Member Club*, the *Complainant* and *CHK*, *C's Domestic Cricket Manager*.

- 5.2.14** Subject only to the rights of appeal under Article 8, the *Judicial Commissioner's* decision shall be the full, final and complete disposition of the matter and will be binding
- 5.2.15** on all parties.

General Principles of Procedure

- 5.3** Where a *Report* is filed by more than one of the individuals described in Article 3.1 in relation to the same alleged offence under the *Code of Conduct*, then the *Player* or *Player Support Personnel* alleged to have committed the offence will only be served with one *Notice of Charge* in accordance with the procedures set out in Article 4. However, in the case of a Level 4 offence, all persons who filed a *Report* in relation to the alleged offence are required to attend the hearing before the *Match Rules and Disciplinary Committee* or *Judicial Commissioner* unless there is a compelling justification for his/her non-attendance, in which case they shall be given the opportunity to participate in the hearing by telephone or video conference (if available).
- 5.4** Where two or more *Players* or *Player Support Personnel* are alleged to have committed Level 4 offences under the *Code of Conduct*, they may both be dealt with at the same hearing where the proceedings arise out of the same

incident or set of facts, or where there is a clear link between separate incidents.

- 5.5** Where a *Player* or *Player Support Personnel* is alleged to have committed more than one breach of the *Code of Conduct* during, or in relation to the same *CHK, C Domestic Match*, then all of the alleged offences may be dealt with at the same time, as follows:
- 5.5.1** any number of *Level 1 Offences* and/or *Level 2 Offences* and/or *Level 3 Offences* can all be determined by a *Match Rules and Disciplinary Committee* at once
- 5.5.2** any number of *Level 4 Offences* can all be determined by a *Judicial Commissioner* at the same hearing; and
- 5.5.3** a *Level 1 Offence* and/or *Level 2 Offence* and/or *Level 3 Offence* can be determined by a *Judicial Commissioner* at the same hearing as a *Level 4 Offence*; but
- 5.5.4** a *Level 4 Offence* cannot be determined by a *Match Rules and Disciplinary Committee* at the same time as a *Level 1 Offence* or a *Level 2 Offence* or a *Level 3 Offence*, and separate proceedings should therefore be issued in relation to each alleged offence.
- 5.6** Any failure or refusal by any *Player* or *Player Support Personnel* to provide assistance to a *Match Rules and*

Disciplinary Committee or Judicial Commissioner in connection with any charge made pursuant to this *Code of Conduct* may constitute a separate offence (depending upon the seriousness and context of such failure or refusal) under Article 2.19 of the *Code of Conduct*.

5.7 Where a *Judicial Commissioner* is, or becomes unwilling or unable to hear a case (for example, where he/she finds him/herself in a position of conflict), then CHK, C's *Match Rules and Disciplinary Committee Chairperson* shall have the discretion to appoint another member of CHK, C's *Code of Conduct Commission* (who shall have had no prior involvement with the case and shall not, unless otherwise agreed between the CHK, C *Member Clubs*, be from a country participating in CHK, C *Domestic Match* during, or in relation to which, the alleged offence was committed) as a replacement to the *Judicial Commissioner* and all of the remaining procedure will apply accordingly.

5.8 CHK, C will update their website regarding any decision of the *Match Rules and Disciplinary Committee or Judicial Commissioner* made under the *Code of Conduct*, as soon as is reasonably practicable after the decision has been communicated to the parties. The details on the website may include details of the offences committed under the *Code of Conduct* and of the sanctions imposed, if any. Until such time as these details are published, all parties and participants in the proceedings shall treat such proceedings as strictly confidential. For the avoidance of doubt, nothing in this Article shall prevent any party (or any relevant *CHK*,

C Member Club) publicly confirming the date of the hearing, the offence that is alleged to have been committed and/or the name of the *Player* or *Player Support Personnel* charged.

ARTICLE 6 STANDARD OF PROOF AND EVIDENCE

- 6.1** Unless otherwise described herein, the standard of proof in all cases brought under the *Code of Conduct* shall be whether the *Match Rules and Disciplinary Committee* or *Judicial Commissioner* is comfortably satisfied, bearing in mind the seriousness of the allegation that is made, that the alleged offence has been committed. This standard of proof in all cases shall be determined on a sliding scale from, at a minimum, a mere balance of probability (for the least serious offences) up to proof beyond a reasonable doubt (for the most serious offences).
- 6.2** The *Match Rules and Disciplinary Committee* or *Judicial Commissioner* shall not be bound by judicial rules governing the admissibility of evidence. Instead, facts relating to an offence committed under the *Code of Conduct* may be established by any reliable means, including admissions.
- 6.3** The *Match Rules and Disciplinary Committee* or *Judicial Commissioner* may draw an inference adverse to the *Player* or *Player Support Personnel* who is asserted to have committed an offence under the *Code of Conduct* based on his/her refusal, without compelling justification, after a

request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person or telephonically as directed by the *Match Rules and Disciplinary Committee* or *Judicial Commissioner*) and/or to answer any relevant questions.

ARTICLE 7 SANCTIONS ON PLAYERS AND PLAYER SUPPORT PERSONNEL

COMMENT: *The aim of the sanctioning regime under this Code of Conduct is to (a) sanction those Players and Player Support Personnel found to have committed an offence under the Code of Conduct, and (b) to act as a deterrent to other Players and Player Support Personnel to deter them from conducting themselves improperly on and off the “field of play”. The CHK, C believes that the threat of a suspension is the strongest deterrent to bring about a change in behavior, hence the system of accumulated Demerit Points which is included in the Code of Conduct.*

- 7.1** Where a *Match Rules and Disciplinary Committee* or *Judicial Commissioner* determines that an offence under the *Code of Conduct* has been committed, he/she will be required to impose an appropriate sanction on the *Player* or *Player Support Personnel*.

7.2 In determining the appropriate sanction, the *Match Rules and Disciplinary Committee* or *Judicial Commissioner* shall take into account any factors that they deem relevant and appropriate to the mitigation or aggravation of the nature of the *Code of Conduct* offence before determining, in accordance with the table set out in Article 7.3 below, what the appropriate sanction(s) should be.

7.3 In addition to sanctions imposed by a *Match Rules and Disciplinary Committee* or *Judicial Commissioner* under Article 7.2 above, *Demerit Points* will be imposed upon a *Player* or *Player Support Personnel* found to have committed an offence under the *Code of Conduct*. The number of *Demerit Points* imposed will be calculated by reference to the sanction imposed for the particular offences, as set out in the following table.

LEVEL OF OFFENCE	CORRESPONDING <i>DEMERIT POINTS</i>
Level 1	1 to 2 points
Level 2	3 to 4 points

Level 3	5 to 6 points
Level 4	7 to 8 points

Demerit Points will remain on a *Player* or *Player Support Personnel's* disciplinary record for a period of thirty-six (36) months from their imposition following which they shall be immediately expunged.

7.4 Each time a *Player* or *Player Support Personnel* is found to have committed an offence under the *Code of Conduct* and a sanction is imposed by a *Match Rules and Disciplinary Committee* or *Judicial Commissioner*, corresponding *Demerit Points* as per the table in Article 7.3 above shall be added to the *Player* or *Player Support Personnel's* record and accumulated with any existing *Demerit Points* imposed on the *Player* or *Player Support Personnel* within the previous thirty-six (36) months. CHK, C's Domestic Cricket Department will keep an accurate and up-to-date record of all *Demerit Points* imposed upon *Players* and *Player Support Personnel* and will carry out the process of accumulating *Demerit Points* each time a *Player* or *Player Support Personnel* is found to have committed an offence and sanctioned.

7.5 Where a *Player* or *Player Support Personnel* accumulates a total of four or more *Demerit Points* as set out in the table

below, these *Demerit Points* shall be converted into Suspensions as follows:

Accumulated <i>Demerit Points</i>	Corresponding <i>Suspension Length</i>
4-7	2 matches
8-11	4 matches
12-15	6 matches
16 and above	8 matches

- 7.6** Notice of the amount of *Demerit Points* imposed and the accumulated total, together with any resulting Suspensions, will be communicated by CHK, C's *Domestic Cricket* Department, as soon as is reasonably practicable, to the *Player* or *Player Support Personnel* at the same time as notice is provided to the Head Representative of the *Player* or *Player Support Personnel's CHK, C Member Club* of the commission of the offence and resulting sanction. Any resulting *Suspensions* imposed on the basis of accumulated *Demerit Points* shall be applied in accordance with the principles set down in Article 7.7 below and shall take

effect immediately upon notice of the same to the *Player* or *Player Support Personnel*.

EXAMPLE OF THE APPLICATION OF DEMERIT

POINTS:

1. *A Player commits a Level 1 offence and receives two (2) Demerit Points in respect of that offence on his/her disciplinary record.*
2. *The same Player then commits a Level 2 offence three (3) months after the Level 1 offence was committed and is sanctioned with four (4) Demerit Points by the Match Rules and Disciplinary Committee.*
3. *As the second offence took place within three (3) months of the first offence, the Demerit Points imposed in respect of the second offence are added to the Demerit Points imposed in respect of the first offence, meaning that the Player now has an accumulated total of six (6) Demerit Points.*
4. *Six (6) Demerit Points equate to a suspension equivalent to two matches*
5. *After completing his/her suspension, the Demerit Points remain on the Player's disciplinary record for a period of thirty-six (36) months.*
6. *Three (3) months later, the Player commits another Level 2 offence and sanctioned a further three (3) Demerit Points. These*

will then be added to the Player's disciplinary record in respect of that offence, taking his/her accumulated total within thirty-six (36) months to nine (9) Demerit Points.

7. *Nine (9) Demerit Points equate to a suspension equivalent to four (4) matches. Such suspension will be served by the Player immediately upon notice of the same in accordance with Article 7.7.*

8. *After completing his/her suspension, the Demerit Points remain on the Player's disciplinary record for a period of thirty-six (36) months.*

7.7 Where *Suspensions* are imposed against a *Player* or *Player Support Personnel*, then such *Suspensions* will be applied in accordance with the following principles:

7.7.1 the *Match Rules and Disciplinary Committee, Judicial Commissioner* or *CHK, C* (as applicable) shall have regard to the *Player's* or *Player Support Personnel's* participation in the various formats of *CHK, C Domestic Matches* over the previous two years in order to determine (to the best of their ability) which of the forthcoming *CHK, C Domestic Matches* the *Player* is most likely to participate in or the *Player Support Personnel* is most likely to assist the participation of a *Player* in;

7.7.2 where necessary, the *Match Rules and Disciplinary Committee* or *Judicial Commissioner* shall be entitled to

consult with CHK, C in order to make a determination as to which of the forthcoming *CHK, C Domestic Matches* the *Player* is most likely to participate in or the *Player Support Personnel* is most likely to assist the participation of a *Player* in;

7.7.3 in so far as is reasonably possible, the *Match Rules and Disciplinary Committee, Judicial Commissioner* or CHK, C (as applicable) shall apply the *Suspension* to the subsequent *CHK, C Domestic Matches* in which the *Player* is most likely to participate in or the *Player Support Personnel* is most likely to assist the participation of a *Player* in, on a chronological basis immediately following the announcement of the decision;

7.7.4 where a *Player* or *Player Support Personnel* has his/her *Suspension Points* applied to a *CHK, C Domestic Match* that is subsequently cancelled, postponed or otherwise abandoned prior to the actual day on which it is scheduled to take place, then such *Suspension Points* must be reallocated to the next subsequent *CHK, C Domestic Matches* in which the *Player* is most likely to participate in or the *Player Support Personnel* is most likely to assist the participation of a *Player* in. Where a *CHK, C Domestic Match* is cancelled, postponed or otherwise abandoned at any time on the actual day on which it is scheduled to take place, then the *Suspension Points* will remain allocated to that *CHK, C Domestic Match*, irrespective of such cancellation, postponement or abandonment.

- 7.8** For the avoidance of any doubt:
- 7.8.1** the *Match Rules and Disciplinary Committee* or *Judicial Commissioner* will have no jurisdiction to adjust, reverse or amend the results of any *CHK, C Domestic Match*;
- 7.8.2** where a *Player* or *Player Support Personnel* is found guilty of committing two separate *Code of Conduct* offences that do not relate to the same incident or set of circumstances arising during a *CHK, C Domestic Match* and sanctioned separately for each offence, then any sanctions should run cumulatively (and not concurrently);
- 7.8.3** where a *Player* or *Player Support Personnel* is found guilty of committing two *Code of Conduct* offences in relation to the same incident or set of circumstances arising during a *CHK, C Domestic Match* and sanctioned separately, then any sanctions imposed should run concurrently (and not cumulatively);
- 7.8.4** nothing in this *Code of Conduct* shall permit plea bargaining in relation to any alleged offence committed under this *Code of Conduct*;
- 7.8.5** where the *Match Rules and Disciplinary Committee* or *Judicial Commissioner* finds a *Player* or *Player Support Personnel* not guilty of the offence allegedly committed under the *Code of Conduct*, then it remains open to them, at their discretion, to find the *Player* or *Player Support Personnel* guilty of an offence of a lower level than that

with which he/she has been charged. For example where a *Player* or *Player Support Personnel* has been charged with (but been found not guilty of) 'showing dissent at an *Umpire's* decision' (Article 2.8) at Level 2, the *Match Rules and Disciplinary Committee* may, instead, find the *Player* or *Player Support Personnel* guilty of the same offence at Level 1 and impose an appropriate sanction; and

- 7.9** Where a *Player* or *Player Support Personnel* has had *Suspensions* imposed against him/her or has been suspended for a fixed period of time, he/she may not play, coach or otherwise participate or be involved in any capacity in CHK, C *Domestic Match(es)* which: (a) are covered by the application of his/her *Suspensions* as determined in accordance with Article 7.7; or (b) take place during the fixed period of his/her suspension.

NOTE: For the avoidance of any doubt, a *Player* or (where relevant) *Player Support Personnel* who has been suspended for a fixed period of time shall not, during the CHK, C *Domestic Matches* which are covered by his/her *Suspension Points* or the period of suspension:

a) be nominated as, or carry out any of the duties or responsibilities of, a substitute fielder; or

b) enter any part of the playing area (which shall include, for the avoidance of doubt, the field of play and the area between the boundary and perimeter boards) at any time, including during any scheduled or unscheduled breaks in play.

In addition, Player Support Personnel so sanctioned shall not be permitted to enter the players' dressing room (including the viewing areas) during any CHK, C Domestic Match covered by his/her period of suspension. Players so sanctioned will, however, be permitted to enter the players' dressing room provided that the players' dressing room (or any part thereof) for the relevant CHK, C Domestic Match is not within the player area described in (b) above (for example, no such Player shall be permitted access to an on-field 'dug-out').

Finally, any Player or Player Support Personnel so sanctioned shall not be prevented from attending any post-match ceremonies or presentations taking place anywhere on the field of play or otherwise following the conclusion of an CHK, C Domestic Match covered by his/her period of suspension unless the suspension have been imposed in respect of a Level 3 or Level 4 Offence under this Code of Conduct. In such circumstances, the Player or Player Support Personnel shall not be permitted to attend such ceremonies or presentations.

7.10 Once any period of suspension has expired, the *Player* or *Player Support Personnel* will automatically become re-eligible to participate (in the case of a *Player*) or assist the participation (in the case of a *Player Support Personnel*) in CHK, C Domestic Matches.

NOTE: *For the avoidance of doubt, the right of appeal will be determined by reference to the level of offence which the decision of the Match Rules and Disciplinary Committee or Judicial*

Commissioner (as applicable) relates to, and not necessarily the Level of offence originally reported.

By way of example, a Judicial Commissioner may have been asked to determine a Level 4 Offence, but in coming to his/her decision, he/she has exercised the right afforded to him/her in Article 7.8.5 and found the Player or Player Support Personnel concerned not guilty of the Level 4 Offence, but guilty of a Level 3 Offence. In such circumstances, the right of appeal shall be determined on the basis of the Level 3 Offence and thus in accordance with Article 8.2.

In circumstances where the application of this note would lead to the same level of adjudicator hearing the appeal as heard the first instance case, then the relevant adjudicatory body shall be the higher body. By way of example, in the example listed above, an Appeal Panel would have the jurisdiction to hear the appeal against the Level 3 Offence even though technically under the Code of Conduct a Judicial Commissioner would hear the appeal, as the first instance hearing was held before a Judicial Commissioner. The terms of this Article 8 should therefore be construed accordingly.

ARTICLE 8

APPEALS

8.1 Appeals from decisions in relation to a *Level 1 Offence*

8.1.1 Decisions made under the *Code of Conduct* by a *Match Rules and Disciplinary Committee* in relation to a *Level 1*

Offence shall be non-appealable and shall remain the full and final decision in relation to the matter.

8.2 Appeals from decisions in relation to: (a) a *Level 2* or *Level 3 Offence*;

8.2.1 Decisions made under the *Code of Conduct* by a *Match Rules and Disciplinary Committee* in relation to: (a) a *Level 2* or *Level 3 Offence* shall be non-appealable and shall remain the full and final decision in relation to the matter.

8.2.2 The only parties who may appeal a decision, in the case of an offence under either Article 2.10 (manipulation of a CHK, *C Domestic Match*), 2.13 (changing the condition of the ball), (a) the Player or Player Support Personnel found guilty of the offence (if applicable) or the relevant *Team Captain*; (b) the person who lodged the *Report* pursuant to Article 3,1; and (c) CHK, *C's Domestic Cricket Manager*

8.2.3 Any notice to appeal under this Article must be lodged with CHK, *C's Match Rules and Disciplinary Committee Chairperson* within 48 hours of receipt of the written decision of the *Match Rules and Disciplinary Committee*. In all cases, a copy of such notice will also be provided to the Head Representative of the *CHK, C Member Club* and the person who lodged the *Report* pursuant to Article 3.1. Thereafter, the following will apply:

8.2.3.1 Within 48 hours of receipt of a notice to appeal: (a) CHK, C's *Match Rules and Disciplinary Committee Chairperson* will appoint a member of CHK, C's *Code of Conduct Commission* who is (unless otherwise agreed between the parties) from a CHK, C Member Club other than those participating in CHK, C *Domestic Match* during, or in relation to which, the alleged offence was committed, to act as *Judicial Commissioner* and hear the appeal sitting alone; and

(b) the *Match Rules and Disciplinary Committee* will provide a written statement to CHK, C's *Match Rules and Disciplinary Committee Chairperson* setting out any relevant facts (to be copied to the CHK, C Member Club who committed the alleged offence).

8.2.3.2 The *provisions* of Articles 5.1.1 to 5.1.6, applicable to proceedings before the *Match Rules and Disciplinary Committee*, shall apply *mutatis mutandis* (ie with changes deemed to have been made as required to reflect the different context) to appeal hearings before the *Judicial Commissioner*.

8.2.3.3 The *Judicial Commissioner* shall hear and determine all issues arising from any matter which is appealed pursuant to this Article on a *de novo* basis, ie he/she shall hear the matter over again, from the beginning, without being bound in any way by the decision being appealed. For the avoidance of doubt, the *Judicial Commissioner* shall have the power to increase or decrease, amend or otherwise substitute a new decision on the appropriateness (or otherwise) of the sanction imposed at first instance, provided that any new sanction must be

within the permitted range of sanctions set out in the table in Article 7.3 (or, where applicable, Article 4 of Appendix 2).

8.2.3.4 Appeal hearings pursuant to this Article 8.2 should be completed expeditiously. Save where all parties agree or fairness requires otherwise, the appeal hearing shall be commenced no later than seven (7) days after the appointment of the member of the *Judicial Commissioner*. It shall be open to the *Judicial Commissioner*, in his/her discretion, to determine that the matter (or any part thereof) be dealt with by way of written submissions only.

8.2.3.5 Any decision made by the *Judicial Commissioner* under this Article 8.2, shall be the full, final and complete disposition of the matter and will be binding on all parties.

8.3 Appeals from decisions in relation to a *Level 4 Offence*

8.3.1 Decisions made under the *Code of Conduct* by a *Judicial Commissioner* in relation to a *Level 4 Offence* may be challenged solely by appeal as set out in this Article 8.3. Such decision shall remain in effect while under appeal unless any properly convened *Appeal Panel* orders otherwise.

8.3.2 The only parties who may appeal a decision made in relation to a *Level 4 Offence* shall be:

- (a) the *Player* or *Player Support Personnel* found guilty of the offence;
- (b) the person who lodged the *Report* pursuant to Article 3.1; and (b) *CHK, C's Domestic Cricket Manager*.

8.3.3 Any notice to appeal under this Article must be lodged with *CHK, C's Match Rules and Disciplinary Committee Chairperson* within seven (7) days of receipt of the written decision of the *Judicial Commissioner*. In all cases, a copy of such notice will also be provided to the CEO of the *CHK, C Member Club* to which the *Player* or *Player Support Personnel* is affiliated. Thereafter, the following will apply:

8.3.3.1 Upon filing a *Notice of Appeal* pursuant to this Article 8.3, the party appealing the decision shall pay to *CHK, C* an appeal fee of HKD \$5,000 (the “**Appeal Fee**”). In circumstances where the appeal is successful (i.e. where either the sanction originally imposed is reduced, and/or the decision on guilt is overturned), the *Appeal Fee* shall be refunded to the appealing party.

8.3.3.2 Within seventy-two (72) hours of receipt of a notice to appeal: (a) *CHK, C's Match Rules and Disciplinary Committee Chairperson* will appoint three members of *CHK, C's Code of Conduct Commission* each of whom are (unless otherwise agreed between the parties) from a club other than those participating in the relevant *CHK, C Domestic Match* to sit as the *Appeal Panel* to hear the

appeal; and (b) the *Judicial Commissioner* will provide a written statement to CHK, C's CHK, C Match Rules and Disciplinary Committee Chairperson setting out any relevant facts (to be copied to the *Player* or *Player Support Personnel*).

8.3.3.3 The provisions of Articles 5.2.2 to 5.2.14, applicable to proceedings before the *Judicial Commissioner*, shall apply *mutatis mutandis* (ie with changes deemed to have been made as required to reflect the different context) to appeal hearings before the *Appeal Panel*.

8.3.3.4 Where required in order to do justice (for example to cure procedural errors at the first instance hearing), the appeal shall take the form of a re-hearing *de novo* of the issues raised by the case. In all other cases, the appeal shall not take the form of a *de novo* hearing but instead shall be limited to a consideration of whether the decision being appealed was erroneous.

8.3.3.5 Appeal hearings pursuant to this Article 8.3 should be completed expeditiously. Save where all parties agree or fairness requires otherwise, the appeal hearing shall be commenced no later than thirty (30) days after the appointment of the *Appeal Panel*. It shall be open to the *Appeal Panel*, in its discretion, to determine that the matter (or any part thereof) be dealt with by way of written submissions only.

8.3.3.6 Any decision made by the *Appeal Panel* under this Article 8.3, shall be the full, final and complete disposition of the matter and will be binding on all parties.

8.4 No appeal in relation to an accepted sanction

8.4.1 For the avoidance of doubt, where a *Player* or *Player Support Personnel* admits the offence charged and accedes to the proposed sanction specified in the *Notice of Charge* in accordance with the procedure described in Articles 4.23.1 or 4.7.1, the *Player* or *Player Support Personnel* waives his/her right to any appeal against the imposition of such a sanction.

ARTICLE 9 RECOGNITION OF DECISIONS

9.1 Any hearing results or other final adjudications under the *Code of Conduct* shall be recognized and respected by CHK, C and its *CHK, C Member Club* automatically upon receipt of notice of the same, without the need for any further formality. Each of CHK, C and its *CHK, C Member Club* shall take all steps legally available to it to enforce and give effect to such decisions.

9.2 It shall be a condition of membership of CHK, C that all *CHK, C Member Club* shall comply with the *Code of Conduct*.

ARTICLE 10 AMENDMENT AND INTERPRETATION OF THE CODE OF CONDUCT

- 11.1** The *Code of Conduct* may be amended from time to time by the Board of Directors of CHK, C, with such amendments coming into effect on the date specified by CHK, C.
- 11.2** The headings used for the various Articles of the *Code of Conduct* are for the purpose of guidance only and shall not be deemed to be part of the substance of the *Code of Conduct* or to inform or affect in any way the language of the provisions to which they refer.
- 11.3** The *Code of Conduct* shall come into full force and effect on 1st September 2025 (the “**Effective Date**”). It shall not apply retrospectively to matters pending before the *Effective Date*; provided, however, that any case pending prior to the *Effective Date*, or brought after the *Effective Date* but based on an offence that is alleged to have occurred before the *Effective Date*, shall be governed by the predecessor version of the *Code of Conduct* in force at the time of the alleged offence, subject to any application of the principle of *lex mitior* by the hearing panel determining the case.
- 11.4** If any Article or provision of this *Code of Conduct* is held invalid, unenforceable or illegal for any reason, the *Code of Conduct* shall remain otherwise in full force apart from such Article or provision which shall be deemed deleted insofar as it is invalid, unenforceable or illegal.

- 11.5** The *Code of Conduct* is governed by and shall be construed in accordance with English law. Strictly without prejudice to the arbitration provisions of Articles 5 and 8 of the *Code of Conduct*, disputes relating to the *Code of Conduct* shall be subject to the exclusive jurisdiction of the English courts.

COB Appendix 2: Minimum Over Rate Offences

The need to maintain the over rate is important for the conduct of the game given constraints on ground bookings in Hong Kong.

Should a team have a slow over rate as assessed under Rule 17 of the CHK, C Playing Conditions the batting team will be awarded a 5 run penalty per slow over unless otherwise specified and the captain will be given a first and final warning.

A second or further instance of a slow over rate in a season by the same team will result in a one match suspension of the captain. The following procedures shall apply:

- a) The suspension of the captain is to be automatic, subject to review where special circumstances may have arisen. Failure of umpires to advise on the over rate, allow for good cause, signal

completion of the scheduled time or to manage time wasting by the batting side shall not be sufficient separately or as a whole to waive this penalty.

- b) If a captain plays any part in a CHK, C domestic league game while suspended, the team in question shall forfeit the game.

CoB Appendix 3: Suspensions

If the Code of Conduct Panel invokes a suspension of a player or official, it is to be applied as follows:

1. A playing suspension relates to a number of games his team plays in the level of competition wherein the offence was committed and any CHK, C cricket at a 'lower level'. In other words, a player reported during a Sunday Elite game and suspended for three matches will be unable to participate in any form of CHK, C cricket until his team has played three consecutive Sunday games, but may play in the Premier League.
2. CHK, C will notify the suspended player, team captain and club representative of the games to be missed and the date when the player may recommence playing. Details will be posted on the CHK, C website. It the responsibility of the suspended player, the team captain and the club to conform with the suspension and failure to comply by any of these shall be deemed as non-compliance. All suspensions come into force at 6am on the day following the [Code of Conduct Panel] ruling. A player who plays whilst suspended commits an offence and the original penalty imposed will be doubled and the team playing

the illegal player will forfeit the match with all points awarded to the opposition.

- b) Have a clearly understood remedial management process to benefit the competitions, the national squads, all players (in terms of ability to continue bowling and develop their abilities) and the clubs.
- c) Minimize on-field calling of suspect actions, other than obvious or intentional throwing as opposed to flaws in technique.

2. Suspect Bowling Process in Domestic Cricket

Upon first time identification by the umpire(s) and/or CHK, C full- time coaching staff of a bowler with a suspect/doubtful action during a CHK, C sanctioned match, the following action will be taken:

The umpires or CHK, C coach reports to CHK, C Domestic Cricket Manager in writing within 2 days of the match using the Suspect Bowling Action Report Form.

- a) CHK, C Domestic Cricket Manager informs CHK, C Suspect Bowling Committee and the player's club representative.

- c) The Suspect Bowling Committee submits a report to the player's club and CHK, C Projects Coordinator confirming the outcome
- d) The Above process should be completed within 30 Days of receiving the Suspect Bowling Action Report.

3. Illegal Action

- a) If the player is considered to have an illegal action by the suspect bowling committee, the player will be banned for a period of 6 months (From the date CHK, C Suspect Bowling committee sends the report) to work on his/her action with his/her clubs coaching staff.
- b) During the banned period if the player is allowed to bowl by the captain, the captain commits Level 1 offence.
- c) The club then must submit in writing if they believe the player has done the appropriate remedial work and inform CHK, C Domestic Cricket Manager if the bowler in question will begin bowling in matches (after they have served the 6 months). If the bowler is reported again in the proceeding 12 months and found to have an illegal bowling action by CHK, C Suspect Bowling Committee, the player will be banned for a further 12 months.

4. Appeal

If a club/player does not agree with the outcome of CHK, C Suspect Bowling Committee they have a right of appeal which must be made in writing within 14 days of receiving the report. The player will not be allowed to bowl in CHK, C sanctioned matches during this time and will undergo testing at and ICC or HKSI testing facility at the most appropriate time/location available (Hong Kong – HKSI, Chennai, Perth or London). The costs involved in this will be as follows:

5. Doubtful Action

If the player is considered to have a doubtful action by CHK, C Suspect Bowling Committee they will be closely monitored and filmed under match conditions using the slow-motion camera after 21 days at the most appropriate opportunity. Note: The player will then either be considered ILLEGAL or LEGAL.

6. Legal Action

If the player is confirmed to have a legal action, he/she will be able to continue bowling in all CHK, C sanctioned matches. The player will also not be allowed to be reported again in the coming 12 months.

7. Suspect Bowling Process in International Cricket

If a Hong Kong player is reported for suspect bowling by the ICC, CHK, C (Suspect Bowling Committee) may be asked to take remedial action and submit a report to the ICC for further, joint action.

If a player is suspended by the ICC for an illegal bowling action the player will also be suspended from bowling in CHK, C sanctioned cricket for the same period.

Following suspension, the bowler's action must be cleared by the ICC through the formal testing procedures

CHK, C will cover all costs associated with the first testing whether the player is a National Squad member or not.

Follow up testing

- a) If the player is no longer a national squad member and requires a further test, the players club must pay a deposit of \$8,000HKD to undergo the testing. If the player is declared to have a legal action then the \$8,000HKD will be reimbursed to the club, if the player is still considered to have an illegal bowling action they will forfeit the \$8,000HKD as a contribution towards the costs of testing. Any further testing for a non-national squad player will be at the expense of the player/club.
- b) It is imperative that the Suspect Bowling Committee works with the club/player and makes a recommendation whether the bowler should undergo further testing or continue to work on the suspect action.

- b) If the player then wishes to be cleared to bowl in Domestic Cricket only, they will need to write to the Suspect Bowling Committee requesting a bowling test (all deliveries they wish to be cleared for).
- c) The Suspect Bowling Committee will then arrange a test using a slow-motion camera at the most convenient time to all parties (an effort to be made within 14 days of receiving the written request).

7. Illegal Action

If the player is considered to have an illegal action by the suspect bowling committee, the player will be banned for a further period of 6 months (From the date CHK, C Suspect Bowling committee sends the report) to work on his/her action with his/her clubs coaching staff.

The club then must submit in writing (after the banned period) if they believe the player has done the appropriate remedial work and inform the Suspect Bowling Committee. The process will then be repeated as above.

8. Appeal

If a club/player does not agree with the outcome of CHK, C Suspect Bowling Committee they have a right of appeal which must be made in writing within 14 days of receiving the report. The player will not be allowed to bowl in CHK, C sanctioned matches during this time and will undergo testing at ICC and/or HKSI testing facility at the most appropriate time/location available (Hong Kong – HKSI, Chennai, Perth or London). Player availability will not be considered good reason to postpone or change any fixture. In exceptional circumstances, requests may be made to the CHK, C Management whose decision shall be final.

Rain-Affected or Washed-Out matches will not be rescheduled.

In case a result can not be reached in a League finals, or any other Knock Out or Play-Off match, the game will not be rescheduled, and the provisions listed in that competition's playing conditions will apply instead.

13. Ground, Weather and Light

- a) Before the toss has taken place, the decision with regard to the fitness of the ground will rest with the authority responsible for the maintenance of the ground. In the absence of the ground authority, the decision rests with the nominated CHK, C staff present at the ground. If no CHK, C staff is present, then it lies with the umpires appointed by CHK, C or CHK, ACO and in their absence,

the team captains.

- b) After the toss has taken place, subject to c), the appointed umpires or, in their absence, the captains shall be the sole judges as to whether conditions are fit for play. If both captains cannot agree, both teams shall remain at the ground for one hour after the scheduled start time at which time the home captain shall decide whether or not play is to commence.
- c) The ground's authority has the right to intercede in a game and stop play if they reasonably consider continuance or resumption of play would likely lead to significant/unreasonable damage to any part of the ground or facilities. Where qualified umpires have been officially appointed such action should be subject to consultation and agreement with the umpires, who should take potential damage to the ground and pitch into consideration.
- g) **Application of Law 2.8.3** – If the conditions during a rain stoppage improve and the rain reduces to drizzle, the umpires must consider if they would have suspended play in the first place under similar conditions. If both umpires agree that the current drizzle and ground conditions as a result, given c), plus allowing for further possible deterioration, would not have caused a stoppage then play shall resume immediately.
- h) If any league match is adversely affected by weather or ground conditions to the extent that a result cannot be achieved, the match shall be abandoned and the points for that game shall be shared equally between the teams (assuming the minimum number of overs to constitute a match has not been bowled).
- i) Where one Umpire is of the opinion it is unsafe or unsuitable for play to continue the game will be stopped and players asked to leave the ground.
- j) If a shadow from a fielder falls across the striker's half of the pitch,

the fielder must remain stationary from the time the bowler starts his run-up until the striker receives the ball. If the fielder moves before the striker receives the ball, the umpire shall call and signal Dead Ball if he considers the striker has been distracted by the action. If the umpire considers the movement was a deliberate attempt to distract the batsman the umpire will take action under Law 42.4 (Deliberate attempt to distract striker).

- k) Play shall cease immediately, in the event that a lightning flash is followed by thunder within 30 seconds. Play shall not resume until 30 minutes after the last lightning flash. It is recommended that no person enter the field of play during the period that play is suspended under this rule.
- l) Games will be abandoned when there is a BLACK RAINSTORM WARNING and/or TYPHOON SIGNAL No. 8 or above.

14. Toss, Team Nomination and Punctuality

- a) Unless otherwise specified, the toss shall be conducted in the presence of an umpire and a representative of both teams not earlier than 30 minutes nor later than 15 minutes prior to the scheduled start of play.
- b) Each team must provide a team list to the umpire/s at or prior to the toss. If no umpire is present, the team captains, or their representatives, should toss the coin at the designated time and exchange their respective team lists.
- c) In the event that a team does not have a representative available for the toss as outlined in a), the incident must be reported to the CHK, C Domestic Cricket Manager. The offending team will be liable to having the result of the game in question overturned to a forfeit. A side shall be of no less than seven players, or as specified, at the scheduled start of play. In the event of any team

being unable to raise a side at the scheduled time for start of play, a walkover may be awarded to the opposition, together with full points for a win, for Premier League 2-Day matches, outright points.

- d) For Senior Cricket, players under the age of 18 at September 1st 2025 must be marked along with age.
- e) If neither team has the required seven players, or as specified, at the scheduled start of play, the match shall be cancelled by the umpires and no match points shall be awarded to either team. The match will not be rescheduled.
- f) If players from both teams are late to arrive, the start of play can be postponed, with an appropriate reduction of overs (as outlined in the competition rules). The incident must be reported to the CHK, C Management.
- g) The above playing conditions on Punctuality are for Senior Cricket. Please refer to playing conditions 32 to check our playing conditions concerning punctuality for Junior Cricket.

15. The Ball

- a) Unless otherwise stated in the Competition Rules, teams are to supply a new CHK, C-approved match ball for each game and sufficient spare balls or varying conditions for use during their innings. One new ball shall be used for each innings and the fielding captain has the choice of which new ball to use at the start of play.
- b) CHK, C Management will decide which balls are to be used for CHK, C competitions. Non-approved balls are not to be used. Breaches of this rule shall be dealt with by CHK, C Management who may impose penalties, including the deduction of points.

- m) If a ball is lost during the first five overs of the innings, a new ball - where available- shall be used.

16. Bowlers – Permitted Overs

- a) Should a bowler become incapacitated, another bowler may complete the over. A part of an over counts as a completed over for the purpose of calculating how many overs a bowler has bowled. A part of an over does not count as a completed over for any other purposes, e.g. total number of overs bowled by the team, statistical purposes, etc.
- b) It shall be the responsibility of the captain of the fielding side to ensure that no bowler exceeds the permitted number of overs.

17. Minimum Over Rates

- a) All teams are expected to bowl at the average minimum over rate specified for each League in the Competition Rules.
- b) Appendix 2 of the Competition Rules provides a worksheet for such calculations.
- c) Unless otherwise specified in the competition rules, failure to bowl the minimum over rate in an innings accounting for allowances will result in a 5 run penalty per over they are slow for the batting team and a first and final warning for the captain of the fielding team, a further indiscretion by the captain in future matches will result in a one match suspension. Cases of this are to be reported to the CHK, C Domestic Cricket Team.
- d) For clarity, in the example whereby the team bowling second are found guilty of bowling with a slow over rate and the match cannot be completed due to ground, light, or other factors, the umpires shall instruct the scorers to add 5 penalty runs for each

over behind the rate to the batting team. If this pushes the score above the opposition teams score (including by Duckworth Lewis Stern) the batting team will be declared the winners.

- e) Unless otherwise specified, over rates will be inclusive of drinks breaks.
- f) In circumstances of a slow over rate at completion of an innings, umpires are to record in their match report the required quota of overs, the number of completed overs bowled at the scheduled finish time and any Good Cause allowance. This is to enable a suspension to be applied. If the umpires fail to maintain a proper record of over rate, any shortfall will be allowed as Good Cause. Umpires will be required to explain a failure to record such information.

18. Free Hit after a No ball

- a) This rule applies in all CHK, C Leagues, unless specified otherwise.
- b) The delivery following a No ball called (all modes of No ball) shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No ball or a Wide) then the next delivery will become a free hit for whichever batsman is facing it.
- c) For any free hit, the striker can be dismissed only under the circumstances that apply for a No ball (e.g., run out), even if the delivery for the free hit is called Wide.
- d) Neither field changes nor the exchange of individuals between fielding positions are permitted for free hit deliveries unless:
 - a. There is a change of striker (the provisions of MCC Law 41.2 shall apply), or

- b. The No ball was the result of a fielding restriction breach, in which case the field may be changed to the extent of correcting the breach.
- e) The bowler's end umpire will signal a free hit (after the normal No ball signal) by raising one arm and moving it in a circular motion above his head.

19. Wide ball

All CHK, C limited-overs matches shall follow the same interpretation of a Wide. ICC One Day International playing condition 22 shall apply.

22.1 Judging a Wide

22.1.1 If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in clause 22.1.2:

22.1.1.1 The ball passes wide of where the striker is standing and which also would have passed wide of the striker standing in a normal guard position.

22.1.1.2 The ball passes above the head height of the striker standing upright at the popping crease.

22.1.2 The ball will be considered as passing wide of the striker unless it is sufficiently within reach for him to be able to hit it with the bat by means of a normal cricket stroke

22.1.3 Umpires are instructed to apply very strict and consistent interpretation in regard to this clause in order to prevent negative bowling wide of the wicket.

22.4 Delivery not a Wide

22.4.1 The umpire shall not adjudge a delivery as being a Wide, if the striker, by moving, either causes the ball to pass wide of him,

as defined in clause 22.1.2 or brings the ball sufficiently within reach to be able to hit it by means of a normal cricket stroke.

22.4.2 The umpire shall not adjudge a delivery as being a Wide if the ball touches the striker's bat or person, but only as the ball passes the striker.

Interpretation and Guidelines for Leg-side Wides:

A delivery that pitches outside the line of leg stump and moves further away shall be called a Wide by the umpire, other than:

- a) A delivery that passes to the leg-side irrespective of where it pitches and in the umpire's opinion, would have struck the batsman on his legs in his normal guard position, i.e. the batsman steps inside the line for whatever reason, shall NOT normally be called a Wide.
- b) A delivery that passes between the leg stump and the batsman's legs shall NOT be called a Wide.

Height Consideration

Law 21.10 No Ball – Ball passing over head height is replaced

A delivery that passes above the head of a batsman standing upright at the popping crease is to be called a "wide", even where this is marginal. The call by the bowler's end umpire will be guided by the striker's end umpire, unless the latter is unsighted or fails to signal.

20. Bowling of fast, short-pitched balls

Law 21.10 will not apply. Law 41.6 will be applied where:

- a) In 50-over and 2-Day competitions, a bowler shall be limited to TWO fast, short-pitched deliveries per over. In all other competitions, a bowler shall be limited to ONE fast, short-pitched

delivery per over.

- b) A fast, short-pitched delivery is defined as a ball that passes, *or would have passed*, above the shoulder height of the striker standing upright at the popping crease.
- c) The umpire at the bowler's end shall advise the bowler and the batsman on strike when each fast, short-pitched delivery has been bowled.
- d) In addition, and subject to (f) below, a ball that passes above head height of the batsman standing upright at the popping crease and prevents him from being able to hit it with his bat by means of a normal cricket stroke shall be called "Wide". Refer above, this replaces Law 21.10.
- e) To avoid doubt, any fast, short-pitched delivery that is called "Wide" under this playing condition shall also count as one of the allowable short-pitched deliveries in that over.
- f) In the event of a bowler bowling more than the allowed number of fast, short-pitched deliveries in an over as defined above, the umpire at the bowler's end shall call and signal No Ball on each occasion. A different signal shall be used to signify a fast, short-pitched delivery. The umpire shall call and signal No Ball then tap his head with the other hand.
- g) In the event of a bowler bowling more than the allowed number of fast, short-pitched balls in an over, the umpire, after the call of No Ball, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred. This caution shall apply throughout the innings.
- h) If there is a second instance of the bowler being No Balled in the innings for bowling more than the allowed number of fast, short-pitched deliveries in an over, the umpire shall caution the bowler

and advise him that this is his final warning for the innings.

- i) Should there be any further instance by the same bowler in that innings, the umpire shall call and signal No Ball and, when the ball is dead, direct the fielding captain to take the bowler off forthwith. If necessary, the over shall be completed by another bowler who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof.
- n) The bowler thus taken off shall not be allowed to bowl again in that innings.
- o) The umpire will report the occurrence to the other umpire, the batsmen at the wicket and, as soon as possible, to the captain of the batting side. The matter is to be reported to the DOC.
- p) Irrespective of the above Law 41.6 Bowling of dangerous and unfair short pitched deliveries maybe applied in regard, for instance in incidents of repetition and consideration of a batsman's skill, which the umpires may apply at any time.

21. Bowling of high, full-pitched balls

Law 41.7 is to be applied

22. Time-wasting by the fielding side

Law 41.9.3 is replaced:

If there is any further waste of time in that innings by any member of the fielding side, the umpire shall:

- a) Call and signal Dead Ball, if necessary.
- b) Award five penalty runs to the batting side.
- c) Inform the other umpire, the batsmen at the wicket, the fielding captain and, as soon as possible, the captain of the batting side of

what has occurred.

- d) Report the occurrence to the CHK, C Management after the match.

23. Fielder's Absence from Field of Play – Penalty Time

Law 24.2 Fielder absent or leaving the field of play shall be revised to allow:

- a) a fielder to be absent from the field of play for eight, 8, minutes without penalty time being required.
- b) The maximum penalty time to be served is specified for each League, refer the respective Competition Rules. These are:

Premier League Two-day	120 minutes

Note, under Law 24.2.3 the maximum is 90 minutes

24. Runners for Injured Batsmen

Law 25.5 Runners - Use of a runner is not permitted.

25. Restrictions for young players

25.1 Fast Bowling Limits for Young Bowlers

All CHK, C League teams are recommended to follow these guidelines relating to the number of overs that young fast bowlers should bowl. A young fast bowler is defined as any bowler for whom the wicketkeeper, in the umpire's judgment, would normally stand back.

Age Group	Max Overs:	
	Per Spell	Per Day
U10-U11	3	6
U12-U13	4	8
U14-U15	5	12
U16-U17	6	16
U18-U19	8	20

Age is determined as at 1st September 2025

Having completed a spell and allowing for a legal change of ends, the bowler cannot bowl again from either end, either as a fast or slow bowler, until the equivalent number of overs as he/she bowled have been bowled by other bowlers from the same end as the bowler finished his/her spell, or a minimum of 40 minutes have expired from the end of the spell should there be a break in play – scheduled or unscheduled other than a drink break. A spell cannot be resumed after it is ended until the break is complete.

Note: *once a bowler starts bowling fast they will be considered a fast bowler and, even if changing to spin or slow bowling after this, the spell shall be deemed to be delivered as a fast bowler from the start of the over where they begin bowling fast. Overs bowled wholly as a slow bowler prior to bowling fast shall be not included in the count of overs as a fast bowler.*

25.2 Fielding Regulations for Young Players

- a) All CHK, C League teams are required to follow the guidelines relating to the minimum distance that young fielders should stand from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball. These apply even if the fielder is wearing a helmet.

*Under normal conditions, **two drinks break** will be taken on the field in each innings after one hour and ten minutes play.*

The Lunch Interval is scheduled for 40 minutes, however due to loss of time this may be reduced to a minimum of 30 minutes unless taken during the interruption to play, in which case a 10-minute innings break will be allowed.

TKRRG games will commence **30 minutes earlier; i.e. 0900**. A scheduled second Innings will be from 1310 to 1640. The TKRRG ground must be vacated by **5:00pm, 1700**.

6. Length of Innings

- a) Each side shall bat for 50 overs unless all out earlier or the match is restricted through delay or interruption.
- b) A side shall not be permitted to declare its innings closed or forfeit its innings.
- c) If the either fielding side fails to bowl the required number of overs by the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress at the scheduled time shall count as a completed over for over rate calculations. Rule 14 (Over Rate Penalties) shall apply.
- d) After the first innings the interval shall not be extended and the next innings shall commence at the scheduled time, subject to a minimum Lunch Interval of 30 minutes.
- e) If the side batting first is dismissed in less than 50 overs, the side batting second shall be entitled to bat for 50 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
 - i. Injury to players of either side.

- ii. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
- iii. Delays caused by the batting side, e.g. changes of equipment.

Note: *In instances of inclement weather, **Rule 9** shall apply, NOT the provisions for allowances.*

- h) In the event of any time allowances being granted to the fielding team under g) due to time wasting by batting team, then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate
- i) If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.
- j) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.
- k) See Rule 14 and CHK, C Playing Conditions Rule 17 for penalties for slow over rates.

7. Lunch Interval

- a) An interval of 40 minutes is allowed for the Lunch Interval.
- b) Should there be a delay or interruption of play then the lunch interval may be reduced to a minimum of 30 minutes.
- c) If the innings of the side batting first is completed prior to the scheduled time for the interval, the interval shall take place

immediately and the innings of the side batting second will commence correspondingly earlier providing that this does not lead to an interval occurring more than 30 minutes prior to the scheduled time.

- d) If the innings of the side batting first is completed more than 30 minutes prior to the scheduled interval a 10-minute break will occur and the side batting second will commence its innings and the interval will occur as scheduled.
- e) Should the schedule start of play be delayed or an extended interruption to play occur the Lunch Interval maybe taken 30 minutes early, provided meals have arrived.
- f) If at the time of the scheduled interval, the team batting second has lost nine wickets or requires no more than 25 runs to win, play shall continue until a result has been achieved, unless the players otherwise have cause to leave the field of play.

8. Drinks Intervals

- a) Two drinks breaks per session shall be permitted, each 1 hour 10 minutes apart.
- b) The Drinks Intervals shall be taken on the field at all times.
- c) Under conditions of extreme heat the umpires may permit extra intervals for drinks. The duration of these should be treated as an allowance for over rate calculations.
- d) An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.
- e) when less than 3 minutes remains before the time agreed for the next interval, the interval shall be taken immediately if either a batsman is dismissed or retires, or the players have occasion to

leave the field, whether this occurs during an over or at the end of an over. Except at the end of an innings, if an over is thus interrupted it shall be completed on the resumption of play.

9. Delayed or Interrupted Matches

- a) To constitute a match, both teams are to have the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra 30 minutes (or only until 1650 at TKRRG, and 1710 at PKVR Park) and are to take this into account in their revised overs calculations.
- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 8.40 minutes lost, being 4.20 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see **10b and 13f**. This calculation must not cause the match to finish earlier than the original cessation time.

Illustration:

Due to ground, light, or weather conditions playing time is reduced by 42 minutes, after allowance for a reduced lunch (15 minutes) The game will be reduced by a total of 10 overs (42 minutes divided by 8.4 minutes = 5 x 2 overs), five overs deducted from each innings. Each side will now bowl 45 overs. The playing lost is divided

across both innings, i.e. 5×4.2 minutes = 21 minutes (rounded down) deducted from each innings (original playing time of 3 hours 30 minutes, minus 21 minutes = new playing time of 3 hours 9 minutes). Therefore, the revised hours of play will be 10.57 to 2.06 pm and 2.36 to 5.45 pm.

- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CHK, C App.

10. Number of Overs per Bowler

- a) No bowler shall bowl more than **ten** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by five, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

11. Free Hit after a No Ball

A Free Hit after a No Ball is applied to all No Balls. Refer to Playing Condition 18 for outline on this rule

12. Fielder's Absence - Maximum Penalty Time

Under CHK, C Playing Condition 23, a fielder's unserved Penalty time shall be limited to a maximum of 120 minutes.

13. Fielding Restrictions

- a) At the instant of delivery, there may not be more than five (5) fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines. The fielding restriction area should be marked with disks at five-yard (4.57-metre) intervals by the home side in each game. At the instant of delivery:

Powerplays

- c) There are three phases of Powerplay:
 - i. Powerplay 1 – no more than **two** (2) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 50 overs, these are overs 1 to 10 inclusive.
 - ii. Powerplay 2 – no more than four (4) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 50 overs, these are overs 11 to 40 inclusive.
 - iii. Powerplay 3 – no more than five (5) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 50 overs, these are overs 41 to 50 inclusive.
- d) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball.
- e) At the commencement of the second and third blocks of

Powerplay overs, the umpire shall signal such commencement to the scorers by rotating his arm in a large circle.

- f) In circumstances when the number of overs of the batting side is reduced, the number of powerplay overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table applies to both the 1st and 2nd innings of the match.
- g) If play is interrupted during an innings and the table below applies, the powerplay takes immediate effect. This applies even though the interruption has occurred mid-over.

Illustrations:

1) A 50-over innings is interrupted after 8.3 overs and reduced to 32 overs. The new phases are 7+19+6. Therefore, the Powerplay 2 fielding restrictions take immediate effect when play resumes and last for a further 17.3 overs. Powerplay 3 begins after 26 overs have been bowled.

2) A 40-over innings is interrupted after 18.5 overs and reduced to 22 overs. The new phases are 5+13+4. When play resumes, Powerplay 3 fielding restrictions apply for the remaining 3.1 overs.

14. Over Rate Penalties

- a) The fielding side shall be in position to bowl the first ball of the final over of the innings by the scheduled (or re-scheduled) cessation time for the innings. In delayed or interrupted matches where there has been a reduction of 3 or more overs, the fielding side shall be in position to bowl the first ball of the penultimate over of the innings by the scheduled (or re-scheduled) cessation time for the innings.
- b) Where this requirement is not met, clause 13c) iii shall be varied and from the start of the next over after the point in time at which the cessation time is reached (and for the remainder of the innings) no more than 4 fielders shall be permitted outside the fielding restriction area referred to in clause 13b).
- c) If a Slow Over Rate penalty is enforced the captain will be reported to the CHK, C Management and face possible suspension (see CHK, C Playing Condition 17).
- d) This clause shall not apply where
 - i. a side's innings is reduced to less than 25 overs, unless the over-rate penalty has been applied prior to such reduction; or
 - ii. a side's innings is completed prior to the scheduled (or re-scheduled) cessation time for the innings.
- e) The bowler's end umpire shall inform the captain of the fielding side, the batter and the other umpire of:
 - i. the scheduled cessation time for the innings prior to the start of the innings, and of any re-scheduled cessation time following any subsequent interruption to play; and
 - ii. any time allowances as and when they arise

- f) This is the only penalty for a slow over rate. A 5 run penalty for slow overrate will not apply

15. The Result

Law 16.2 - A win - one innings match shall apply in addition to:

- a) Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), a result can be achieved only if both teams have had the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs. Other matches, where both teams have not had an opportunity of batting for a minimum of 20 overs, shall be declared no result.

b) Interrupted or Prematurely Terminated Matches

Calculation of the Target Score. If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 20 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current DLS method. The target set will always be a whole number and one run less will constitute a Tie.

c) Prematurely Terminated Matches

If the innings of the side batting second is suspended (with at least 20 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension by the DLS method. If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

16. Points

Points for matches will be awarded as follows:

Win	2 points
Tie or No Result	1 points each
Loss	0 points

17. League Champion

The Premier League One Day Champion shall be the team that wins the final.

The two teams with the most points after the round robin stage will play in the final.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine who proceeds to the final:

- Net Run Rate (NRR)*, as calculated by the CHK, C App system and shown in the ladder, shall decide the higher placed team;
- If the NRR is equal then the team with the most wins in the competition finishes higher.
- If the number of wins is equal then the head-to-head result between the two teams will decide the higher placed team.
- If teams are still equal then the title will be shared.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

- b) A side shall not be permitted to declare its innings closed or forfeit its innings.
- c) If either fielding side fails to bowl the required number of overs by

the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress at the scheduled time shall count as a completed over for over rate calculations. Rule 13 (Over Rate Penalties) shall apply.

- d) After the first innings the interval shall not be extended, and the next innings shall commence at the scheduled time.
- e) If the side batting first is dismissed in less than 20 overs, the side batting second shall be entitled to bat for 20 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
 - i. Injury to players of either side.
 - ii. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
 - iii. Delays caused by the batting side, e.g. changes of equipment.

Note: In instances of inclement weather, **Rule 7** shall apply, *NOT* the provisions for allowances.

- h) In the event of any time allowances being granted to the fielding team under g) due to time wasting by batting team, then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate
- i) If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account

all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.

- j) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.
- k) See Rule 13 and CHK, C Playing Conditions Rule 17 for penalties for slow over rates.

7. Delayed or Interrupted Matches

- a) To constitute a match, both teams are to have the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra 30 minutes (or only until 1700 at TKRRG) and are to take this into account in their revised overs calculations.
- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 8.5 minutes lost, being 4.25 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see **8b and 12e**. This calculation must not cause the match to finish earlier than the original cessation time.

Illustration:

Due to ground, light, or weather conditions playing time is reduced by 34 minutes, after allowance for a delayed start (30 minutes) and reduced innings break (10 minutes) The game will be reduced by a total of 8 overs (34 minutes divided by 8.5 minutes = 4 x 2 overs), four overs deducted from each innings. Each side will now bowl 16 overs. The playing lost is divided across both innings, i.e. 4 x 4.25 minutes = 17 minutes deducted from each innings (original playing time of 1 hour 25 minutes, minus 17 minutes = new playing time of 1 hour 8 minutes). Therefore, the revised hours of play will be 2.39 to 3.47 pm and 3.57 to 5.05 pm.

- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CHK, C App.

8. Number of overs per bowler

- a) No bowler shall bowl more than **four** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second
 - i. for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number

per bowler necessary to make up the balance.

- ii. for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs.

Illustration: after 8 overs, rain interrupts play. Both opening bowlers have bowled 4 overs. The innings is now reduced to 12 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (3 as opposed to 2) and so any other bowlers are now limited to 2 overs.

Should the overs be reduced to 7, then four bowlers may bowl 2 overs

- c) When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incomplete over.
- d) In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

9. Free Hit after a No ball

A Free Hit after a No Ball is applied to all No Balls. Refer to CHK, C Playing Condition 18 for outline on this rule.

10. Fielder's Absence - Maximum Penalty Time

Under CHK, C Playing Condition 23, a fielder's unserved Penalty time shall be limited to a maximum of 40 minutes.

11. Timed out

Law 40 will apply except that the incoming batsman must be in position to take guard or for his partner to be ready to receive the next ball within **1 minute 30 seconds** of the fall of the previous wicket. The incoming batsman is expected to be ready to enter the field when a wicket falls and is expected to jog to the wicket.

12. Fielding Restrictions

- a) At the instant of delivery there shall be no more than five fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field.
- c) For the first six overs of each innings no more than **two** fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- d) During the remaining overs of each innings (i.e. overs 7 to 20) no more than **five** fielders shall be permitted outside the fielding restriction area at the instant of delivery.
- e) In circumstances where the number of overs for the batting team is reduced, the number of fielding restriction overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both first and second innings.

Innings Duration	Number of Fielding Restriction Overs
5–8	2

9–11	3
12–14	4
15–18	5
19–20	6

- f) If an innings is interrupted during an over and if on the resumption of play, due to the reduced number of overs of the batting team, the required number of fielding restriction overs has already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.
- g) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball and a free hit will be called

13. Over Rate Penalties

- a) All sides are expected to be in position to bowl the first ball of the final over of the innings by the scheduled (or re-scheduled) cessation time for the innings.
- g) Where this requirement is not met, clause 12d) shall be varied and from the start of the next over after the point in time at which the cessation time is reached (and for the remainder of the innings) no more than 4 fielders shall be permitted outside the fielding restriction area referred to in clause 12b).
- h) An additional allowance of 1 minute will be given for each of the 6th, 7th, 8th and 9th wickets taken during an innings.
- i) If a Slow Over Rate penalty is enforced the captain will be reported to the CHK, C Management and face possible suspension (see CHK, C Playing Condition 17).

- j) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.
- k) Over-rate penalties apply only to innings of ten overs or more duration. In innings of less than ten overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- l) This is the only penalty for a slow over rate – a 5 run penalty per slow over will not be applied.

14. The Result

Law 16.2 - A win - one innings match shall apply in addition to:

- a) Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), a result can be achieved only if both teams have had the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Other matches, where both teams have not had an opportunity of batting for a minimum of 5 overs, shall be declared no result.

b) Interrupted or Prematurely Terminated Matches

Calculation of the Target Score. If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 5 overs), then a revised target score (to win) should

be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current DLS method. The target set will always be a whole number and one run less will constitute a Tie.

c) Prematurely Terminated Matches

If the innings of the side batting second is suspended (with at least 5 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension by the DLS method. If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

15. Tied Matches – Super Over

If the scores are equal, the result will be a tie and no account shall be taken of the number of wickets that have fallen. In the event of a tied match there shall be a Super Over to determine the winner.

- a) The Super Over shall take place ten minutes following confirmation of the tied result and on the same pitch.
- b) The umpires shall stand at the same end as that in which they finished the match.
- c) The fielding side shall choose from which end to bowl.
- d) Only nominated players in the main match may participate in the Super Over with the same rules for substitutes, etc.
- e) Each team's over is played with the same fielding restrictions as apply for the last normal over in a T20 match.
- f) The team batting second in the match will bat first in the Super Over.
- g) The match ball (or its replacement, if changed during play) in use at the end of the main match shall be used.

- h) The loss of two wickets in the over ends the team's one over innings.
- i) In the event of the teams having the same score after the Super Over has been completed the team whose batsmen hit the greatest number of boundaries combined from its two innings in both the main match and the Super Over shall be the winner.
- j) If the number of boundaries hit by both teams is equal, the team whose batsmen scored more boundaries during its innings in the main match (ignoring the Super Over) shall be the winner.
- k) If still equal, a count-back from the final ball of the Super Over shall be conducted. The team with the higher scoring delivery shall be the winner. If a team loses two wickets during its over, any deliveries not bowled will be counted as dot balls. Note that for this purpose, the runs scored from a delivery is defined as the total team runs scored since the completion of the previous legitimate ball, i.e. including any runs resulting from Wides, No Ball or Penalty Runs.

Illustration:

Scored From	Team 1	Team 2
Ball 6	1	1
Ball 5	4	4
Ball 4	2	1
Ball 3	6	2
Ball 2	0	1
Ball 1	2	6

In this example both teams scored an equal number of runs from the 6th and 5th ball of their innings. However, Team 1 scored 2 runs from its 4th ball while Team 2 scored a single so Team 1 is the winner.

16. Points

Points for matches will be awarded as follows:

Win	2 points
Loss	0 points
No Result	1 points each

17. League Champion

The Premier League T20 Champion shall be the team that wins the final.

The two teams with the most points after the round robin stage will play in the final.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine who proceeds to the final:

- b) Net Run Rate (NRR)*, as calculated by the CHK, C App system and shown in the ladder, shall decide the higher placed team;
- c) If the NRR is equal then the team with the most wins in the competition finishes higher.
- d) If the number of wins is equal, then the head-to-head result between the two teams in the round robin stage will decide who proceeds to the final.

If the final can not be completed, for any reason, then the highest place team after the round robin stage (using the above if required) shall be declared champions.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Women's Premier League T20

These are the competition rules for the CHK, C Women's Premier League T20 competition. They should be read in conjunction with CHK, *C Playing Conditions* and CHK, *C Code of Conduct*.

1. Competition Format

- a) The CHK, C Women's Premier League T20 will feature five teams - Hong Kong Cricket Club, Kowloon Cricket Club, Little Sai Wan Cricket Club, Craigengower Cricket Club and Lantau Cricket Club in a single division.
- b) Teams shall play each other once in round-robin matches of 20-overs per innings.
- c) Teams will score points in each match (see point 16). The top two teams on the points table after the league stage shall play in a Final. The team that wins the final will be the winner of the competition.

2. Player Eligibility

- a) Players may only represent one club for the duration of the Premier League season
- b) There are no restrictions on who can play Premier League Cricket.
- c) Little Sai Wan Cricket Club and Kowloon Cricket Club will be able to draw from players representing 'Independent' clubs in other competitions.

3. Hours of Play and Intervals

All matches shall commence no later than 2 pm and shall be of a maximum 40 overs duration (one, 20-over innings per side).

Unless otherwise stated, the periods of play and intervals shall be as follows:

Periods of Play and Intervals

Morning Games	
First Innings	0900-1015 (1 hour 15 minutes)
<i>Interval</i>	<i>1015-1030 (15 minutes)</i>
Second Innings	1030-1145 (1 hour 15 minutes)
Afternoon Games	
First Innings	1330-1445 (1 hour 15 minutes)
<i>Interval</i>	<i>1445-1500 (15 minutes)</i>
Second Innings	1500-1615 (1 hour 15 minutes)

Playing time per innings: 75 minutes plus the over in progress at the scheduled time

Required over rate: 16 overs per hour (3.75 minutes per over)

KCC games will commence 30 minutes later.

The TKRRG ground must be vacated by **5:00pm, 1700.**

Interval between Innings

If the innings of the team batting first is completed prior to the scheduled time for the Interval, the Interval shall take place immediately and the Innings of the team batting second will commence correspondingly earlier.

Intervals for Drinks

One scheduled drinks interval of 2 minutes 30 seconds may be taken at the midpoint of each innings. The following shall apply for the drinks break:

- i. No practice is allowed.

- ii. If the scheduled number of overs in an interrupted match is 14 overs or less there will be no drinks break.
- iii. Following a lengthy delay or interruption prior to the drinks break, the match referee may, at his/her discretion, cancel all the remaining drinks breaks for the match.
- iv. The Head Coach may consult with the on-field players during the drinks break for tactical reasons.
- v. An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires. Any player taking drinks onto the field shall be dressed in proper cricket attire (subject to the wearing of bibs – refer to the note in CHK, C Playing Condition 26.3(g)).

4. Toss and Team Nomination

- a) Team lists must be provided to the umpires prior to the toss being conducted. All juniors (i.e. under the age of 18) along with age, as registered with CHK, C, should be marked on the team list.
- b) The CHK, C team nomination form must be used.

5. The Ball

A CHK, C approved Kookaburra Silver Senator white leather four-piece 142g cricket ball shall be used. One new ball shall be used at the start of each innings and the fielding team should provide sufficient spares.

6. Length of Innings

- a) In uninterrupted matches (i.e. matches which are neither delayed

nor interrupted) each team shall bat for 20 overs unless all out earlier.

- b) A side shall not be permitted to declare its innings closed or forfeit its innings.
- c) If the either fielding side fails to bowl the required number of overs by the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress at the scheduled time shall count as a completed over for over rate calculations. Rule 13 (Over Rate Penalties) shall apply.
- d) After the first innings the interval shall not be extended, and the next innings shall commence at the scheduled time.
- e) If the side batting first is dismissed in less than 20 overs, the side batting second shall be entitled to bat for 20 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
 - a. Injury to players of either side.
 - b. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
 - c. Delays caused by the batting side, e.g. changes of equipment.

Note: In instances of inclement weather, **Rule 7** shall apply, **NOT** the provisions for allowances.

- h) In the event of any time allowances being granted to the fielding team under g) due to time wasting by batting team, then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate
- i) If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.
- j) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.
- k) See Rule 13 and CHK, C Playing Conditions Rule 17 for penalties for slow over rates.

7. Delayed or Interrupted Matches

- a) To constitute a match, both teams are to have the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra 30 minutes (or only until 1650 at TKRRG) and are to take this into account in their revised overs calculations.
- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by

two for every complete 7.5 minutes lost, being 3.75 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see **8b and 12e**. This calculation must not cause the match to finish earlier than the original cessation time.

Illustration:

Due to ground, light, or weather conditions playing time is reduced by 37 minutes, after allowance for a delayed start (30 minutes) and reduced innings break (10 minutes). The game will be reduced by a total of 10 overs (37 minutes divided by 7.5 minutes = 5 x 2 overs), five overs deducted from each innings. Each side will now bowl 15 overs. The playing lost is divided across both innings, i.e. 5 x 3.75 minutes = 18 minutes deducted from each innings (original playing time of 1 hour 15 minutes, minus 18 minutes = new playing time of 57 minutes). Therefore, the revised hours of play will be 2.42 to 3.39 pm and 3.49 to 4.46 pm.

- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CHK, C App.

8. Number of overs per bowler

- a) No bowler shall bowl more than **four** overs in an innings.

- b) In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second
 - a. for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
 - b. for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs.

Illustration: after 8 overs, rain interrupts play. Both opening bowlers have bowled 4 overs. The innings is now reduced to 12 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (3 as opposed to 2) and so any other bowlers are now limited to 2 overs.

Should the overs be reduced to 7, then four bowlers may bowl 2 overs

- c) When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incomplete over.
- d) In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

9. Free Hit after a No ball

A Free Hit after a No Ball is applied to all No Balls. Refer to CHK, C Playing Condition 18 for outline on this rule

10. Fielder's Absence - Maximum Penalty Time

Under CHK, C Playing Condition 23, a fielder's unserved Penalty time shall be limited to a maximum of 40 minutes.

11. Timed out

Law 40 will apply except that the incoming batsman must be in position to take guard or for his partner to be ready to receive the next ball within **1 minute 30 seconds** of the fall of the previous wicket. The incoming batsman is expected to be ready to enter the field when a wicket falls and is expected to jog to the wicket.

12. Fielding Restrictions

- a) At the instant of delivery there shall be no more than five fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 25.15 yards (23 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field.
- c) For the first six overs of each innings no more than **two** fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- d) During the remaining overs of each innings (i.e. overs 7 to 20) no more than **four** fielders shall be permitted outside the fielding restriction area at the instant of delivery.
- e) In circumstances where the number of overs for the batting team

is reduced, the number of fielding restriction overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both first and second innings.

Innings Duration	Number of Fielding Restriction Overs
5–8	2
9–11	3
12–14	4
15–18	5
19–20	6

- f) If an innings is interrupted during an over and if on the resumption of play, due to the reduced number of overs of the batting team, the required number of fielding restriction overs has already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.
- g) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball and a free hit will be called.

13. Over Rate Penalties

- a) All sides are expected to be in position to bowl the first ball of the final over of the innings by the scheduled (or re-scheduled) cessation time for the innings.
- b) Where this requirement is not met, clause 12d) shall be varied and from the start of the next over after the point in time at which the cessation time is reached (and for the remainder of the innings) no more than 3 fielders shall be permitted outside the fielding restriction area referred to in clause 12b).

- c) An additional allowance of 1 minute will be given for each of the 6th, 7th, 8th and 9th wickets taken during an innings.
- d) If a Slow Over Rate penalty is enforced the captain will be reported to the CHK, C Management and face possible suspension (see CHK, C Playing Condition 17).
- e) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.
- f) Over-rate penalties apply only to innings of ten overs or more duration. In innings of less than ten overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- g) This is the only penalty for a slow over rate. A 5 run penalty per slow over will not be applied.

14. The Result

Law 16.2 - A win - one innings match shall apply in addition to:

- a) Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), a result can be achieved only if both teams have had the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Other

matches, where both teams have not had an opportunity of batting for a minimum of 5 overs, shall be declared no result.

b) Interrupted or Prematurely Terminated Matches

Calculation of the Target Score. If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 5 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current DLS method. The target set will always be a whole number and one run less will constitute a Tie.

c) Prematurely Terminated Matches

If the innings of the side batting second is suspended (with at least 5 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension by the DLS method. If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

15. Tied Matches – Super Over

If the scores are equal, the result will be a tie and no account shall be taken of the number of wickets that have fallen. In the event of a tied match there shall be a Super Over to determine the winner.

- a. The Super Over shall take place ten minutes following confirmation of the tied result and on the same pitch.
- b. The umpires shall stand at the same end as that in which they finished the match.
- c. The fielding side shall choose from which end to bowl.
- d. Only nominated players in the main match may participate

- in the Super Over with the same rules for substitutes, etc.
- e. Each team's over is played with the same fielding restrictions as apply for the last normal over in a T20 match.
 - f. The team batting second in the match will bat first in the Super Over.
 - g. The match ball (or its replacement, if changed during play) in use at the end of the main match shall be used.
 - h. The loss of two wickets in the over ends the team's one over innings.
 - i. In the event of the teams having the same score after the Super Over has been completed the team whose batsmen hit the greatest number of boundaries combined from its two innings in both the main match and the Super Over shall be the winner.
 - j. If the number of boundaries hit by both teams is equal, the team whose batsmen scored more boundaries during its innings in the main match (ignoring the Super Over) shall be the winner.
 - k. If still equal, a count-back from the final ball of the Super Over shall be conducted. The team with the higher scoring delivery shall be the winner. If a team loses two wickets during its over, any deliveries not bowled will be counted as dot balls. Note that for this purpose, the runs scored from a delivery is defined as the total team runs scored since the completion of the previous legitimate ball, i.e. including any runs resulting from Wides, No Ball or Penalty Runs.

Ball 5	4	4

Ball 4	2	1
Ball 3	6	2
Ball 2	0	1
Ball 1	2	6

In this example both teams scored an equal number of runs from the 6th and 5th ball of their innings. However, Team 1 scored 2 runs from its 4th ball while Team 2 scored a single so Team 1 is the winner.

16. Points

Points for matches will be awarded as follows:

Win	2 points
Loss	0 points
No Result	1 points each

17. League Champion

The Women's Premier League T20 Champion shall be the team that wins the final.

The two teams with the most points after the round robin stage will play in the final.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine who proceeds to the final:

- Net Run Rate (NRR)*, as calculated by the CHK, C App system and shown in the ladder, shall decide the higher placed team;
- If the NRR is equal then the team with the most wins in the competition finishes higher.
- If the number of wins is equal, then the head-to-head result between the two teams in the round robin stage will decide who

proceeds to the final.

If the final can not be completed, for any reason, then the highest place team after the round robin stage (using the above if required) shall be declared champions.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Sunday Elite League

These are the competition rules of the CHK, C Sunday Elite, played predominantly on Sundays. This competition will follow the same rules as the *CHK, C Premier League One Day*, except for as specified as below. These rules should be read in conjunction with *CHK, C Playing Conditions* and *CHK, C Code of Conduct*.

1. Competition Format

- a) The Sunday Elite shall be contested by thirteen teams participating in two divisions.
- b) Teams shall play each other twice in round-robin matches of 50-overs per innings giving a total number of 10 to 12 matches per team.
- c) Teams will score points in each match (see point 8). The top two teams on the points table in each division after the league stage shall play in a Final. The team that wins the final will be the winner of that Division.
- d) The winner of the Division 2 Final shall be promoted to Division 1 for the next season and the lowest placed team in Division 1 shall be relegated to Division 2.

2. Player Eligibility

- a) All players must be registered with CHK, C before playing their first Sunday Elite match. Refer to CHK, C Playing Condition 8 for the penalty on fielding unregistered players.
- b) Sunday Elite League Division 2 players will be allowed to play in Sunday Elite League Division 1 when National Players are away on

tour. However, they will only be allowed to play a maximum of 12 games in a season.

- c) Each team may field only one non-Hong Kong Resident Permit Holder per game. Inclusion of more than one non-Hong Kong Resident Permit Holder constitutes playing an ineligible player.
- d) Players may only represent one club for the duration of the Sunday Elite season

3. Hours of Play and Intervals

All matches shall commence no later than 10 am and shall be of a maximum 100 overs duration (one, 50-over innings per side).

Games at KCC delayed by preceding hockey matches shall commence as soon as possible thereafter, with a corresponding adjustment to the following scheduled playing times:

Periods of Play and Intervals

First Innings	1000-1315 (3 hour 15 minutes)
<i>Lunch Interval</i>	<i>1315-1355 (40 minutes)</i>
Second Innings	1355-1710 (3 hour 15 minutes)

Playing time per innings, including drinks breaks: 195 minutes plus the over in progress at the scheduled time

Required over rate: 15.38 overs per hour (3.9 minutes per over), inclusive of drinks.

*Under normal conditions, **two drinks break** will be taken on the field in each innings after one hour of play.*

The Lunch Interval is scheduled for 40 minutes, however due to loss of time this may be reduced to a minimum of 30 minutes unless taken

during the interruption to play, in which case a 10-minute innings break will be allowed.

TKRRG games will commence **40 minutes earlier; i.e. 0920**. A scheduled second Innings will be from 1315 to 1630. The TKRRG ground must be vacated by **5pm, 1700**.

PKVR Park games will commence **25 minutes earlier; i.e. 0935**. A scheduled second Innings will be from 1330 to 1645. The PKVR Park ground must be vacated by **5.15pm, 1715**.

4. Drinks Intervals

- a) Two drinks breaks per session shall be permitted, each 1 hour minutes apart.
- b) Drinks breaks should be no more than 5 minutes each and are considered as part of the playing time.
- c) Under conditions of extreme heat, the umpires may permit extra intervals for drinks. The duration of these should be treated as an allowance for over rate calculations.
- d) An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.

5. Delayed or Interrupted Matches

- a) To constitute a match, both teams are to have the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should

allow the scheduled finish time to be extended by an extra by 30 minutes (or only until 1650 at TKRRG, and 1710 at PKVR Park) and are to take this into account in their revised overs calculations.

- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 7.80 minutes lost, being 3.90 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see CHK, C Premier League One Day Playing Conditions **10b and 13f**. This calculation must not cause the match to finish earlier than the original cessation time.

Illustration:

Due to ground, light, or weather conditions playing time is reduced by 39 minutes, after allowance for a reduced lunch (20 minutes) The game will be reduced by a total of 10 overs (39 minutes divided by 7.8 minutes = 5 x 2 overs), five overs deducted from each innings. Each side will now bowl 45 overs. The playing lost is divided across both innings, i.e. 5 x 3.9 minutes = 19 minutes (rounded down) deducted from each innings (original playing time of 3 hours 15 minutes, minus 19 minutes = new playing time of 2 hours 56 minutes). Therefore, the revised hours of play will be 10.59 am to 1.55 pm and 2.15 to 5.11 pm.

- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than

that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CHK, C App.

6. Over Rate Penalties

- a) All sides are expected to be in position to bowl the first ball of the last of their 50 overs within 3 hours 15 minutes playing time. In the event of them failing to do so, from the start of the next over after the point in time at which the cessation time is reached (and for the remainder of the innings) no more than 4 fielders shall be permitted outside the fielding restriction area. This will apply to both innings of the match. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If a Slow Over Rate penalty is enforced the captain will be reported to the CHK, C Management and face possible suspension (see CHK, C Playing Condition 17).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.
- d) Over-rate penalties apply only to innings of 30 overs or more duration. In innings of less than 30 overs duration, umpires shall

apply the penalty run Laws for time wasting especially strictly.

- e) This is the only penalty for a slow over rate. A 5 run penalty for slow overrate will not apply.

7. The Result

Law 16.2 - A win - one innings match shall apply in addition to:

- a) Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), a result can be achieved only if both teams have had the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs. Other matches, where both teams have not had an opportunity of batting for a minimum of 20 overs, shall be declared no result.

- b) **Interrupted or Prematurely Terminated Matches**

Calculation of the Target Score. If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 20 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current DLS method. The target set will always be a whole number and one run less will constitute a Tie.

- c) **Prematurely Terminated Matches**

If the innings of the side batting second is suspended (with at least 20 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension by the DLS method. If the score is equal to the par score, the match is a Tie.

Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

8. Points

Points for matches will be awarded as follows:

Win	2 points
Tie or No Result	1 points each
Loss	0 points

9. League Champion

The Sunday Elite League Divisional Champions shall be the teams that win their Division's final.

If a result can not be reached in the final, the top of the table team after the league stable will be declared Champions.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine which teams proceed to the Final:

- Net Run Rate (NRR)*, as calculated by the CHK, C App system and shown in the ladder, shall decide the higher placed team;
- If the NRR is equal then the team with the most wins in the competition finishes higher.
- If the number of wins is equal then the head-to-head result between the two teams will decide the higher placed team.
- If teams are still equal then the title will be shared.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the*

competition.

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Saturday Championship League

These are the competition rules of CHK, C Saturday Championship League, played predominantly on Saturdays. These rules should be read in conjunction with CHK, C *Playing Conditions* and CHK, C *Code of Conduct*.

1. Competition Format

2. Player Eligibility

- a) All players must be registered with CHK, C before playing their first match. Refer to CHK, C Playing Condition 8 for the penalty on fielding unregistered players.
- b) There is no restriction on the number of Sunday Elite players appearing in Saturday Championship teams as long as a team's squad has met the criteria stipulated by CHK, C.
- c) Each team may field no more than one non-Hong Kong Resident Permit Holder per game. Inclusion of more than one non-Hong Kong Resident Permit Holder in a team will constitute playing an ineligible player in the game.
- d) Players that are above the age of 20 (as of 1st Sept 2025), and

that have played 4 or more Premier League Games (combined across all formats) in the 2024-25 season (excluding matches played while the National Men's Team was on tour) or 4 or more Premier League Games (combined across all formats) in the 2025-26 season, or that have played in a 'First Class', 'List A' or 'T20' match in the last 12 months, are not eligible to play in the Saturday Championship. Fielding such a player will constitute playing an ineligible player. To clarify, 'T20' refers to a Twenty20 match that would be considered of equivalent standard to a List A game, as defined by the ICC and Association of Cricket Statisticians and Historians.

- e) A team can apply for an exemption for a player that has taken part in Premier League cricket in the 2024-25 season but has no intention of playing Premier League in 2025-26. This has to be made in writing to the CHK, C management, and is subject to CHK, C approval.

Matches at Po Kong Village Road Park (PKVR) will commence at 12.35 pm and conclude at 5.15pm with the innings break at 2.50 pm. Teams must vacate the ground **by 5.15 pm.**

Matches at Gin Drinkers Bay CHK, C Cricket Centre (GDB) will sometimes be scheduled for a 12:30pm start (innings break 2:45 pm, conclude at 4:40pm) to account for poor light. Teams must leave the premises **by 6:00 PM.**

4. The Toss & Team Nomination

- The Toss shall be conducted no earlier than 30 minutes nor later than 15 minutes prior to the scheduled time for the start of play, in the presence of an umpire.
- Team lists must be provided to umpires prior to the toss being conducted. Juniors along with age as registered with CHK, C should be marked on the team list.

- c) The official CHK, C team nomination form is not mandatory.

5. The Ball

CHK, C approved Pink Kookaburra four-piece 156g leather cricket balls shall be used; one per innings. Each team is to provide a new ball for its bowling innings together with sufficient spare balls.

6. Length of Innings

- a) Matches will consist of one innings per side, each innings being limited to a maximum of 35 overs.
- b) To constitute a match, a minimum of ten overs must be completed in the second innings.
- c) Declarations are not permitted.
- d) If either bowling side fails to complete 35 overs within the scheduled time, the innings shall be extended until 35 overs are completed subject to conditions and ground availability. An over in progress at the scheduled time shall count as a completed over for over rate calculations.
- e) If the side batting first is dismissed in less than 35 overs, the side batting second shall be entitled to bat for 35 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
 - i. Injury to players of either side.
 - ii. Inability to locate and/or retrieve a ball. Note: A maximum

of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.

- iii. Delays caused by the batting side, e.g. changes of equipment.

Note: *In instances of inclement weather, CHK, C Playing Conditions Rule 8 shall apply, NOT the provisions of Good Cause.*

- h) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time. All occurrences of late commencement must be reported to the CHK, C Domestic Cricket Manager for further action.
- i) See CHK, C Playing Condition Rule 17 for penalties for slow over rates.
- j) The scheduled innings time allowance will be reduced at the rate of 3.85 minutes per over, if the number of overs to be bowled is less than 35 – see Rule 8 below.

7. Drinks Intervals

- a) A drinks break is to be taken at the halfway mark of an innings (normally at the end of the 17th over). This drinks break is part of the playing time.
- b) If for any reason (e.g. severe heat conditions) both captains agree to have additional drink intervals, this should be communicated to the umpires before the toss. The option to take such intervals shall be available to either side (though at any time, both captains may agree to forgo the drinks interval).
- c) Each drinks interval shall not exceed four minutes. In the event that more than one drinks break is taken, the duration of the

additional drinks break(s) should be treated as an interruption and the number of overs to be bowled in the innings shall be reduced by one, 1, over and time by 3.75 minutes each innings. This is subject to Umpire and Captains agreement.

- d) No drinks break if play has been reduced to 90 minutes in an innings

8. Delayed or Interrupted Matches

In order to achieve a result in a match delayed or interrupted by adverse conditions of weather, ground, light or other allowances beyond the teams' control, the following procedures apply:

- a) If before or during in the first innings is delayed or interrupted on one or more occasions, two overs shall be deducted from the original 70 for every complete 7:30 minutes lost (i.e. 3.75 minutes per over), i.e. one over deducted from each innings.
- b) A minimum of 10 overs per innings is require to constitute a completed game
- c) If the reasons for a delay starting an innings are attributable to the batting side, the facts are to be reported to the CHK, C Management.
- d) The second innings shall consist of the same number of overs as the first. If the second innings is not completed for any reason other than that of a result already being achieved, the game will be decided on DLS method provided that the minimum ten overs have been completed.

Please see the following example for clarification:

Scenario: *Due to ground, light, or weather conditions, the start of a match is delayed by 40 minutes and will now commence at 1.40 pm. The game will be reduced by a total of 10 overs (40 minutes*

divided by 7.5 rounded up= 5 x 2 overs), seven overs deducted from each innings. Each side will now bowl 30 overs. The lost time is attributed across both innings, i.e. 18 minutes (5 x 3.75 rounded down) deducted from each innings (original playing time of 2 hours 15 minutes, minus 18 minutes = new playing time of 1 hour 57 minutes). Therefore, the revised hours of play will be 1.40 to 3.37 and 3.47 to 5.44 pm.

9. Number of Overs per Bowler

- a) No bowler shall bowl more than **seven** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one fifth of the total overs allowed. Where the total number of overs is not divisible by five, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

10. Free Hit after a No Ball

A Free Hit after a No Ball is applied to all No Balls. Refer CHK, C Playing Condition 18 for outline on this rule

11. Fielder's Absence - Maximum Penalty Time

Under CHK, C Playing Conditions 22, a fielder's unserved Penalty time shall be limited to a maximum of 70 minutes.

12. Fielding Restrictions

- a) At the instant of delivery, there may not be more than five (5) fielders on the leg side.

- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines. The fielding restriction area should be marked with disks at five-yard (4.57-metre) intervals by the home side in each game.
- c) At the instant of delivery, there may not be more than five (5) fielders permitted outside this fielding restriction area. To clarify, if a side has less than 11 players on the field, they will still be allowed 5 fielders outside of the inner circle

13. The Result

- a) A result is achieved after both teams have completed their innings as above. The team scoring the higher number of runs shall win.
- b) Where there has been an interruption during play affecting either innings, or if it is not possible to complete the required number of overs in the second innings and the minimum 10 overs have been bowled, the result will be decided by the DLS method of determining the result.
- c) In the event of a Tie, points will be shared.

14. Points

Points for matches will be awarded as follows:

Win	2 points
Tie or No Result	1 points each
Loss	0 points

15A. Divisional Champions

After completion of the 11 matches the two teams with the most points shall play in a Final. The winner of this Final will be declared the champion of the division. Should two or more teams finish on the same points the following criteria shall apply in deciding which team qualifies for the Final:

- a) Net Run Rate (NRR)*, as calculated by the CHK, C App system and shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
- c) If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.
- d) If teams are still equal then the title will be shared.

15B. Promotion & Relegation

- a) After completion of all 11 matches, teams finishing in the bottom two places on the Division 1 ladder shall automatically be relegated to Division 2 for the following season.
- b) The top two teams from Division 2 (ie, the Finalists) shall be promoted to Division 1 for the following season.
- c) In the event that two or more teams score the same number of points, the same criteria as used to determine the ladder positions after the round-robin games shall be used to determine the final league places for the purposes of relegation.

16. Umpiring Duties

- a) All Saturday Championship teams are required to register at least one ACO or ICC Level 0 qualified umpire as part of their squad at the start of the season.

- b) The CHK, C ACO will appoint umpires for the Saturday Championship League finals
- c) Umpiring duties for the Saturday Championship League round robin stage matches will be allocated on a team basis. It is then the responsibility of the team to appoint two representatives to umpire in each allocated match and advise Cricket Hong Kong, China of the two umpire names at least 24 hours before the start of the match.
- d) It is not mandatory that the Level 0 umpire registered at the start of the season umpire on behalf of the team that registered them
- e) Failure of teams to provide umpires will result in a half point (0.5) penalty deduction per umpire per fixture.
- f) An umpire must arrive no later than 15 minutes before the scheduled start time, and should be dressed appropriately (ideally white shirt and black pants – shorts, vests, bright colours, flip flops / sandals and other such items are not allowed). Should an umpire fail to adhere to either of these then the penalty will be applied even if the umpire stands for some or all of the game.
- g) In the event of inclement weather, it shall be the responsibility of the two nominated umpires to liaise with the two captains and the ground authority involved in the fixture.
- h) In the absence of appointed umpires, the captain of the batting side is to nominate player-umpires during his side's innings. It is the responsibility of the captain to ensure that his nominees are familiar with the Laws of Cricket, CHK, C Playing Conditions and the Competition Rules. Both captain and player-umpire will be held responsible in any case of unfair conduct or negligence.
- i) No person under the age of 18 shall umpire in a Saturday Championship match unless appointed by the CHK, C ACO or as

agreed by both captains before the toss.

- j) When only one umpire is appointed for a Saturday Championship match, the umpire at his/her absolute discretion may stand at both ends during the match, following consultation with both captains. In such cases, the batting team captain shall nominate the square-leg umpire for the duration of the innings.
- k) Before the match, in the absence of umpires, captains shall agree on the clock or watch to be followed during the match.

Teams that have been excused from providing umpires in the competition are required to nominate at least four representatives to attend umpire training courses run by the CHK, C ACO.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

9. Fielder's Absence - Maximum Penalty Time

10. Restrictions on the Placement of Fielders

- a) At the instant of delivery there shall be no more than five fielders on the leg side.

- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. - c) Please see Playing Condition 28 regarding the overlap of the inner-circle and the boundary within the marked region at PKVR Reservoir Ground
- d) For the first six overs of each innings only **two** fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- e) During the remaining overs of each innings (i.e. overs 7 to 20) no more than **four** fielders shall be permitted outside the fielding restriction area at the instant of delivery. To clarify, if a side has less than 11 players on the field, they will still be allowed 4 fielders outside of the inner circle.
- f) In circumstances where the number of overs for the batting team is reduced, the number of fielding restriction overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that this table shall apply to both first and second innings.

Innings Duration	Number of Fielding Restriction Overs
5–8	2
9–11	3
12–14	4
15–18	5
19–20	6

- g) If an innings is interrupted during an over and if on the resumption

of play, due to the reduced number of overs for the batting team, the required number of fielding restriction overs have already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.

- h) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal 'No Ball'.

11. Delayed or Interrupted Matches

Refer to CHK, C Women's Premier League T20 Playing Condition 7

12. Over Rate Penalties

- a) All sides are expected to be in position to bowl the first ball of the last of their 20 overs within 1 hour 15 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK, C Management and face possible suspension (see CHK, C Playing Conditions Rule 17).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall

inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.

- d) Over-rate penalties apply only to innings of ten overs or more duration. In innings of less than ten overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- e) This is the only penalty for a slow over rate.

13. Tied Matches – Super Over

A Super Over is only to be played in Eliminators and Finals. See CHK, C Women's Premier League T20 Playing Condition 15

14. Runs Behind the Wicket at PKVR Reservoir Ground

See CHK, C Playing Condition 28.

15. Points

Points for matches will be awarded as follows:

Win	2 points
Loss	0 points
No Result	1 points each

16. Divisional Champions

The Division Champions shall be the teams that win that Division's Final. In case a result can not be reached in the Final, the higher ranked team will be declared Champions.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine which team proceeds to the eliminator/final:

- a) Net Run Rate (NRR)*, as calculated by the CHK, C App system and shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
- c) If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.
- d) If teams are still equal then the final league positions from 2023-24 shall be used to determine who proceeds, with the higher-ranked team proceeding to the next stage

If the Eliminator can not be completed, for any reason, then the higher placed team after the round robin stage (using the above if required) shall proceed to the final.

If the final can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Challenge League

These are the rules for CHK, C Challenge League. This competition will follow the same rules as the *CHK, C Premier League T20*, except for as specified as below. They should be read in conjunction with CHK, C *Playing Conditions* and CHK, C *Code of Conduct*.

1. Player Eligibility

- a) All players must be registered with CHK, C before playing their first Challenge League game. Playing an unregistered player will constitute playing an ineligible player.
- b) The following players are NOT eligible to play in CHK, C Challenge League:
 - i) Any player who has played any Sunday Elite or Premier League Game in the 2024-25 or 2025-26 seasons.
 - ii) Any player that is ineligible for Saturday League cricket shall also be ineligible for Challenge League cricket
 - iii) Any player that has played three or more games in the CHK, C Saturday Championship in either the 2024-25 or 2025-26 seasons.
 - iv) CHK, C Playing Condition 9 (Under-17s and Women representing multiple teams) will **not** apply. However, players under the age of 17 as of 1st September 2025 (apart from Premier League or National Team players) will be exempt from Rules i) and ii) above. They will be limited to representing just one team in the Challenge League for the entire season.
- c) It will be the responsibility of the respective captains to ensure that they do not field an ineligible player.

- d) Any breach of the above rules will automatically lead to the match being forfeited and awarded to the opposition with all points. There is no appeal on this matter.
- e) A player may not play for more than one team in the competition and no transfer of players is allowed during the season.
- f) A team can apply for an exemption for a player that has taken part in Saturday/Sunday/Premier League cricket in the 2024-25 season, but who has no intention of playing in these leagues in 2025-26. This has to be made in writing to the CHK, C management and is subject to CHK, C approval.
- g) If a player, having received the exemption outlined in f), plays in a Saturday/Sunday/Premier league game during the season, the result of every Challenge League game that he has taken part in until that point will be overturned to a forfeit loss for his team.

2. Competition Format

- a) The Challenge League will consist of three divisions of ten teams each. All matches will be T20 format.
- b) Teams will play each other once in a single stage round robin, for a total of 9 games each team.
- c) Teams will score points from each match
- d) The top two teams in each division after the round robin stage will compete in a Final to determine that division's champion
- e) The finalists of Division 3 and Division 2 will be promoted up, with the last placed teams in Division 2 and Division 1 being relegated down.
- f) The champion of Division 1 will be awarded the *Rahuman Farcy Trophy*.

3. Hours of Play and Intervals

- a) Start times for all matches will be determined by CHK, C, and all teams must adhere to the schedule.
- b) Games will last 170 minutes – 80 minutes per innings (4 minutes/over) with a 10-minute break between innings.
- c) No drinks intervals are permitted. An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.

4. Number of Players

- a) Any team that has assembled less than **six** players by twenty minutes after the scheduled start of play will, at the opposing captain's discretion, forfeit the match. The opposition team may insist to start the game at the scheduled time as soon as **six** players are present. Captains must agree the revised number of overs to complete the game as scheduled.
- b) Any team that has assembled six or more players will be entitled to contest the match. An opposing captain may, at his discretion, lend fielders to the outnumbered team, but has no obligation to do so. No batsman may bat twice.

5. Length of Innings

- a) In uninterrupted matches (i.e. matches which are neither delayed nor interrupted) each team shall bat for 20 overs unless all out earlier.
- b) A side shall not be permitted to declare its innings closed or forfeit its innings.

- c) If the side batting first is dismissed in less than 20 overs, the side batting second shall be entitled to bat for 20 overs
- d) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- e) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
 - i. Injury to players of either side.
 - ii. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
 - iii. Delays caused by the batting side, e.g. changes of equipment.

Note: In instances of inclement weather, Rule 6 shall apply, NOT the provisions for allowances.

- f) In the event of any time allowances being granted to the fielding team under e) due to time wasting by batting team, then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate
- g) If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.
- h) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.

- i) See Rule 19 for penalties for slow over rates.

6. Delayed or Interrupted Matches

- a) To constitute a match, both teams are to have the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, the umpire should ensure the match ends as per the scheduled finished time. The total number of overs in the match shall be reduced by two for every complete 8 minutes lost, being 4 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler shall also be reduced, see 7b. This calculation must not cause the match to finish earlier than the original cessation time.
- c) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- d) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CHK, C App.

7. Number of overs per Bowler

- a) No bowler shall bowl more than four overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced

for both teams or for the team bowling second:

- i. for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
- ii. for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs.

Illustration: *after 8 overs, rain interrupts play. Both opening bowlers have bowled 4 overs. The innings is now reduced to 12 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (3 as opposed to 2) and so any other bowlers are now limited to 2 overs.*

Should the overs be reduced to 7, then four bowlers may bowl 2 overs

- c) When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incomplete over.
- d) In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

8. Fielding Restrictions

- a) There may be no more than **five** fielders fielding at the boundary at any stage in the innings. Whether or not a fielder is considered to be on the boundary is at the Umpire's discretion. If an inner circle is prepared at the ground, there may be no more than five fielders outside of it.

- b) No more than eleven players may field at any one time. Substitutes are allowed only in the case of injury or in other acceptable circumstances at the umpires' discretion or, in his absence, the opposing captain. Teams must inform the umpires and the opposition captain before bringing on substitutes.

9. Match Balls

Only pink cricket balls approved by Cricket Hong Kong, China (CHK, C) are to be used. Each team is to provide a new CHK, C-approved ball for their fielding innings. If they are unable to do so, an older ball may be used.

10. Batsman Retirement

- a) A batsman must retire upon his score reaching 50 runs, but he may return to bat again once all the other batsmen in his team have batted. If more than one batsman retires, the batsmen must return to the crease in the same order that they retired.
- b) Batsmen are not allowed to 'Retire Out' – MCC Law 25.4.3 will not apply to the Challenge League.

11. Postponement of Matches

Refer to CHK, C Playing Conditions 12.

12. Ground, Weather and Light

Refer to CHK, C Playing Conditions 13.

13. Umpires

CHK, C will appoint one neutral, bowler's end umpire, where possible, for all games. The batting team captain must provide the striker's end umpire. The CHK, C appointed umpire can over-rule the square-leg umpire in any dispute. In the absence of a CHK, C appointed umpire, team captains are to provide both umpires for their batting innings.

14. Scoring

- a) It is mandatory to upload a full scorecard to CHK, C App by 9 AM on the second working day after the match.
- b) This responsibility is shared between the two teams playing, and failure to do so will lead to a **0.5-point penalty for both teams**.
- c) It is preferred, but not mandatory, that each game is live scored using the CHK, C App.

15. Tied Matches – Super Over

A super-over is only to be played during the finals. See CHK, C Premier League T20 Playing Condition 15.

16. Results & Points

17. League Champions

- a) The Champion of each Division shall be the team that wins that

division's Final.

- b) The two highest ranked teams after the league stage shall proceed to the final.
- c) If the number of points scored by two or more teams is the same, the following criteria shall be used to determine which team proceeds to the Final:
 - i) Net Run Rate (NRR)*, as calculated by the CHK, C App system and shown in the ladder, shall decide the higher placed team;
 - ii) If the NRR is equal then the team with the most wins in the competition finishes higher.
 - iii) If the number of wins is equal then the head-to-head result between the two teams will decide the higher placed team.
 - iv) If teams are still equal, then the final league positions from 2021-22 shall be used to determine who proceeds to the final.
- d) If the Final can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions.
- e) The Division 1 Champion will be awarded the *Rahuman Farcy Trophy*. The Division 2 and 3 Champions will also be awarded trophies.
- f) The Finalists of Division 3 and Division 2 will be promoted up, with the last placed teams in Division 2 and Division 1 being relegated down.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition. In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.*

18. Clothing & Uniforms

Either white or coloured clothing is acceptable, provided the colour Pink is not used, and that the entire team is wearing the same uniform. If teams do not have uniforms, then whites are recommended. Players wearing shorts or not wearing sport shoes will not be allowed to play. Umpires can remove them from the field.

Refer to Appendix 4: CHK, C Clothing Policy

19. Slow Over Rate

- a) If, without good cause, the side bowling first fails to complete 20 overs within 80 minutes, then the innings shall be extended until 20 overs are completed, and the second innings will be restricted to the number of overs completed at the 80 minute point in the first innings. There will be no adjustment made to the target in the second innings. The over in progress at the scheduled time shall count as a completed over.
- b) If the team fielding second fails to bowl the required number of overs, without good cause, in 80 minutes, and the game has to conclude due to lack of time, then the result will be decided by DLS as per the CHK, C App.
- c) Only the umpire or in his absence the batting captain can interpret Good Cause.
- d) Teams that repeatedly have a slow over-rate may be liable to further penalties from the CHK, C Management.

20. Bowling from One End

- a) Unless otherwise specified, teams must bowl from only one end at all venues.
- b) Both teams must bowl from the same end for the duration of

the game.

- c) At venues where bowling from both ends is possible, then unless otherwise specified by the ground manager, the two captains should agree on which end to bowl from before the toss and should inform the umpire accordingly.
- d) Teams can opt to swap ends during an innings either at 5 over intervals or at the 10 over mark, provided the venue is fit to bowl at both ends on and both captains agree on an arrangement before the toss takes place. The appointed umpire must be informed of such an arrangement at the toss.

- e) If the side batting first is dismissed in less than 20 overs, the side batting second shall be entitled to bat for 20 overs.

 - i. Injury to players of either side.
 - ii. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.

Note: In instances of inclement weather, Rule 6 shall apply, NOT the provisions for allowances.

batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.

- k) See CHK, C Playing Condition 17 for penalties for Slow Over Rate.

7. Delayed or Interrupted Matches

- a) To constitute a match, both teams are to have the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, the umpire should ensure the match ends as per the scheduled finished time. The total number of overs in the match shall be reduced by two for every complete 8 minutes lost, being 4 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler shall also be reduced, see bb. This calculation must not cause the match to finish earlier than the original cessation time.
- c) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- d) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CHK, C App.

8. Number of overs per Bowler

- a) No bowler shall bowl more than four overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second:
 - i. for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
 - ii. for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs.

Illustration: *after 8 overs, rain interrupts play. Both opening bowlers have bowled 4 overs. The innings is now reduced to 12 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (3 as opposed to 2) and so any other bowlers are now limited to 2 overs.*

Should the overs be reduced to 7, then four bowlers may bowl 2 overs

- c) When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incomplete over.
- d) In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end

- c) For the first six overs of each innings no more than **two** fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- d) During the remaining overs of each innings (i.e. overs 7 to 20) no more than **five** fielders shall be permitted outside the fielding restriction area at the instant of delivery.
- e) In circumstances where the number of overs for the batting team is reduced, the number of fielding restriction overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both first and second innings.

Innings Duration	Number of Fielding Restriction Overs
5–8	2
9–11	3
12–14	4
15–18	5
19–20	6

- f) If an innings is interrupted during an over and if on the resumption of play, due to the reduced number of overs of the batting team, the required number of fielding restriction overs has already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.
- g) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball and a free hit will be called

10. Fielder's Absence - Maximum Penalty Time

Under CHK, C Playing Condition 23, a fielder's unserved Penalty time shall be limited to a maximum of 40 minutes.

If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK, C Management and face possible suspension (see CHK, C Playing Conditions Rule 17).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.

- d) Over-rate penalties apply only to innings of ten overs or more duration. In innings of less than ten overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- e) This is the only penalty for a slow over rate.

12. Tied Matches – Super Over

A Super Over is only to be played in the Final match. See CHK, C Premier League T20 Playing Condition 15.

- a) Net Run Rate (NRR)*, as calculated by the CHK, C App system and shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
- c) If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.

If the eliminator/semi-finals can not be completed, for any reason, then the higher placed team after the round robin stage (using the above if required) shall proceed to the final.

If the Final can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions.

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Games will last 170 minutes – 80 minutes per innings (4 minutes/over) with a 10-minute break between innings.

No drinks intervals are permitted. An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.

4. Toss and Team Nomination

- a) Team lists must be provided to the umpires prior to the toss being conducted. The ages of all players must be stated.
- b) The CHK, C team nomination form template is not mandatory.

5. The Ball

A CHK, C approved Kookaburra Silver Senator pink leather four-piece 156g cricket ball shall be used. One new ball shall be used at the start of each innings and the fielding team should provide sufficient spares.

6. Length of Innings

- a) In uninterrupted matches (i.e. matches which are neither delayed nor interrupted) each team shall bat for 20 overs unless all out earlier.
- b) A side shall not be permitted to declare its innings closed or forfeit its innings.
- c) If either fielding side fails to bowl the required number of overs by the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress at the scheduled time shall count as a completed over for over rate calculations. Rule 13 (Over Rate Penalties) shall apply.
- d) After the first innings the interval shall not be extended, and the next innings shall commence at the scheduled time.
- e) If the side batting first is dismissed in less than 20 overs, the side batting second shall be entitled to bat for 20 overs

- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
 - i. Injury to players of either side.
 - ii. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
 - iii. Delays caused by the batting side, e.g. changes of equipment.

Note: In instances of inclement weather, Rule 6 shall apply, NOT the provisions for allowances.

- j) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.
- k) See CHK, C Playing Condition 17 for penalties for Slow Over Rate.

7. Delayed or Interrupted Matches

- a) To constitute a match, both teams are to have the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, the umpire should ensure the match ends as per the scheduled finished time. The total number of overs in the match shall be reduced by two for every complete 8 minutes lost, being 4 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per

bowler shall also be reduced, see bb. This calculation must not cause the match to finish earlier than the original cessation time.

- c) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- d) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CHK, C App.

8. Number of overs per Bowler

- a) No bowler shall bowl more than four overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second:
 - i. for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
 - ii. for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs.

Illustration: *after 8 overs, rain interrupts play. Both opening bowlers have bowled 4 overs. The innings is now reduced to 12 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (3 as opposed to 2) and so any other*

bowlers are now limited to 2 overs.

Should the overs be reduced to 7, then four bowlers may bowl 2 overs

- c) When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incomplete over.
- d) In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

9. Fielding Restrictions

- a) At the instant of delivery there shall be no more than five fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field.
- c) For the first six overs of each innings no more than **two** fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- d) During the remaining overs of each innings (i.e. overs 7 to 20) no more than **five** fielders shall be permitted outside the fielding restriction area at the instant of delivery.
- e) In circumstances where the number of overs for the batting team is reduced, the number of fielding restriction overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both first and second innings.

Innings Duration	Number of Fielding Restriction Overs
5–8	2
9–11	3
12–14	4
15–18	5
19–20	6

- f) If an innings is interrupted during an over and if on the resumption of play, due to the reduced number of overs of the batting team, the required number of fielding restriction overs has already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.
- g) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball and a free hit will be called

10. Fielder Absence – Max Penalty Time

Under CHK, C Playing Condition 23, a fielder's unserved Penalty time shall be limited to a maximum of 40 minutes.

- c) If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.

If the eliminator or semi-finals can not be completed, then the higher placed team after the round robin stage (using the above if required) shall proceed to the Final.

In the Premier Division, if the finals can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions

****Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Note: In instances of inclement weather, CHK, C Playing Conditions Rule 8 shall apply, NOT the provisions of Good Cause.

- h) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time. All occurrences of late commencement must be reported to the CHK, C Domestic Cricket

Manager for further action.

- i) See Rule 13 and CHK, C Playing Condition Rule 17 for penalties for slow over rates.

Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra by 15 minutes

- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 7.5 minutes lost, being 3.75 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see **9b and 12f**. This calculation must not cause the match to finish earlier than the original cessation time.

- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CHK, C App.

9. Number of Overs per Bowler

- a) No bowler shall bowl more than **seven** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by five, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
