# Preamble – The Spirit of Cricket

## Laws of Cricket (2017 Code)

*Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within **the Spirit of Cricket**.*

*The major **responsibility for ensuring fair play rests with the captains**, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.*

***Respect is central to the Spirit of Cricket.** Respect your captain, team-mates, opponents and the authority of the umpires. Play hard and play fair. Accept the umpire's decision.*

***Create a positive atmosphere by your own conduct** and encourage others to do likewise. Show **self-discipline**, even when things go against you. Congratulate the opposition on their successes and enjoy those of your own team. Thank the officials and your opposition at the end of the match, whatever the result.*

*Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within **the Spirit of Cricket**.*

# Code of Behaviour

## for Players and Player Support Personnel

### INTRODUCTION/PREAMBLE

Cricket Hong Kong (hereafter referred to as **CHK**) is the sole national sports association responsible for the governance of the sport of cricket in Hong Kong and the Code of Behaviour for *Players, Player Support Personnel* (the **Code of Behaviour**), Member Clubs and Match Officials is adopted and implemented as part of *CHK's* ongoing efforts to maintain the public image, popularity and integrity of cricket by providing:

- a) an effective means to deter any participant from conducting themselves improperly on and off the 'field-of-play' or in a manner that is contrary to the 'spirit of cricket'; and
- b) a robust disciplinary procedure pursuant to which all matters of improper conduct can be dealt with fairly, with certainty and in an expeditious manner.

The CHK has adopted a zero tolerance towards corruption and indiscipline in the game.

The Code of Behaviour shall apply to all forms of cricket under the auspices of the CHK in respect of the following disciplinary matters:

- 1.** Any allegation of corruption (as defined in Article 2 of the ICC Anti-Corruption Code for Players and Player Support Personnel or as provided in Appendix 1 of the ICC Code of Conduct for Umpires) in connection with any form or level of cricket under the authority of *CHK*;

- 2.** Alleged breaches of the Code of Conduct (in Article 2) which occur on or off the field in connection with any of the following fixtures or competitions:
- a) International fixtures, either official or unofficial, involving any Hong Kong team;
  - b) Any fixtures or competitions organised by *CHK*;
  - c) Any other fixture or competition in which it is agreed by the parties thereto that any disciplinary matters relating thereto shall be the responsibility of *CHK*,

except where the matter (be it an alleged breach of the Code of Behaviour or of corruption) occurs under the authority of another body whose authority *CHK* has acknowledged shall apply to such matters.

Matters relating to anti-doping or employment contracts are not governed by the Code of Behaviour. Unless otherwise indicated, references to Articles and Appendices are to articles and appendices of the *Code of Behaviour*.

Throughout the Code of Behaviour:

- a) words importing the masculine gender include the feminine;
- b) unless the contrary intention appears, words in the singular include the plural and words in the plural include the singular.

Words in italicised text in the Code of Behaviour are defined terms and their definitions are set out in Appendix 1.

# **ARTICLE 1        SCOPE AND APPLICATION**

## **A. Players and Players Support Personnel**

- 1.1      This Code of Behaviour for Players and Player's Support Personnel repeals and supersedes all previous codes of conduct applicable to Players and Player Support Personnel.
- 1.2      All Players and Player Support Personnel are automatically bound by and required to comply with all of the provisions of the Code. Accordingly, by their participation, assistance or involvement in any way in the sport of cricket in Hong Kong, such Players or Player Support Personnel shall be deemed to have agreed:
  - 1.2.1    that it is their personal responsibility to familiarise themselves with all of the requirements of the Code, including what behaviour constitutes an offence under the Code;
  - 1.2.2    to submit to the exclusive jurisdiction of any Team Manager, Match Referee, Code of Behaviour Committee or Appeal Commissioner (as the case may be) convened under the Code to hear and determine charges brought (and any appeals in relation thereto) pursuant to the Code; and
  - 1.2.3    not to bring any proceedings in any court or other forum that are inconsistent with the foregoing submission to the jurisdiction of the Team Manager, Match Referee, Code Committee or Appeal Panel.
- 1.3      All Players and Player Support Personnel shall continue to be bound by and required to comply with the Code until he/she has not participated (in the case of a Player), or assisted a Player's participation (in the case of a Player Support Personnel) in a Match for a period of three (3) months and

CHK shall continue to have jurisdiction over him/her under the Code thereafter in respect of matters taking place prior to that point.

- 1.4 Without prejudice to Article 1.1 and 1.2, CHK and its member clubs shall be responsible for promoting Code awareness and education amongst all Players and Player Support Personnel.
- 1.5 It is acknowledged that Players and Player Support Personnel may also be subject to other rules of other National Cricket Administrations that govern discipline and/or behaviour, and that the same behaviour of such Players and/or Player Support Personnel may engage not only the Code but also such other rules that may apply. For the avoidance of any doubt, Players and Player Support Personnel acknowledge and agree that:
  - (a) the Code is not intended to limit the responsibilities of any Player or Player Support Personnel under such other rules and will not in any way restrict the imposition of penalties for breach of those rules; and
  - (b) nothing in such other rules shall be capable of removing, superseding or amending in any way the jurisdiction of the Team Manager, Match Referee, Code of Behaviour Committee or Appeal Panel to determine matters properly arising pursuant to the Code.

## **B. Code of Ethics and Good Practice for Youth Cricketers**

- 1.6 Alleged breaches of the Codes of Conduct for Managers, Coaches, Selectors, Parents or Guardians, or Players set out in the Code of Ethics and Good Practice for Youth Cricketers

## **C. Code of Behaviour for Member Clubs**

- 1.7 Alleged breaches of the Codes of Behaviour for Member Clubs are set out in Article 2.8 hereof.

## **ARTICLE 2 CODE OF BEHAVIOUR OFFENCES**

### **A. Code of Behaviour Offences Committed by Players and Player Support Personnel**

The behaviour described in Articles 2.1 – 2.4, if committed by a *Player* or *Player Support Personnel* shall amount to an offence by such *Player* or *Player Support Personnel* under the Code.

**COMMENT:** *For each particular offence, guidance notes have been provided in text boxes beneath the description of that offence. Such notes are illustrative guides only to provide guidance as to the nature and examples of certain conduct that is prohibited by a particular Article and should not be read as an exhaustive or limiting list of conduct prohibited by such Article. In the case of any doubt as to the interpretation of an offence, the provisions of the offence itself shall take precedence over any guidance notes.*

### **2.1 Level 1 Offences:**

The penalty for a Level 1 offence shall be a written reprimand and/or a one-match suspension.

- 2.1.1 Breach of the ICC's or CHK's Clothing and Equipment Regulations during any Match, save for breaches relating to a

‘Commercial Logo’ or a ‘Player’s Bat Logo’ as those terms are defined therein.

**NOTE:** *One of the core objectives of CHK’s Clothing and Equipment regulations is to ensure appropriate and professional standards of appearance on the field of play and to prevent those practices that undermine that objective (for example the cover up/alteration of clothing and equipment with sticking plaster or marker pens, the wearing of mismatched undergarments, the wearing of batting pads painted with paint that subsequently fades or falls off and/or the use of prohibited logos).*

*For the avoidance of any doubt, there shall be no requirement that the Umpire must first provide a warning to the offending person to rectify any transgression referred to above before a breach of this Article can be established.*

- 2.1.2 Abuse of cricket equipment or clothing, ground equipment or fixtures and fittings during a Match.

**NOTE:** *Article 2.1.2 includes any action(s) outside the course of normal cricket actions, such as hitting or kicking the wickets and any action(s) that intentionally or negligently results in damage to the advertising boards, boundary fences, dressing room doors, mirrors, windows and other fixtures and fittings.*

- 2.1.3 Showing dissent at an Umpire’s decision during a Match.

**NOTE:** *Article 2.1.3 includes:*

  - (h) arguing or entering into a prolonged discussion with the Umpire about his or her decision.*
- It shall not be a defence to any charge brought under this Article to show that the Umpire might have, or in fact did, get any decision wrong.*

**2.1.4** Using language or a gesture that is obscene, offensive or insulting during a Match.

**NOTE:** Article 2.1.4 includes:

- (a) audible or repetitious swearing; and*
- (b) obscene gestures which are not directed at another person, such as swearing in frustration at one's own poor play or fortune.*

*In addition, this offence is not intended to penalise trivial behaviour.*

*When assessing the seriousness of the breach, the Umpire shall be required to take into account the context of the particular situation and whether the words or gesture are likely to:*

- (a) be regarded as obscene;*
- (b) give offence; or*
- (c) insult another person.*

2.1.5 Excessive appealing during a Match.

**NOTE:** For the purposes of Article 2.1.5, 'excessive' shall include:

- (a) repeated appealing of the same decision/appeal;*
- (b) repeated appealing of different decisions/appeals when the bowler/fielder knows the batter is not out with the intention of placing the Umpire under pressure; or*
- (c) celebrating or assuming a dismissal before the decision has been given.*

*It is not intended to prevent loud or enthusiastic appealing.*

2.1.6 Pointing or gesturing towards the pavilion by a bowler or other member of the fielding side upon the dismissal of a batsman during a Match.

2.1.7 Public criticism of, or inappropriate comment in relation to an incident occurring in a Match or any Player, Player Support Personnel, Match official or team participating in a Match, irrespective of when such criticism or inappropriate comment is made.

**NOTE:** Without limitation, Players and Player Support Personnel will breach Article 2.1.7 if they publicly criticise the Match officials or denigrate a Player or team against which they have played in relation to incidents which occurred in any Match. When assessing the seriousness of the breach, the context within which

*the comments have been made and the gravity of the offending comments must be taken into account.*

2.1.8 Conduct that is contrary to the spirit of the game

**NOTE:** Article 2.1.8 is intended to cover all types of conduct of a minor nature that is contrary to the spirit of the game and which is not specifically and adequately covered by the specific offences set out elsewhere in this Code. The spirit of the game is defined by reference to the Preamble to the Laws of Cricket and involves respect for (a) your opponents, (b) your captain and team, (c) the role of the umpires and (d) the game and its traditional values.

By way of example, Article 2.1.8 may (depending upon the seriousness and context of the breach) prohibit, without limitation, the following: (a) the use of an illegal bat or illegal wicket-keeping gloves; (b) cheating during an International or Domestic Match, including deliberate attempts to mislead the Umpire; and (c) failure to comply with the provisions of various match playing conditions.

**NOTE:** Article 2.1.9 is intended to cover all types of conduct of a minor nature that bring the game into disrepute and which is not specifically and adequately covered by the specific offences set out elsewhere in this Code, including Article 2.1.8.

By way of example, Article 2.1.9 may (depending upon the seriousness and context of the breach) prohibit, without limitation, the following: (a) public acts of

*misconduct; (b) unruly public behaviour; and (c) inappropriate comments which are detrimental to the interests of the game.*

## **2.2 Level 2 Offences:**

The penalty for a Level 2 offence is a two- or three-match suspension

- 2.2.1 Showing serious dissent at an Umpire's decision during a Match.

**NOTE:** *Dissent, including the examples given in Article 2.1.3 above, will be classified as 'serious' when the conduct contains an element of anger or abuse that is directed at the Umpire or the Umpire's decision or where there is excessive delay in resuming play or leaving the wicket or where there is persistent reference to the incident over time.*

*It shall not be a defence to any charge brought under this Article to show that the Umpire might have, or in fact did, get any decision wrong.*

- 2.2.2 Breach of CHK's Clothing and Equipment Regulations during a Match relating to a 'Commercial Logo' or a 'Player's Bat Logo' as those terms are defined.

**NOTE:** *Article 2.2.2 only relates to breaches of the regulations regarding 'Commercial Logos' and 'Player's Bat Logos'.*

*For the avoidance of any doubt, there shall be no requirement that the Umpire must first provide a warning to the offending person to remove or cover up*

*a prohibited logo before a breach of this Article can be established.*

- 2.2.3 Public or media comment that is detrimental to the interests of cricket, irrespective of when or where such comment is made.

**NOTE:** *Without limitation, Players and Player Support Personnel will be deemed to have made comment detrimental to the interests of cricket in breach of Article 2.2.3 if they:*

*Publicly denigrate or criticise a Player or Player Support Personnel, or a team against which they have played, whether or not in relation to incidents which occurred in a Match, or against which they are likely to play;*

*Criticise the outcome of a hearing of a Report or an appeal under this Code; or*

*Criticise any evidence, submission or other comment made by any person at the hearing of a Report or any appeal under this Code.*

*When assessing the seriousness of the breach, the context within which the comments have been made and the gravity of the offending comments must be taken into account.*

- 2.2.4 Inappropriate and deliberate physical contact with Players or with Player Support Personnel, either in the course of play during a Match or during the periods before or after play at the relevant venue.

**NOTE:** *Without limitation, Players will breach this regulation if they deliberately walk or run into or shoulder charge another Player. Contact that occurs off the field of play but in the precinct of the venue at which the Match is played shall be deemed on-field contact for the purpose of Article 2.2.4.*

- 2.2.5 Charging or advancing towards the Umpire in an aggressive manner when appealing during a Match.
- 2.2.6 Deliberate and malicious distraction or obstruction of a Player or Player Support Personnel on the field of play during a Match.

**NOTE:** *This regulation includes Players deliberately attempting to distract a striker by words or gestures or deliberately shepherding a batsman while running or attempting to run between the wickets. This regulation operates in addition to the powers vested in the umpires under Law 42 and in particular Laws 42.4 and 42.5 of the Laws of Cricket.*

- 2.2.7 Throwing a ball (or any other item of cricket equipment such as a water bottle) at or near a Player or Player Support

Rather than seeking to eliminate these exchanges entirely, Umpires will be required to report such conduct that falls below an acceptable standard. This offence is not intended to penalise trivial behaviour. When assessing the seriousness of the breach, the Umpire shall be required to take into account the context of the particular situation and whether the words or gesture are likely to: (a) be regarded as seriously obscene; or (b) give serious offence; or (c) seriously insult another person.*

- 2.2.9 Changing the condition of the ball in breach of Law 42.3 of the Laws of Cricket, as modified by CHK's domestic match playing conditions.

**NOTE:** *This offence supplements and does not replace any of CHK's domestic match playing conditions. Any action(s) likely to alter the condition of the ball which were not specifically permitted under Law 42.3(a) may be regarded as 'unfair'. The following actions shall*

*not be permitted (this list of actions is not exhaustive but included for illustrative purposes): (a) deliberately throwing the ball into the ground for the purpose of roughening it up; (b) applying any artificial substance to the ball; and applying any non-artificial substance for any purpose other than to polish the ball; (c) lifting or otherwise interfering with any of the seams of the ball; (d) scratching the surface of the ball with finger or thumb nails or any implement.*

*The Umpires shall use their judgment to apply the principle that actions taken to maintain or enhance the condition of the ball, provided no artificial substances are used, shall be permitted. Any actions taken with the purpose of damaging the condition of the ball or accelerating the deterioration of the condition of the ball shall not be permitted.*

- 2.2.10 Any attempt to manipulate a Match for inappropriate strategic or tactical reasons.

**NOTE:** *Article 2.2.10 is intended to prevent the manipulation of Matches for inappropriate strategic or tactical reasons e.g. prohibit incidents where a team bats in such a way as to either adversely affect its own, or improve its opponent's, bonus points, net run rate or quotient. The Team Captain of any team guilty of such conduct shall be held responsible (and subject to sanction) for any offence found to have been committed under this Article.*

*Article 2.2.10 is not intended to cover any corrupt or fraudulent acts (including any use of inside information and/or related betting activity). Such conduct is*

*prohibited under the CHK Anti-Corruption Code and must be dealt with according to the procedures set out therein.*

- 2.2.11 Dangerous and unfair bowling in breach of Law 42.6, 42.7 or 42.8 of the Laws of Cricket, as modified by any CHK playing conditions.

**NOTE:** Article 2.2.11 is intended to cover any breach of Law 42.8, or any dangerous and unfair bowling in breach of Law 42.6 or 42.7 which the umpires determine should be reported under this Code due to the seriousness of the breach. It supplements rather than replaces any existing CHK playing conditions.

- 2.2.12 Causing avoidable damage to the pitch during any match in breach of Law 42.13 or 42.14 (as applicable) of the Laws of Cricket.

**NOTE:** Article 2.2.12 is intended to cover deliberate action by a Player to cause damage to the pitch, including, without limitation, action which is intended to give the Player's team an unfair advantage in the Match.

game; (b) is unbecoming of a representative or official; (c) is or could be harmful to the interests of cricket; or (d) does or could bring the game of cricket into disrepute.

- 2.6 If the complaint involves suspected abuse or a criminal offence, the Chief Executive Officer (or his nominee) shall be consulted and, if he so determines, the matter shall be reported to the statutory authorities and removed from the jurisdiction of the *Code Committee* pending the outcome of any investigation and ensuing action by them. The Chief Executive Officer (or his nominee) may, if he sees fit, suspend the person against whom the complaint has been made from involvement in cricket pending the outcome of this process.
- 2.7 The penalty for an offence under the *Code of Ethics and Good Practice for Youth Cricket* shall be one or more of the following:

At least one other member of the Committee shall be a qualified solicitor, barrister or judge (or legally trained with relevant legal experience). No member of the Committee shall be a

current member of the CHK Board of Directors, Executive Committee, League and Cup Management Committee or a current committee member of The Association of Cricket Umpires and Scorers (Hong Kong, China).

- 3.2** A Secretary to the Committee (“the Secretary”) shall be appointed by CHK (usually the Manager-Cricket Operations) to deal with administrative matters under these regulations.
- 3.3** Members of the Committee shall also act, where required, as an Appeal Commissioner provided they have had no involvement in the matter being appealed. An Appeal Commissioner shall be a qualified solicitor or barrister or judge.

## **ARTICLE 4        REPORTING AN ALLEGED OFFENCE UNDER THE *CODE OF BEHAVIOUR***

**NOTE:** *Where the alleged offence took place on the field of play or elsewhere within the sight and hearing of the Umpires or Match Referee, only the Umpires or Match Referee should make the complaint. Where the alleged offence was not so witnessed by the Umpires or Match Referee, the complaint may be made by any of the persons referred to in Articles 4.1.2 to 4.1.4.*

- 4.1.5 The statement setting out the Complaint shall be in writing, on the prescribed form [CB1] and must be sent to the Secretary no later than 2 (two) working days after the end of the match at which the alleged offence occurred. It may be sent by letter, fax or email.
- 4.1.6 Where a Complaint refers to an incident or occurrence not directly related to a match, coaching session or tournament, such Complaint shall be submitted to the Secretary on the prescribed form [CB1] within 5 (five) normal days of the complainant becoming aware of the alleged offence. It may be sent by letter, fax or email.

- 5.2** The Complaint statement, setting out the alleged offence, shall be in writing, on the prescribed form **[CB2]** and must be sent to the Secretary no later than 5 (five) working days after the end of the match, coaching session or tournament at which at which the alleged offence occurred. It may be sent by letter, fax or email.

## **ARTICLE 6 THE DISCIPLINARY PROCEDURE**

### **Level 1 and Level 2 Offences only:**

- 6.1** Where the Complaint relates only to a Level 1 Offence or Level 2 Offence by a player or support personnel ("the Respondent"), a member of the Committee shall be appointed by the Secretary to deal with the matter on the basis of the documentation as follows, without a hearing:
- 6.1.1** He shall provide a copy of the Complaint to the Respondent and invite, within 3 (three) business days of receipt of the Complaint, either: (i) a plea of guilty to the offence contained in the Complaint together with consent to the imposition of a

stated penalty, or (ii) a written submission from him/her including any evidence upon which the respondent wishes to rely should they wish to contest either Complaint and/or the stated penalty.

- 6.1.2 Where a plea of guilty together with consent to the stated penalty is forthcoming, the matter will be fully disposed of on that basis and no appeal in this regard will be permitted.
- 6.1.3 Upon valid receipt the Respondent's written submission, or if none is forthcoming within the stated period, the appointed member of the Committee shall reach a decision on the Complaint and advise the Secretary. The Secretary shall, thereafter, inform the Respondent in writing by letter, email or fax of the decision and of any penalty and forward a copy to the CHK Director of Cricket, the Chairman of the Respondent's club and the Chairman of the League and Cup Management Committee.
- 6.1.4 In deciding any relevant penalty above (Articles 6.1.1 and 6.1.3), the appointed member of the Committee shall have regard to the prior disciplinary record of the Respondent as well as any other factors that they, at their sole discretion, deem relevant.
- 6.1.6 Decisions in relation to a first Level 1 Offence shall be non-appealable and shall remain the full and final decision in relation to the matter.
- 6.1.7 The appointed member of the Committee may, at their sole discretion and prior to notification of the Complaint to the Respondent, elevate the Complaint from a Level 1 Offence to a Level 2 Offence (or Level 2 Offence to Level 3 Offence, as the case may be) if, in their opinion, the circumstances warrant this. In the event of a Level 2 Offence being elevated

to a Level 3 Offence, the Complaint shall be dealt with under Article 6.2

- 6.1.8 Furthermore, and for the avoidance of doubt, although a Complaint may categorise an offence as a particular category of offence, the appointed member of the Committee shall not be bound by that categorisation and may decide that, on the evidence, another category of offence, and therefore penalty, is appropriate.
- 6.1.9 The standard of proof shall be whether the appointed member of the Committee is reasonably satisfied that the alleged offence has been committed. This standard of proof shall be determined on a sliding scale from a mere balance of probability (for the least serious offences) up to a high probability (for the most serious offences).

## **All Other Offences:**

- 6.2 The following shall apply to all offences other than Level 1 and Level 2 Offences by a Respondent which are dealt with under Article 6.1:
  - 6.2.1 A specific panel (“the Panel”) comprised of a chairman and two other members (all of whom shall be members of the Committee) shall be appointed by the Secretary after consultation with either the Chairman or Vice-Chairman of the Committee to adjudicate on the Complaint (or Complaints) on behalf of the Committee. At least one member of any Panel shall be a qualified solicitor, barrister, judge or legally trained with relevant legal experience.
  - 6.2.2 Each member of the Panel shall have one vote. In the event of an equality of votes for any reason, the Chairman of the Panel shall have a casting vote.

- 6.2.3 In appointing the Panel, the Secretary and the Chairman or Vice-Chairman of the Committee shall, insofar as is practical, endeavour to ensure that no person is appointed who may have a conflict of interest in relation to the Complaint or the Respondent.
- 6.2.4 The Panel shall have all powers necessary for, and incidental to, the exercise of its functions and, subject to these regulations, it shall have the power to regulate its procedures.
- 6.2.5 The hearing shall be held as soon as reasonably practical and shall be confidential and held in private, unless the Panel decides otherwise.
- 6.2.6 Unless exceptional circumstances apply, each of the following individuals must attend any hearing before the Panel:
- (a) the *Respondent* who has been charged with the alleged offence or in the case of a Club a duly authorised officer of the club; and
  - (b) the person who lodged the Report.
- Where any such individual has a compelling justification for his/her non-attendance, then they shall be given the opportunity to participate in the hearing before the Panel by telephone or video-conference.
- 6.2.7 The Panel may postpone or adjourn a hearing if appropriate, including to take any legal advice that it considers necessary, or if it considers it necessary to call evidence that was not available at the initial hearing.
- 6.2.8 The Respondent, or in the case of a club the duly authorised officer of the club, shall be invited by the Secretary to attend

the hearing. He shall be sent a copy of the Complaint and notified in writing of:

- (a) The place and time of the hearing;
- (b) His/her entitlement to be accompanied to the hearing, at his/her own cost, by a supporter. The supporter may be a work colleague, fellow player or club member, family member or friend (he/she is not entitled to be legally represented);
- (c) Where applicable, the absolute requirement that any Respondent aged under 18 shall be accompanied at the hearing by a responsible adult (preferably his parent or guardian);
- (d) His/her entitlement to call witnesses to give evidence at the hearing.
- (e) The intended penalty should the Respondent plead guilty to the offence contained in the Complaint.

Where the Defendant is less than 18 years of age, the notification shall be sent to his parent or guardian.

The non-attendance of the Respondent, in the case of a Club the authorised officer and/or his/her supporter at the hearing, after proper notice of the hearing has been provided, shall not prevent the Panel from proceeding with the hearing in his/her absence, whether or not any written submissions are made on his/her behalf.

- 6.2.9 For all offences (other than Level 1 and Level 2 Offences dealt with under Article 6.1), a Respondent may admit to the offence in writing to the Secretary within 3 (three) normal days of receipt of the notice of hearing and submit, in writing, any statement he wishes to make as regards the appropriate

penalty. In such circumstances, the Panel shall decide the penalty without the need for a hearing.

- 6.2.10 The Panel may, at the request of the Respondent or on its own initiative, require the Respondent and/or the person making the Complaint to supply it, within such time as it determines, with further particulars of the incident(s) giving rise to the Complaint, including details of all witnesses whom the Respondent intends to call at any hearing together with details of the evidence to be given by those witnesses, and the Respondent and/or the person making the Complaint shall comply with that direction.
- 6.2.11 Any failure by a Respondent to comply with any requirement or direction of the Panel, including those requirements or directions to be complied with within a time period, shall not prevent the Panel from proceeding and such failure may be taken into consideration by the Panel when making its decision.
- 6.2.12 The Respondent's supporter may advise the Respondent during the hearing, may question witnesses and make representations on the defendant's behalf, and may seek procedural guidance from the Panel. He/she shall not answer questions on the Respondent's behalf.
- 6.2.13 A record shall be taken of all hearings by the Secretary or, in his/her absence, by another person appointed by the Panel.

## **The Decision and Penalty of the *Panel***

- 6.3 For the avoidance of doubt, although a Complaint may categorise an offence as a particular category of offence, the Panel shall not be bound by that categorisation and may

decide that another category of offence, and therefore penalty, is appropriate.

- 6.4 The standard of proof shall be whether the Panel is reasonably satisfied, bearing in mind the seriousness of the allegation that is made, that the alleged offence has been committed. This standard of proof shall be determined on a sliding scale from a mere balance of probability (for the least serious offences) up to a high probability (for the most serious offences).
- 6.5 After hearing the evidence the Panel shall, where appropriate, retire to consider its decision and the Chairman of the Panel shall then give the decision orally to the Respondent.
- 6.6 If that decision is that the Respondent is guilty of an offence, the Chairman of the Panel shall explain the range of penalties that the Panel can impose.
- 6.6 The Respondent shall be given the opportunity to make a submission or statement on the appropriate penalty.
- 6.7 If deemed appropriate, the Panel may hear the Respondent's submissions on penalty prior to having reached its decision on the Complaint, where it would be unreasonable or impractical to hear the submission after reaching its decision on the Complaint.
- 6.8 In deciding the penalty, the Panel shall have regard to any prior disciplinary record of the Respondent.

<p><i>NOTE: For the avoidance of doubt, if a prior offence in relation to which the Respondent had been found guilty occurred within 12 months of the offence being considered by the Panel the offence being considered shall</i></p>
--

*only be considered a second (or subsequent offence, as the case may be) if the prior offence was in relation to same Article of the Code of Behaviour (and any predecessor regulations that may have applied).*

Once the *Panel* has established whether this is a repeat offence within the relevant 12-month period, then they shall go on to take into account any other factors that they deem relevant and appropriate to the mitigation or aggravation of the nature of the *Code of Behaviour* offence before determining the appropriate sanction(s). Those factors may include:

- i. The seriousness of the breach;
- ii. The harm caused by the breach to the interests of cricket;
- iii. The *Respondent's* seniority and standing in the game;
- iv. Any remorse shown by the *Respondent* and the prospect of further breaches;
- v. The prior record of the *Respondent* in abiding by the Code (or any predecessor regulations that may have applied), the ICC Code of Conduct and any similar code of behaviour; and
- vi. The impact of the penalty on the *Respondent*.

6.9 The Chairman of the Panel shall, where reasonably practical, give the decision regarding the appropriate penalty orally at the hearing. It shall be effective immediately upon oral communication to the Respondent.

The oral decision shall be confirmed in writing to the Respondent (in the case of a Respondent aged under 18, his parent or guardian) within (3) three working days by letter,

email or fax, and a copy forwarded to the Secretary of the CBC, the Chairman of the Respondent's club and, where applicable, the Chairman of the League and Cup Management Committee.

- 6.10 The Committee has an absolute discretion to waive compliance with any procedural requirement of this Code provided that no party will suffer any undue prejudice through such exercise of discretion.

## **ARTICLE 7 APPEALS**

- 7.1 A Respondent may appeal from the decision of the Committee as to the finding of guilty, the penalty imposed or both. Decisions made under the Code by the Committee in relation to a first Level 1 Offence (Article 6.1.4) shall be wholly non-appealable (notwithstanding anything that may appear to indicate otherwise in this article) and shall remain the full and final decision in relation to the matter.
- 7.2 Any appeal must be made in writing and sent to the Secretary by letter, email or fax no later than 3 (three) working days after receipt of the written decision of Committee and:
- (a) Must be accompanied by an administration fee of HK\$1,000; and
  - (b) Must set out the legal and/or procedural grounds for the appeal.
- 7.3 The Secretary shall, once an appeal has been received him and he has satisfied himself that such decision of the Committee may be subject to appeal, appoint an Appeal Commissioner and forward to him details of the Complaint, any witness statements, the decision of the Committee and

the record of the hearing (if applicable). Also, upon receipt of the appeal, the Secretary shall inform the Respondent (or his/her parents or guardian where Respondent is under 18 years of age) that any penalty under Articles 6.1.3 and 6.9 will be suspended until the conclusion of the appeal.

If the Appeal Commissioner appointed to hear an appeal considers that he may have a conflict of interest he shall advise the Secretary of this. The Secretary shall then appoint another Appeal Commissioner to hear the appeal. In the event that all members of the Committee are ineligible and/or unavailable to act in the capacity of Appeal Commissioner, the Secretary shall, after consulting with the Chairman of CHK, appoint an Appeal Commissioner to hear the appeal. This person shall be a qualified solicitor, barrister or judge (or legally trained with relevant legal experience). Furthermore, this person so appointed, shall not be a current member of the CHK Board of Directors, Executive Committee, League and Cup Management Committee or a current committee member of The Association of Cricket Umpires and Scorers (Hong Kong, China).

- 7.4 The Appeal Commissioner shall have all powers necessary for, and incidental to, the exercise of his functions and, subject to these regulations, he shall have the power to regulate the procedures of matters which come before him. He shall conduct the appeal hearing in accordance with Articles 6.2.4 to 6.2.13, with such adjustments as the Appeal Commissioner deems necessary in order to reflect the different context.
- 7.5 Appeals in respect of all offences other than second Level 1 or Level 2 offences by a player shall proceed by way of a de novo hearing (i.e. a fresh hearing of the evidence and/or

submissions on penalty as may be applicable) by the Appeal Commissioner.

- 7.6 The Appeal Commissioner shall deal with appeals in respect of second Level 1 and Level 2 offences purely on the basis of the documentation and there shall be no hearing.
- 7.7 The Appeal Commissioner shall give his decision within 5 (five) days of the hearing. If the Appeal Commissioner considers that there are circumstances which require a period longer than seven days, he shall so advise the Respondent (in the case of a Respondent aged under 18, his parent or guardian) and inform the Director of Cricket.
- 7.8 If the Appeal Commissioner considers that he requires further information, then he may request such information from the person from whom he needs it. He may stipulate the time within which it must be forwarded to him and the time for the determination of the appeal shall be suspended.
- 7.9 The Appeal Commissioner may direct that the administration fee (Article 7.2) be returned if the appeal is successful or if he considers that there were valid grounds for the making of the appeal which justify the return of part or the entire fee.
- 7.10 On his determination of the appeal the Appeal Commissioner shall give notice in writing of his decision to the Respondent (in the case of a Respondent aged under 18, his parent or guardian) by letter, email or fax, and forward a copy to the Secretary and, where appropriate, the Chairman of the Respondent's club.
- 7.11 For the avoidance of doubt, where a Respondent admits the offence charged and accedes to the proposed sanction specified in the Notice of Complaint in accordance with the procedure described in Articles 6.1.2 or 6.2.9, the

Respondent waives his/her right to any appeal against the imposition of such a sanction.

## **ARTICLE 8            HONG KONG TOURING TEAMS**

- 8.1 Breaches of the Code may arise when Hong Kong international touring teams are outside of Hong Kong and it may be necessary to deal with such issues immediately. In addition to Code violations, disciplinary offences may include failure to meet contractual obligations where the player is contracted to CHK.
- 8.2 The matter shall be heard by the Team Manager if he is of the view that the matter is urgent. If the Team Manager considers himself to have a conflict of interest, the person to take responsibility shall be the most senior representative of the CHK present.
- 8.3 The person conducting the hearing shall conduct it broadly in accordance with the provisions set out herein, subject to such changes as he, in his sole discretion, determines to be necessary.
- 8.4 A right of Appeal exists in accordance with the provisions specified above but it may be that such an appeal may not be practical until the tour is over. The Appeal Commissioner appointed to deal with the matter shall determine this entirely at his discretion.
- 8.5 Where the player is contracted to CHK, the range of penalties may be provided for in the contract.
- 8.6 Where the player is found to have committed the offence and if as a result of the penalty imposed, the Team Manager considers that the player should be required to return home

because he will not be available to play at all or in a sufficient number of matches on the tour, the player may be required to return home at the earliest possible time.

## **ARTICLE 9            RECOGNITION OF DECISIONS**

Any hearing results or other final adjudications under the *Code* shall be recognised and respected by *CHK* and its Member Clubs, without the need for any further formality. Each of *CHK* and the Member Clubs shall take all steps legally available to it to enforce and give effect to such decisions.

## **ARTICLE 10          AMENDMENT AND INTERPRETATION OF THE CODE OF BEHAVIOUR**

- 10.1    The Code of Behaviour may be amended from time to time by *CHK*, with such amendments coming into effect on the date specified by *CHK*.
- 10.2    The headings used for the various Articles of the Code of Behaviour are for the purpose of guidance only and shall not be deemed to be part of the substance of the Code of Behaviour or to inform or affect in any way the language of the provisions to which they refer.
- 10.3    The Code of Behaviour shall come into full force and effect on 25 May 2016 (the “Effective Date”). It shall not apply retrospectively to matters pending before the Effective Date; provided, however, that any case pending prior to the Effective Date, or brought after the Effective Date but based on an offence that is alleged to have occurred before the Effective Date, shall be governed by the predecessor version of the Code of Behaviour in force at the time of the alleged

offence, subject to any application of the principle of *lex mitior* by the determining the case.

- 10.4 If any Article or provision of this Code of Behaviour is held invalid, unenforceable or illegal for any reason, the Code of Behaviour shall remain otherwise in full force apart from such Article or provision that shall be deemed deleted insofar as it is invalid, unenforceable or illegal.
- 10.5 The Code of Behaviour is governed by and shall be construed in accordance with the laws of the Hong Kong Special Administrative Region of the People's Republic of China. Disputes relating to the Code of Behaviour shall be subject to the exclusive jurisdiction of the Courts of the Hong Kong Special Administrative Region of the People's Republic of China.

## **ARTICLE 11      OTHER CODES AND POLICIES**

The conduct prohibited under the following codes and policies shall also amount to an offence under this Code of Behaviour, provided that the offences, processes and penalties shall be determined in accordance with the relevant code or policy:

- |                             |                               |

## **CoB Appendix 2: Minimum Over Rate Offences**

The need to maintain the over rate is important for the conduct of the game given constraints on ground bookings in Hong Kong.

Should a team have a slow over rate as assessed under Rule 16 of the CHK Playing Conditions the batting team will be awarded a 5 run penalty per slow over and the captain will be given a first and final warning.

A second or further instance of a slow over rate in a season by the same team will result in a one match suspension of the captain. The following procedures shall apply:

- a) The suspension of the captain is to be automatic, subject to review where special circumstances may have arisen. Failure of umpires to advise on the over rate, allow for good cause, signal completion of the scheduled time or to manage time wasting by the batting side shall not be sufficient separately or as a whole to waive this penalty.
- b) If a captain plays any part in a CHK domestic league game while suspended, the team in question shall forfeit the game.
- c) In circumstances of a slow over rate at completion of an innings, umpires are to record in their match report the required quota of overs, the number of completed overs bowled at the scheduled finish time and any Good Cause allowance. This is to enable a suspension to be applied. If the umpires fail to maintain a proper record of over rate, any shortfall will be allowed as Good Cause. Umpires will be required to explain a failure to record such information.

- d) Scorers are to have a Match Report Form available at the end of each game to facilitate this procedure. [SEP]

## CoB Appendix 3: Suspensions

If the Code of Behaviour Panel invokes a suspension of a player or official, it is to be applied as follows:

1. A playing suspension relates to a number of games his team plays in the level of competition wherein the offence was committed and any CHK cricket at a 'lower level'. In other words, a player reported during a Sunday Elite game and suspended for three matches will be unable to participate in any form of CHK cricket until his team has played three consecutive Sunday games, but may play in the Premier League.
2. CHK will notify the suspended player, team captain and club representative of the games to be missed and the date when the player may recommence playing. Details will be posted on the CHK website. It the responsibility of the suspended player, the team captain and the club to conform with the suspension and failure to comply by any of these shall be deemed as non-compliance. All suspensions come into force at 6am on the day following the [Code of Behaviour Panel] ruling. A player who plays whilst suspended commits an offence and the original penalty imposed will be doubled and the team playing the illegal player will forfeit the match with all points awarded to the opposition.

## **APPENDIX 3: Suspect Bowling Process**

The objective of CHK Suspect Bowling Process is to oversee matters relating to the assessment and rectification of suspect delivery actions by bowlers, covering both international and domestic cricket. The process will be directed by CHK Suspect Bowling Committee.

### **1. CHK Suspect Bowling Committee**

The Suspect Bowling Committee will comprise of three members by CHK. For the 2020-21 season, they are:

CHK High Performance Manager (Mr Mark Farmer), National Coach (Mr Trent Johnston), and Team Performance Analyst (Mr Chris Pickett)

The goal of this process for players and officials are to:

- a) Minimize suspect bowling actions in Hong Kong;
- b) Have a clearly understood remedial management process to benefit the competitions, the national squads, all players (in terms of ability to continue bowling and develop their abilities) and the clubs.
- c) Minimize on-field calling of suspect actions, other than obvious or intentional throwing as opposed to flaws in technique.

### **2. Suspect Bowling Process in Domestic Cricket**

Upon first time identification by the umpire(s) and/or CHK full- time coaching staff of a bowler with a suspect/doubtful action during a CHK sanctioned match, the following action will be taken:

The umpires or CHK coach reports to CHK Projects Coordinator in writing within 2 days of the match;

- a) CHK Projects Coordinator informs CHK Suspect Bowling Committee and the player's club representative.

- b) The Team Performance Analyst arranges a slow-motion video recording of the bowler under match conditions at the earliest convenient opportunity for assessment by the Suspect Bowling Committee; and
- c) The Suspect Bowling Committee submits a report to the player's club and CHK Projects Coordinator confirming the outcome

### **3. Illegal Action**

- a) If the player is considered to have an illegal action by the suspect bowling committee, the player will be banned for a period of 6 months (From the date CHK Suspect Bowling committee sends the report) to work on his/her action with his/her clubs coaching staff.
- b) The club then must submit in writing if they believe the player has done the appropriate remedial work and inform CHK Projects Coordinator if the bowler in question will begin bowling in matches (after they have served the 6 months). If the bowler is reported again in the preceding 12 months and found to have an illegal bowling action by CHK Suspect Bowling Committee, the player will be banned for a further 12 months.

### **4. Appeal**

If a club/player does not agree with the outcome of CHK Suspect Bowling Committee they have a right of appeal which must be made in writing within 14 days of receiving the report. The player will not be allowed to bowl in CHK sanctioned matches during this time and will undergo testing at and ICC or HKSI testing facility at the most appropriate time/location available (Hong Kong – HKSI, Chennai, Perth or London). The costs involved in this will be as follows:

- a) **Legal**  
Flights, Accommodation, insurance, transfers and testing costs are to be shared 50/50 between the player's club and CHK.

## **b) Illegal**

Flights, accommodation, insurance, transfers and testing costs are to be met in full (100%) by the player's club.

**Note:** *The club must make a deposit to CHK of the estimated full cost prior to confirming the testing*

## **5. Doubtful Action**

If the player is considered to have a doubtful action by CHK Suspect Bowling Committee they will be closely monitored and filmed under match conditions using the slow-motion camera after 21 days at the most appropriate opportunity. Note: The player will then either be considered ILLEGAL or LEGAL.

## **6. Legal Action**

If the player is confirmed to have a legal action, he/she will be able to continue bowling in all CHK sanctioned matches. The player will also not be allowed to be reported again in the coming 12 months.

## **7. Suspect Bowling Process in International Cricket**

If a Hong Kong player is reported for suspect bowling by the ICC, CHK (Suspect Bowling Committee) may be asked to take remedial action and submit a report to the ICC for further, joint action.

If a player is suspended by the ICC for an illegal bowling action the player will also be suspended from bowling in CHK sanctioned cricket for the same period.

Following suspension, the bowler's action must be cleared by the ICC through the formal testing procedures

CHK will cover all costs associated with the first testing whether the player is a National Squad member or not.

## Follow up testing

- a) If the player is no longer a national squad member and requires a further test, the players club must pay a deposit of \$8,000HKD to undergo the testing. If the player is declared to have a legal action then the \$8,000HKD will be reimbursed to the club, if the player is still considered to have an illegal bowling action they will forfeit the \$8,000HKD as a contribution towards the costs of testing. Any further testing for a non-national squad player will be at the expense of the player/club.
- b) It is imperative that the Suspect Bowling Committee works with the club/player and makes a recommendation whether the bowler should undergo further testing or continue to work on the suspect action.

**Note:** *The club must make a deposit to CHK of \$8,000HKD prior to confirming the test.*

## **Suspect Bowling Process in International Cricket with a desire to return only to Domestic Cricket**

*If a player has been suspended by the ICC and does not endeavour to play as a bowler for Hong Kong in the future and/or retires from international cricket:*

- b) If a Hong Kong player is reported and suspended by the ICC for an illegal bowling action by the ICC, the player will automatically be banned for a minimum of 6 months in domestic cricket to work/remodel his/her action.
- c) If the player then wishes to be cleared to bowl in Domestic Cricket only, they will need to write to the Suspect Bowling Committee requesting a bowling test (all deliveries they wish to be cleared for).
- d) The Suspect Bowling Committee will then arrange a test using a slow-motion camera at the most convenient time to all parties

(an effort to be made within 14 days of receiving the written request).

## **7. Illegal Action**

If the player is considered to have an illegal action by the suspect bowling committee, the player will be banned for a further period of 6 months (From the date CHK Suspect Bowling committee sends the report) to work on his/her action with his/her clubs coaching staff.

The club then must submit in writing (after the banned period) if they believe the player has done the appropriate remedial work and inform the Suspect Bowling Committee. The process will then be repeated as above.

## **8. Appeal**

If a club/player does not agree with the outcome of CHK Suspect Bowling Committee they have a right of appeal which must be made in writing within 14 days of receiving the report. The player will not be allowed to bowl in CHK sanctioned matches during this time and will undergo testing at and ICC or HKSI testing facility at the most appropriate time/location available (Hong Kong – HKSI, Chennai, Perth or London). The costs involved in this will be as follows:

### **a) Legal**

Flights, Accommodation, insurance, transfers and testing costs to be shared 50/50 between the player's club and CHK

### **b) Illegal**

Flights, accommodation, insurance, transfers and testing costs to be met in full (100%) by the player's club

### **Registering Junior Players**

- b) Women's players may only play for one club during the season in all forms of women's cricket unless with prior CHK permission. That is, a player cannot transfer clubs or play for different clubs in different women's competitions.
- c) In exceptional circumstances, applications for transfer may be submitted in writing to CHK (Attn: Cricket Operations Manager) at least 72 hours before the transfer is to take effect. This must be accompanied by the written approval of the captain of the player's previous team and a full explanation of the reason for the transfer by the applicant captain. Postponements of matches and changes of venue will not be permitted under normal circumstances. Requests for blank dates and other particular arrangements must be made before the season commences except as provided for in the Competition Rules. ## 12. Ground, Weather and Light

- a) Before the toss has taken place, the decision with regard to the fitness of the ground will rest with the authority responsible for the maintenance of the ground. If no CHK staff is present, then it lies with the umpires appointed by CHK or CHK, ACO and in their absence, the team captains.
- b) After the toss has taken place, subject to c), the appointed umpires or, in their absence, the captains shall be the sole judges as to whether conditions are fit for play. If both captains cannot agree, both teams shall remain at the ground for one hour after the scheduled start time at which time the home captain shall decide whether or not play is to commence.
- c) The ground's authority has the right to intercede in a game and stop play if they reasonably consider continuance or resumption of play would likely lead to significant/unreasonable damage to any part of the ground or facilities. Where qualified umpires have been officially appointed such action should be subject to consultation and agreement with the umpires, who should take potential damage to the ground and pitch into consideration.
- d) **Application of Law 2.8.3** – If the conditions during a rain stoppage improve and the rain reduces to drizzle, the umpires must consider if they would have suspended play in the first place under similar conditions. If both umpires agree that the current drizzle and ground conditions as a result, given c), plus allowing for further possible deterioration, would not have caused a stoppage then play shall resume immediately.
- e) If any league match is adversely affected by weather or ground conditions to the extent that a result cannot be achieved, the

match shall be abandoned and the points for that game shall be shared equally between the teams (assuming the minimum number of overs to constitute a match has not been bowled).

- f) Where one Umpire is of the opinion it is unsafe or unsuitable for play to continue the game will be stopped and players asked to leave the ground.
- g) If a shadow from a fielder falls across the striker's half of the pitch, the fielder must remain stationary from the time the bowler starts his run-up until the striker receives the ball. If the fielder moves before the striker receives the ball, the umpire shall call and signal Dead Ball if he considers the striker has been distracted by the action. If the umpire considers the movement was a deliberate attempt to distract the batsman the umpire will take action under Law 42.4 (Deliberate attempt to distract striker).
- h) Play shall cease immediately, in the event that a lightning flash is followed by thunder within 30 seconds. Play shall not resume until 30 minutes after the last lightning flash. It is recommended that no person enter the field of play during the period that play is suspended under this rule.
- e) Games will be abandoned when there is a BLACK RAINSTORM WARNING and/or TYPHOON SIGNAL No. 8 or above.

### **13. Toss, Team Nomination and Punctuality**

- a) Unless otherwise specified, the toss shall be conducted in the presence of an umpire and a representative of both teams not earlier than 30 minutes nor later than 15 minutes prior to the scheduled start of play.
- b) Each team must provide a team list to the umpire/s at or prior to the toss. If no umpire is present, the team captains, or their

- representatives, should toss the coin at the designated time and exchange their respective team lists.
- c) In the event that a team does not have a representative available for the toss as outlined in a), the incident must be reported to the Cricket Operations Manager. The offending team will be liable to having the result of the game in question overturned to a forfeit.
  - d) A side shall be of no less than seven players, or as specified, at the scheduled start of play. In the event of any team being unable to raise a side at the scheduled time for start of play, a walkover may be awarded to the opposition, together with full points for a win, for Premier League 2-Day matches, outright points.
  - e) For Women's Cricket the team list must identify players with less than two seasons of cricket experience.
  - f) For Senior Cricket, players under the age of 18 at September 1<sup>st</sup> 2020 must be marked along with age.
  - g) If neither team has the required seven players, or as specified, at the scheduled start of play, the match shall be cancelled by the umpires and no match points shall be awarded to either team. The match will not be rescheduled.
  - h) If players from both teams are late to arrive, the start of play can be postponed, with an appropriate reduction of overs (as outlined in the competition rules). The incident must be reported to the CHK Management.

## **14. The Ball**

- a) Unless otherwise stated in the Competition Rules, teams are to supply a new CHK-approved match ball for each game and sufficient spare balls for use during their innings. One new ball shall be used for each innings and the fielding captain has the choice of which new ball to use at the start of play.

- b) CHK Management will decide which balls are to be used for CHK competitions. Non-approved balls are not to be used. Breaches of this rule shall be dealt with by CHK Management who may impose penalties, including the deduction of points.

## **15. Bowlers – Permitted Overs**

- a) Should a bowler become incapacitated, another bowler may complete the over. A part of an over counts as a completed over for the purpose of calculating how many overs a bowler has bowled. A part of an over does not count as a completed over for any other purposes, e.g. total number of overs bowled by the team, statistical purposes, etc.
- b) It shall be the responsibility of the captain of the fielding side to ensure that no bowler exceeds the permitted number of overs.

## **16. Minimum Over Rates**

- a) All teams are expected to bowl at the average minimum over rate specified for each League in the Competition Rules.
- b) Appendix 2 of the Competition Rules provides a worksheet for such calculations.
- c) Failure to bowl the minimum over rate in an innings accounting for allowances will result in a 5 run penalty per over they are slow for the batting team and a first and final warning for the captain of the fielding team, a further indiscretion by the captain in future matches will result in a one match suspension. Cases of this are to be reported to the CHK Operations Manager.
- d) For clarity, in the example whereby the team bowling second are found guilty of bowling with a slow over rate and the match cannot be completed due to ground, light, or other factors, the

umpires shall instruct the scorers to add 5 penalty runs for each over behind the rate to the batting team. If this pushes the score above the opposition teams score (including by Duckworth Lewis Stern) the batting team will be declared the winners.

- e) Unless otherwise specified, over rates will be exclusive of drinks breaks.

## **17. Free Hit after a No ball**

- a) This rule applies in all CHK Leagues, unless specified otherwise.
- b) The delivery following a No ball called (all modes of No ball) shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No ball or a Wide) then the next delivery will become a free hit for whichever batsman is facing it.
- c) For any free hit, the striker can be dismissed only under the circumstances that apply for a No ball (e.g., run out), even if the delivery for the free hit is called Wide.
- d) Neither field changes nor the exchange of individuals between fielding positions are permitted for free hit deliveries unless:
  - a. There is a change of striker (the provisions of MCC Law 41.2 shall apply), or
  - b. The No ball was the result of a fielding restriction breach, in which case the field may be changed to the extent of correcting the breach.
- e) The bowler's end umpire will signal a free hit (after the normal No ball signal) by raising one arm and moving it in a circular motion above his head.

## **18. Wide ball**

All CHK limited-overs matches shall follow the same interpretation of a Wide. ICC One Day International playing condition 22 shall apply.

### **22.1 Judging a Wide**

**22.1.1** If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in clause 22.1.2:

**22.1.1.1** the ball passes wide of where the striker is standing and which also would have passed wide of the striker standing in a normal guard position.

**22.1.1.2** the ball passes above the head height of the striker standing upright at the popping crease.

**22.1.2** The ball will be considered as passing wide of the striker unless it is sufficiently within reach for him to be able to hit it with the bat by means of a normal cricket stroke

**22.1.3** Umpires are instructed to apply very strict and consistent interpretation in regard to this clause in order to prevent negative bowling wide of the wicket.

### **22.4 Delivery not a Wide**

**22.4.1** The umpire shall not adjudge a delivery as being a Wide, if the striker, by moving, either causes the ball to pass wide of him, as defined in clause 22.1.2 or brings the ball sufficiently within reach to be able to hit it by means of a normal cricket stroke.

**22.4.2** The umpire shall not adjudge a delivery as being a Wide if the ball touches the striker's bat or person, but only as the ball passes the striker.

### **Interpretation and Guidelines for Leg-side Wides:**

A delivery that pitches outside the line of leg stump and moves further away shall be called a Wide by the umpire, other than:

- a) A delivery that passes to the leg-side irrespective of where it pitches and in the umpire's opinion, would have struck the batsman on his legs in his normal guard position, i.e. the batsman steps inside the line for whatever reason, shall NOT normally be called a Wide.
- b) A delivery that passes between the leg stump and the batsman's legs shall NOT be called a Wide.

### **Height Consideration**

Law 21.10 No Ball – Ball passing over head height is replaced

A delivery that passes above the head of a batsman standing upright at the popping crease is to be called a “wide”, even where this is marginal. The call by the bowler's end umpire will be guided by the striker's end umpire, unless the latter is unsighted or fails to signal.

## **19. Bowling of fast, short-pitched balls**

**Law 21.10 will not apply. Law 41.6 will be applied where:**

- a) In 50-over and 2-Day competitions, a bowler shall be limited to TWO fast, short-pitched deliveries per over. In all other competitions, a bowler shall be limited to ONE fast, short-pitched delivery per over.
- b) A fast, short-pitched delivery is defined as a ball that passes, *or would have passed*, above the shoulder height of the striker standing upright at the popping crease.
- c) The umpire at the bowler's end shall advise the bowler and the batsman on strike when each fast, short-pitched delivery has been bowled.

- d) In addition, and subject to (f) below, a ball that passes above head height of the batsman standing upright at the popping crease and prevents him from being able to hit it with his bat by means of a normal cricket stroke shall be called “Wide”. Refer above, this replaces Law 21.10.
- e) To avoid doubt, any fast, short-pitched delivery that is called “Wide” under this playing condition shall also count as one of the allowable short-pitched deliveries in that over.
- f) In the event of a bowler bowling more than the allowed number of fast, short-pitched deliveries in an over as defined above, the umpire at the bowler’s end shall call and signal No Ball on each occasion. A different signal shall be used to signify a fast, short-pitched delivery. The umpire shall call and signal No Ball then tap his head with the other hand.
- g) In the event of a bowler bowling more than the allowed number of fast, short-pitched balls in an over, the umpire, after the call of No Ball, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred. This caution shall apply throughout the innings.
- h) If there is a second instance of the bowler being No Balled in the innings for bowling more than the allowed number of fast, short-pitched deliveries in an over, the umpire shall caution the bowler and advise him that this is his final warning for the innings.
- i) Should there be any further instance by the same bowler in that innings, the umpire shall call and signal No Ball and, when the ball is dead, direct the fielding captain to take the bowler off forthwith. If necessary, the over shall be completed by another bowler who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof.
- j) The bowler thus taken off shall not be allowed to bowl again in that

innings.

- k) The umpire will report the occurrence to the other umpire, the batsmen at the wicket and, as soon as possible, to the captain of the batting side. The matter is to be reported to the DOC.
- l) Irrespective of the above Law 41.6 Bowling of dangerous and unfair short pitched deliveries maybe applied in regard, for instance in incidents of repetition and consideration of a batsman's skill, which the umpires may apply at any time.

## **20. Bowling of high, full-pitched balls**

Law 41.7 is to be applied

## **21. Time-wasting by the fielding side**

Law 41.9.3 is replaced:

If there is any further waste of time in that innings by any member of the fielding side, the umpire shall:

- a) Call and signal Dead Ball, if necessary.
- b) Award five penalty runs to the batting side.
- c) Inform the other umpire, the batsmen at the wicket, the fielding captain and, as soon as possible, the captain of the batting side of what has occurred.

A spell cannot be resumed after it is ended until the break is complete.

**Note:** *once a bowler starts bowling fast they will be considered a fast bowler and, even if changing to spin or slow bowling after this, the spell shall be deemed to be delivered as a fast bowler from the start of the over where they begin bowling fast. - b) The start of play on the second day shall be rescheduled up to 30 minutes earlier, subject to playing conditions. That is start of play shall be 9.30 am (9am at Mission Road).
- c) Should time be lost prior or during the second day's play, the close of play may be delayed for up to 30 minutes to 5.30pm (5pm at Mission Road).
- d) Where time is lost from the scheduled playing time on either day, the starting and closing times maybe rescheduled as above. That is for the first 90 minutes lost on or before the first day this time may be recovered as above, while up to 30 minutes lost from

playing time can be recovered by extending the close of play. The adjustment to closing and starting times will be limited to time actually lost.

- e) Where time is lost beyond time recoverable, the minimum overs to be bowled in a day's play shall be reduced at a rate of one over for each period of 3.75 minutes of playing time or part thereof lost during the day. For example, 15 minutes lost playing time after using all recoverable time, shall constitute a 4 over reduction.
- f) Likewise, on the second day, where play has been extended due to loss of time on the first day the required number of overs will be extended by one over for each period of 3.75 minutes. For example, 30 minutes extra time requires eight additional overs to be bowled (i.e. 104 overs); an extension of 60 minutes will require a total 112 overs to be bowled.

## **10. Number of Overs per Bowler**

There shall be no limit to the number of overs any individual bowler may bowl in an innings subject to restrictions on young bowlers as defined in CHK Playing Conditions.

## **11. Fielder's Absence- Maximum Penalty Time**

Under CHK Playing Condition 22, a fielder's unserved Penalty time shall be limited to a maximum of 120 minutes.

For clarity, under 24.2.7 any unserved Penalty time shall be carried forward into the next days and innings of the match, as applicable.

## **12. The Result**

The match will be awarded to the side who wins the game outright by scoring more runs over the two innings under the Laws of Cricket.

Should an outright result not be achieved then the game shall be awarded to the side scoring the most runs in the first innings. In the absence of a result on first innings the team who has achieved the most bonus points (runs and wickets) will be awarded the win. If a ball is not bowled the winner will be determined by who won the match in the preceding year.

## **3. Hours of Play and Intervals**

All matches shall commence no later than 10 am and shall be of a maximum 100 overs duration (one, 50-over innings per side).

Games at KCC delayed by preceding hockey matches shall commence as soon as possible thereafter, with a corresponding adjustment to the following scheduled playing times:

***Periods of Play and Intervals***

<b>First Innings</b>	<b>0930-1300 (3 hour 30 minutes)</b>
<i>Lunch Interval</i>	<i>1300-1340 (40 minutes)</i>
<b>Second Innings</b>	<b>1340-1710 (3 hour 30 minutes)</b>

***Playing time per innings***, including drinks breaks: 210 minutes plus the over in progress at the scheduled time

***Required over rate:*** 14.28 overs per hour (4.20 minutes per over), inclusive of drinks.

*Under normal conditions, **two drinks break** will be taken on the field in each innings after one hour and ten minutes play.*

***The Lunch Interval*** is scheduled for 40 minutes, however due to loss of time this may be reduced to a minimum of 30 minutes unless taken during the interruption to play, in which case a 10-minute innings break will be allowed.

***TKRRG games*** will commence **30 minutes earlier; i.e. 0900**. A scheduled second Innings will be from 1310 to 1640. The TKRRG ground must be vacated by **5:00pm, 1700**.

#### **4. The Toss and Team Nomination**

- a) Team lists must be provided to them umpires prior to the toss being conducted. All juniors (i.e. under the age of 18) along with age, as registered with CHK, should be marked on the team list.
- a) The CHK team nomination form must be used.

## **5. The Ball**

An CHK approved Kookaburra Platinum white leather four-piece 156g cricket ball. One new ball shall be used at the start of each innings.

## **6. Length of Innings**

- a) Each side shall bat for 50 overs unless all out earlier or the match is restricted through delay or interruption.
- b) A side shall not be permitted to declare its innings closed or forfeit its innings.
- c) If the either fielding side fails to bowl the required number of overs by the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress at the scheduled time shall count as a completed over for over rate calculations. Rule 14 (Over Rate Penalties) shall apply.
- d) After the first innings the interval shall not be extended and the next innings shall commence at the scheduled time, subject to a minimum Lunch Interval of 30 minutes.
- e) If the side batting first is dismissed in less than 50 overs, the side batting second shall be entitled to bat for 50 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
  - ii. Injury to players of either side.
  - iii. Inability to locate and/or retrieve a ball. Note: A maximum of

two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.

- iv. Delays caused by the batting side, e.g. changes of equipment.

**Note:** *In instances of inclement weather, **Rule 9** shall apply, NOT the provisions for allowances.*

- h) In the event of any time allowances being granted to the fielding team under g) due to time wasting by batting team, then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate
- i) If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.
- j) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.
- k) See Rule 14 and CHK Playing Conditions Rule 16 for penalties for slow over rates.

## **7. Lunch Interval**

- a) An interval of 40 minutes is allowed for the Lunch Interval.
- b) Should there be a delay or interruption of play then the lunch interval maybe reduced to a minimum of 30 minutes.
- c) If the innings of the side batting first is completed prior to the scheduled time for the interval, the interval shall take place immediately and the innings of the side batting second will commence correspondingly earlier providing that this does not

lead to an interval occurring more than 30 minutes prior to the scheduled time.

- d) If the innings of the side batting first is completed more than 30 minutes prior to the scheduled interval a 10-minute break will occur and the side batting second will commence its innings and the interval will occur as scheduled.
- e) Should the schedule start of play be delayed or an extended interruption to play occur the Lunch Interval maybe taken 30 minutes early, provided meals have arrived.
- f) If at the time of the scheduled interval, the team batting second has lost nine wickets or requires no more than 25 runs to win, play shall continue until a result has been achieved, unless the players otherwise have cause to leave the field of play.

## **8. Drinks Intervals**

- a) Two drinks breaks per session shall be permitted, each 1 hour 10 minutes apart.
- b) The Drinks Intervals shall be taken on the field at all times.
- c) Under conditions of extreme heat the umpires may permit extra intervals for drinks. The duration of these should be treated as an allowance for over rate calculations.
- d) An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.
- e) when less than 3 minutes remains before the time agreed for the next interval, the interval shall be taken immediately if either a batsman is dismissed or retires, or the players have occasion to leave the field, whether this occurs during an over or at the end of an over. Except at the end of an innings, if an over is thus

interrupted it shall be completed on the resumption of play.

## **9. Delayed or Interrupted Matches**

- a) To constitute a match, both teams are to have the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra by 30 minutes (or only until 1650 at TKRRG, and 1710 at PKVR Park) and are to take this into account in their revised overs calculations.
- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 8.40 minutes lost, being 4.20 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see **10b and 13f**. This calculation must not cause the match to finish earlier than the original cessation time.

### ***Illustration:***

*Due to ground, light, or weather conditions playing time is reduced by 42 minutes, after allowance for a reduced lunch (15 minutes) The game will be reduced by a total of 10 overs (42 minutes divided by 8.4 minutes = 5 x 2 overs), five overs deducted from each innings. Each side will now bowl 45 overs. The playing lost is divided across both innings, i.e. 5 x 4.2 minutes = 21 minutes (rounded down) deducted from each innings (original playing time of 3 hours*

*30 minutes, minus 21 minutes = new playing time of 3 hours 9 minutes). Therefore, the revised hours of play will be 10.57 to 2.06 pm and 2.36 to 5.45 pm.*

- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CricHQ.

## **10. Number of Overs per Bowler**

- a) No bowler shall bowl more than **ten** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by five, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

## **11. Free Hit after a No Ball**

A Free Hit after a No Ball is applied to all No Balls. Refer to Playing Condition 17 for outline on this rule

## **12. Fielder's Absence - Maximum Penalty Time**

Under CHK Playing Condition 22, a fielder's unserved Penalty time shall be limited to a maximum of 120 minutes.

### 13. Fielding Restrictions

- a) At the instant of delivery, there may not be more than five (5) fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines. The fielding restriction area should be marked with disks at five-yard (4.57-metre) intervals by the home side in each game. At the instant of delivery:

#### **Powerplays**

- c) There are three phases of Powerplay:
  - i. Powerplay 1 – no more than **two** (2) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 50 overs, these are overs 1 to 10 inclusive.
  - ii. Powerplay 2 – no more than four (4) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 50 overs, these are overs 11 to 40 inclusive.
  - iii. Powerplay 3 – no more than five (5) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 50 overs, these are overs 41 to 50 inclusive.
- d) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball.
- e) At the commencement of the second and third blocks of Powerplay overs, the umpire shall signal such commencement to the scorers by rotating his arm in a large circle.
- f) In circumstances when the number of overs of the batting side is reduced, the number of powerplay overs shall be reduced in

accordance with the table below. For the sake of clarity, it should be noted that the table applies to both the 1<sup>st</sup> and 2<sup>nd</sup> innings of the match.

- g) If play is interrupted during an innings and the table below applies, the powerplay takes immediate effect. This applies even though the interruption has occurred mid-over.

***Illustrations:***

*1) A 50-over innings is interrupted after 8.3 overs and reduced to 32 overs. The new phases are 7+19+6. Therefore, the Powerplay 2 fielding restrictions take immediate effect when play resumes and last for a further 17.3 overs. Powerplay 3 begins after 26 overs have been bowled.*

*2) A 40-over innings is interrupted after 18.5 overs and reduced to 22 overs. The new phases are 5+13+4. When play resumes, Powerplay 3 fielding restrictions apply for the remaining 3.1 overs.*

## **14. Over Rate Penalties**

- a) All sides are expected to be in position to bowl the first ball of the last of their 50 overs within 3 hours 30 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs for each over that the fielding side has failed to bowl in time. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK Management and face possible suspension (see CHK Playing Condition 16).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.
- d) Over-rate penalties apply only to innings of 30 overs or more duration. In innings of less than 30 overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- e) This is the only penalty for a slow over rate.

## 15. The Result

Law 16.2 - A win - one innings match shall apply in addition to:

- a) Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), a result can be achieved only if both teams have had the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs. Other matches, where both teams have not had an opportunity of batting for a minimum of 20 overs, shall be declared no result.

### **b) Interrupted or Prematurely Terminated Matches**

Calculation of the Target Score. If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 20 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current DLS method. The target set will always be a whole number and one run less will constitute a Tie.

### **c) Prematurely Terminated Matches**

If the innings of the side batting second is suspended (with at least 20 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension by the DLS method. If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

## 16. Points

Points for matches will be awarded as follows:

<b>Win</b>	<b>2 points</b>
<b>Tie or No Result</b>	<b>1 points each</b>
<b>Loss</b>	<b>0 points</b>

## 17. League Champion

The Premier League One Day Champions shall be the team with the most points at the end of the round-robin matches. If the number of points scored by two or more teams is the same, the following criteria shall be used to determine the champion:

- Net Run Rate (NRR)\*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- If the NRR is equal then the team with the most wins in the competition finishes higher.
- If the number of wins is equal then the head-to-head result between the two teams will decide the higher placed team.
- If teams are still equal then the title will be shared.

***\*Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

*In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.*

# ***Premier League T20***

These are the competition rules for the CHK Premier League One Day league. They should be read in conjunction with CHK *Playing Conditions* and CHK *Code of Behaviour*.

## **1. Competition Format**

- a) CHK Premier T20 League will feature five teams - Hong Kong Cricket Club, Kowloon Cricket Club, Little Sai Wan Cricket Club, Pakistan Association Cricket Club and United Services Recreational Club in a single division.
- b) Teams shall play each other once in round-robin matches of 20-overs per innings.
- c) Teams will score points in each match (see point 18). The top two teams on the points table after the league stage shall play in a Final. The team that wins the final will be the winner of the competition.

## **2. Player Eligibility**

- a) Players may only represent one club for the duration of the Premier League season
- b) There are no restrictions on who can play Premier League Cricket.
- c) Pakistan Association Cricket Club and United Services Recreational Club will be able to draw from players representing 'Independent' clubs in other competitions.

## **3. Hours of Play and Intervals**

All matches shall commence no later than 2 pm and shall be of a maximum 40 overs duration (one, 20-over innings per side).

Unless otherwise stated, the periods of play and intervals shall be as follows:

***Periods of Play and Intervals***

<b>First Innings</b>	<b>1330-1455 (1 hour 25 minutes)</b>
<i>Interval</i>	<i>1455-1510 (15 minutes)</i>
<b>Second Innings</b>	<b>1510-1635 (1 hour 25 minutes)</b>

***Playing time per innings:*** 85 minutes plus the over in progress at the scheduled time

***Required over rate:*** 14.11 overs per hour (4.25 minutes per over)

***KCC games*** will commence 30 minutes later.

***The TKRRG ground*** must be vacated by **5:00pm, 1700.**

**Interval between Innings**

If the innings of the team batting first is completed prior to the scheduled time for the Interval, the Interval shall take place immediately and the Innings of the team batting second will commence correspondingly earlier.

**Intervals for Drinks**

No drinks intervals are permitted. An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.

## **4. Toss and Team Nomination**

- a) Team lists must be provided to the umpires prior to the toss being conducted. All juniors (i.e. under the age of 18) along with age, as registered with CHK, should be marked on the team list.

- b) The CHK team nomination form must be used.

## **5. The Ball**

A CHK approved Kookaburra Platinum white leather four-piece 156g cricket ball shall be used. One new ball shall be used at the start of each innings and the fielding team should provide sufficient spares.

## **6. Length of Innings**

- a) In uninterrupted matches (i.e. matches which are neither delayed nor interrupted) each team shall bat for 20 overs unless all out earlier.
- b) A side shall not be permitted to declare its innings closed or forfeit its innings.
- c) If the either fielding side fails to bowl the required number of overs by the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress at the scheduled time shall count as a completed over for over rate calculations. Rule 13 (Over Rate Penalties) shall apply.
- d) After the first innings the interval shall not be extended, and the next innings shall commence at the scheduled time.
- e) If the side batting first is dismissed in less than 20 overs, the side batting second shall be entitled to bat for 20 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such

allowances include, but shall not be limited to, the following:

- ii. Injury to players of either side.
- iii. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
- iv. Delays caused by the batting side, e.g. changes of equipment.

**Note:** *In instances of inclement weather, Rule 7 shall apply, NOT the provisions for allowances.*

- h) In the event of any time allowances being granted to the fielding team under g) due to time wasting by batting team, then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate
- i) If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.
- j) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.
- k) See Rule 13 and CHK Playing Conditions Rule 16 for penalties for slow over rates.

## **7. Delayed or Interrupted Matches**

- a) To constitute a match, both teams are to have the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Time adjustments cannot lead to the

second team be provided the opportunity to bat more overs than the first.

- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra 30 minutes (or only until 1650 at TKRRG) and are to take this into account in their revised overs calculations.
- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 8.5 minutes lost, being 4.25 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see **8b and 12e**. This calculation must not cause the match to finish earlier than the original cessation time.

**Illustration:**

*Due to ground, light, or weather conditions playing time is reduced by 34 minutes, after allowance for a delayed start (30 minutes) and reduced innings break (10 minutes) The game will be reduced by a total of 8 overs (34 minutes divided by 4.25 minutes = 8 overs), four overs deducted from each innings. Each side will now bowl 16 overs. The playing time is divided across both innings, i.e. 4 x 4.25 minutes = 17 minutes deducted from each innings (original playing time of 1 hour 25 minutes, minus 17 minutes = new playing time of 1 hour 8 minutes). Therefore, the revised hours of play will be 2.39 to 3.47 pm and 3.57 to 5.05 pm.*

- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut

off time.

- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CricHQ.

## 8. Number of overs per bowler

- a) No bowler shall bowl more than **four** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second
  - i. for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
  - ii. for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs.

**Illustration:** after 8 overs, rain interrupts play. Both opening bowlers have bowled 4 overs. The innings is now reduced to 12 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (3 as opposed to 2) and so any other bowlers are now limited to 2 overs.

*Should the overs be reduced to 7, then four bowlers may bowl 2 overs*

- c) When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incomplete over.
- d) In the event of a bowler breaking down and being unable to

complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

## **9. Free Hit after a No ball**

A Free Hit after a No Ball is applied to all No Balls. Refer Conditions of Play Rule 17 for outline on this rule

## **10. Fielder's Absence - Maximum Penalty Time**

Under CHK Playing Condition 22, a fielder's unserved Penalty time shall be limited to a maximum of 40 minutes.

## **11. Timed out**

Law 40 will apply except that the incoming batsman must be in position to take guard or for his partner to be ready to receive the next ball within **1 minute 30 seconds** of the fall of the previous wicket. The incoming batsman is expected to be ready to enter the field when a wicket falls and is expected to jog to the wicket.

## **12. Fielding Restrictions**

- a) At the instant of delivery there shall be no more than five fielders on the leg side.
- e) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field.

- f) For the first six overs of each innings no more than **two** fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- g) During the remaining overs of each innings (i.e. overs 7 to 20) no more than **five** fielders shall be permitted outside the fielding restriction area at the instant of delivery.
- h) In circumstances where the number of overs for the batting team is reduced, the number of fielding restriction overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both first and second innings.

Innings Duration	Number of Fielding Restriction Overs
5–8	2
9–11	3
12–14	4
15–18	5
19–20	6

- i) If an innings is interrupted during an over and if on the resumption of play, due to the reduced number of overs of the batting team, the required number of fielding restriction overs has already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.
- j) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball and a free hit will be called.

### **13. Over Rate Penalties**

- b) All sides are expected to be in position to bowl the first ball of the last of their 20 overs within 1 hour 25 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs for each over that the fielding side has failed to bowl in time. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- c) An additional allowance of 1 minute will be given for each of the 6th, 7th, 8th and 9th wickets taken during an innings.
- d) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK Management and face possible suspension (see Rule 16).
- e) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.
- f) Over-rate penalties apply only to innings of ten overs or more duration. In innings of less than ten overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.

- g) This is the only penalty for a slow over rate.

## **14. The Result**

Law 16.2 - A win - one innings match shall apply in addition to:

- d) Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), a result can be achieved only if both teams have had the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Other matches, where both teams have not had an opportunity of batting for a minimum of 5 overs, shall be declared no result.

### **e) Interrupted or Prematurely Terminated Matches**

Calculation of the Target Score. If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 5 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current DLS method. The target set will always be a whole number and one run less will constitute a Tie.

### **f) Prematurely Terminated Matches**

If the innings of the side batting second is suspended (with at least 5 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension by the DLS method. If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

## 15. Tied Matches – Super Over

- a) If the scores are equal, the result will be a tie and no account shall be taken of the number of wickets that have fallen. In the event of a tied match there shall be a Super Over to determine the winner.
  - a) The Super Over shall take place ten minutes following confirmation of the tied result and on the same pitch.
  - b) The umpires shall stand at the same end as that in which they finished the match.
  - c) The fielding side shall choose from which end to bowl.
  - d) Only nominated players in the main match may participate in the Super Over with the same rules for substitutes, etc.
  - e) Each team's over is played with the same fielding restrictions as apply for the last normal over in a T20 match.
  - f) The team batting second in the match will bat first in the Super Over.
  - g) The match ball (or its replacement, if changed during play) in use at the end of the main match shall be used.
  - h) The loss of two wickets in the over ends the team's one over innings.
  - i) In the event of the teams having the same score after the Super Over has been completed the team whose batsmen hit the greatest number of boundaries combined from its two innings in both the main match and the Super Over shall be the winner.
  - j) If the number of boundaries hit by both teams is equal, the team whose batsmen scored more boundaries during its innings in the main match (ignoring the Super Over) shall be the winner.
  - k) If still equal, a count-back from the final ball of the Super Over shall be conducted. The team with the higher scoring

delivery shall be the winner. If a team loses two wickets during its over, any deliveries not bowled will be counted as dot balls. Note that for this purpose, the runs scored from a delivery is defined as the total team runs scored since the completion of the previous legitimate ball, i.e. including any runs resulting from Wides, No Ball or Penalty Runs.

**Illustration:**

Scored From	Team 1	Team 2
Ball 6	1	1
Ball 5	4	4
Ball 4	2	1
Ball 3	6	2
Ball 2	0	1
Ball 1	2	6

*In this example both teams scored an equal number of runs from the 6th and 5th ball of their innings. However, Team 1 scored 2 runs from its 4th ball while Team 2 scored a single so Team 1 is the winner.*

## 16. Points

Points for matches will be awarded as follows:

<b>Win</b>	<b>2</b> points
<b>Loss</b>	<b>0</b> points
<b>No Result</b>	<b>1</b> points each

## 17. League Champion

The Premier League T20 Champion shall be the team that wins the final.

The two teams with the most points after the round robin stage will play in the final.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine who proceeds to the final:

- a) Net Run Rate (NRR)\*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
- c) If the number of wins is equal, then the head-to-head result between the two teams in the round robin stage will decide who proceeds to the final.

If the final can not be completed, for any reason, then the highest place team after the round robin stage (using the above if required) shall be declared champions.

***\*Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

*In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.*

# ***Sunday Elite League***

These are the competition rules of the CHK Sunday Elite, played predominantly on Sundays. This competition will follow the same rules as the *CHK Premier League One Day*, except for as specified as below. These rules should be read in conjunction with CHK *Playing Conditions* and CHK *Code of Behaviour*.

## **1. Competition Format**

- a) The Sunday Elite shall be contested by twelve teams participating in two divisions.
- b) Teams shall play each other twice in round-robin matches of 50-overs per innings giving a total number of 10 matches per team.
- c) There shall be no play-offs or finals and the Sunday Elite title shall be decided by the finishing places on the Sunday Elite ladder.
- d) The highest placed team in Division 2 shall be promoted to Division 1 for the next season and the lowest placed team in Division 1 shall be relegated to Division 2.

## **2. Player Eligibility**

- a) All players must be registered with CHK before playing their first Sunday Elite match. Playing an unregistered player constitutes playing an ineligible player.
- b) Each team may field only one non-Hong Kong Resident Permit Holder per game. Inclusion of more than one non-Hong Kong Resident Permit Holder constitutes playing an ineligible player.
- c) Players may only represent one club for the duration of the Sunday Elite season

### 3. Hours of Play and Intervals

All matches shall commence no later than 10 am and shall be of a maximum 100 overs duration (one, 50-over innings per side).

Games at KCC delayed by preceding hockey matches shall commence as soon as possible thereafter, with a corresponding adjustment to the following scheduled playing times:

#### *Periods of Play and Intervals*

<b>First Innings</b>	<b>1000-1315 (3 hour 15 minutes)</b>
<i>Lunch Interval</i>	<i>1315-1355 (40 minutes)</i>
<b>Second Innings</b>	<b>1355-1710 (3 hour 15 minutes)</b>

***Playing time per innings***, including drinks breaks: 195 minutes plus the over in progress at the scheduled time

***Required over rate***: 15.38 overs per hour (3.9 minutes per over), inclusive of drinks.

Under normal conditions, **two drinks break** will be taken on the field in each innings after one hour of play.

**The Lunch Interval** is scheduled for 40 minutes, however due to loss of time this may be reduced to a minimum of 30 minutes unless taken during the interruption to play, in which case a 10-minute innings break will be allowed.

**TKRRG games** will commence **40 minutes earlier; i.e. 0920**. A scheduled second Innings will be from 1315 to 1630. The TKRRG ground must be vacated by **5pm, 1700**.

**PKVR Park games** will commence **25 minutes earlier; i.e. 0935**. A scheduled second Innings will be from 1330 to 1645. The PKVR Park ground must be vacated by **5.15pm, 1715**.

## **4. Drinks Intervals**

- a) Two drinks breaks per session shall be permitted, each 1 hour minutes apart.
- b) Drinks breaks should be no more than 5 minutes each and are considered as part of the playing time.
- c) The Drinks Intervals shall be taken on the field at all times.
- d) Under conditions of extreme heat, the umpires may permit extra intervals for drinks. The duration of these should be treated as an allowance for over rate calculations.
- e) An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.

## **5. Delayed or Interrupted Matches**

- a) To constitute a match, both teams are to have the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra by 30 minutes (or only until 1650 at TKRRG, and 1710 at PKVR Park) and are to take this into account in their revised overs calculations.
- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 7.80 minutes lost, being 3.90 minutes per over (i.e. one over deducted from each innings). In the event that

a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see CHK Premier League One Day Playing Conditions **10b and 13f**. This calculation must not cause the match to finish earlier than the original cessation time.

**Illustration:**

*Due to ground, light, or weather conditions playing time is reduced by 39 minutes, after allowance for a reduced lunch (20 minutes) The game will be reduced by a total of 10 overs (39 minutes divided by 7.8 minutes = 5 x 2 overs), five overs deducted from each innings. Each side will now bowl 45 overs. The playing lost is divided across both innings, i.e. 5 x 3.9 minutes = 19 minutes (rounded down) deducted from each innings (original playing time of 3 hours 15 minutes, minus 19 minutes = new playing time of 2 hours 56 minutes). Therefore, the revised hours of play will be 10.59 am to 1.55 pm and 2.15 to 5.11 pm.*

- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CricHQ.

## **6. Over Rate Penalties**

- a) All sides are expected to be in position to bowl the first ball of the last of their 50 overs within 3 hours 15 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs for each over that the fielding side has failed to bowl in time. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK Management and face possible suspension (see CHK Playing Condition 16).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.
- d) Over-rate penalties apply only to innings of 30 overs or more duration. In innings of less than 30 overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- e) This is the only penalty for a slow over rate.

## 7. The Result

Law 16.2 - A win - one innings match shall apply in addition to:

- a) Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), a result can be achieved only if both teams have had the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs. Other matches, where both teams have not had an opportunity of batting for a minimum of 20 overs, shall be declared no result.

- b) **Interrupted or Prematurely Terminated Matches**

Calculation of the Target Score. If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 20 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current DLS method. The target set will always be a whole number and one run less will constitute a Tie.

- c) **Prematurely Terminated Matches**

If the innings of the side batting second is suspended (with at least 20 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension by the DLS method. If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

## 8. Points

Points for matches will be awarded as follows:

<b>Win</b>	<b>2 points</b>
<b>Tie or No Result</b>	<b>1 points each</b>
<b>Loss</b>	<b>0 points</b>

## 9. League Champion

The Sunday Elite League Champion shall be the team with the most points at the end of the round-robin matches

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine the champion:

- Net Run Rate (NRR)\*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- If the NRR is equal then the team with the most wins in the competition finishes higher.
- If the number of wins is equal then the head-to-head result between the two teams will decide the higher placed team.
- If teams are still equal then the title will be shared.

***\*Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

*In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.*

# ***Saturday Championship***

These are the competition rules of CHK Saturday Championship, played predominantly on Saturdays. These rules should be read in conjunction with CHK *Playing Conditions* and CHK *Code of Behaviour*.

## **1. Competition Format**

- a) The CHK Saturday Championship shall be contested between twenty-one teams participating in two Divisions. Div 1 will consist of 11 teams while Div 2 will consist of 10.
- b) In Division 1 – the teams shall play each other once (10 games per team), followed by 3 additional games for each team based on a raking system for the previous year's standings. The 11<sup>th</sup> place side will play 14 games due to this but will not be able to score points from the 14<sup>th</sup> game.
- c) In Division 2 – the teams shall play each other once (9 games per team) after which there will be four additional games which are decided based on a ranking system from the previous year's standings. Teams who finished in 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup> and 9<sup>th</sup> will play their four additional games against each other and teams who finished 2<sup>nd</sup>, 4<sup>th</sup>, 6<sup>th</sup>, 8<sup>th</sup> and 10<sup>th</sup> will do the same. Each team will play a total of 13 games.

## **2. Player Eligibility**

- a) All players must be registered with CHK before playing their first match. Playing an unregistered player will constitute playing an ineligible player.
- b) There is no restriction on the number of Sunday Elite players appearing in Saturday Championship teams as long as a team's

squad has met the criteria stipulated by CHK.

- c) Each team may field no more than one non-Hong Kong Resident Permit Holder per game. Inclusion of more than one non-Hong Kong Resident Permit Holder in a team will constitute playing an ineligible player in the game.
- d) Players that are above the age of 20 (as of 1<sup>st</sup> Sept 2020), and that have played 2 or more Premier League Games (combined across all formats) in either the 2019-20 or the 2020-21 seasons, or that have played in a 'First Class', 'List A' or 'T20' match in the last 12 months, are not eligible to play in the Saturday Championship. Fielding such a player will constitute playing an ineligible player. To clarify, 'T20' refers to a Twenty20 match that would be considered of equivalent standard to a List A game, as defined by the ICC and Association of Cricket Statisticians and Historians.
- e) A team can apply for an exemption for a player that has taken part in Premier League cricket in the 2019-20 season but has no intention of playing Premier League in 2020-21. This has to be made in writing to the CHK management, and is subject to CHK approval.
- f) If a player, having received the exemption outlined in e), plays in a Premier League game during the season, the result of every Saturday Championship game he took part in during the season until that point will be overturned to a forfeit loss for his team.
- g) Players that are above the age of 20 (as of 1<sup>st</sup> Sept 2020), and who are part of the 2020-21 Men's HK National Squad are not eligible to play in the Saturday Championship. Special exemption will be given to 'Emerging' Men's National Squad players. The squad, with ages and exempted players highlighted, will be posted on the CHK website at the start of the season.

### 3. Hours of Play

All matches (except those at PKVR Park, TKRRG and occasionally GDB) will commence at 1 pm and follow the schedule below with a ten-minute interval between innings.

<b>First Innings</b>	<b>1300 – 1515 (2 hours 15 minutes)</b>
<i>Interval</i>	<i>1515 – 1525 (10 minutes)</i>
<b>Second Innings</b>	<b>1525 – 1740 (2 hours 15 minutes)</b>

***Playing time per innings, excluding drinks break: 131 minutes.***

***Required over rate: 16 overs per hour or 3.75 minutes per over.***

***Matches at TKRRG will commence at 12.50 pm and conclude at 17.30pm with an innings break at 3.05pm. Teams must vacate the ground by 5.30pm***

***Matches at Po Kong Village Road Park (PKVR) will commence at 12.35 pm and conclude at 5.15pm with the innings break at 2.50 pm. Teams must vacate the ground by 5.15 pm.***

***Matches at Gin Drinkers Bay CHK Cricket Centre (GDB) will sometimes be scheduled for a 12:30pm start (innings break 2:45 pm, conclude at 4:40pm) to account for poor light. Teams must leave the premises by 6:00 PM.***

### 4. The Toss & Team Nomination

- The Toss shall be conducted no earlier than 30 minutes nor later than 15 minutes prior to the scheduled time for the start of play, in the presence of an umpire.
- Team lists must be provided to umpires prior to the toss being conducted. Juniors along with age as registered with CHK should be marked on the team list.

- c) The official CHK team nomination form is not mandatory.

## **5. The Ball**

CHK approved Pink Kookaburra four-piece 156g leather cricket balls shall be used; one per innings. Each team is to provide a new ball for its bowling innings together with sufficient spare balls.

## **6. Length of Innings**

- a) Matches will consist of one innings per side, each innings being limited to a maximum of 35 overs.
- b) To constitute a match, a minimum of ten overs must be completed in the second innings.
- c) Declarations are not permitted.
- d) If either bowling side fails to complete 35 overs within the scheduled time, the innings shall be extended until 35 overs are completed subject to conditions and ground availability. An over in progress at the scheduled time shall count as a completed over for over rate calculations.
- e) If the side batting first is dismissed in less than 35 overs, the side batting second shall be entitled to bat for 35 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
  - ii. Injury to players of either side.
  - iii. Inability to locate and/or retrieve a ball. Note: A maximum of

two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.

- iv. Delays caused by the batting side, e.g. changes of equipment.

**Note:** *In instances of inclement weather, CHK Playing Conditions Rule 8 shall apply, NOT the provisions of Good Cause.*

- h) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time. All occurrences of late commencement must be reported to the CHK Operations Manager for further action.
- i) See CHK Playing Condition Rule 16 for penalties for slow over rates.
- j) The scheduled innings time allowance will be reduced at the rate of 3.75 minutes per over, if the number of overs to be bowled is less than 35 – see Rule 7 below.

## **7. Drinks Intervals**

- a) A drinks break is to be taken at the halfway mark of an innings (normally at the end of the 17th over).
- b) If for any reason (e.g. severe heat conditions) both captains agree to have additional drink intervals, this should be communicated to the umpires before the toss. The option to take such intervals shall be available to either side (though at any time, both captains may agree to forgo the drinks interval).
- c) Each drinks interval shall not exceed four minutes. In the event that more than one drinks break is taken, the duration of the additional drinks break(s) should be treated as an interruption and the number of overs to be bowled in the innings shall be reduced by one, 1, over and time by 3.75 minutes each innings. This is

subject to Umpire and Captains agreement.

- d) No drinks break if play has been reduced to 90 minutes in an innings
- e) For purposes of overrate penalty calculations four minutes will be allowed for the drinks interval

## 8. Delayed or Interrupted Matches

In order to achieve a result in a match delayed or interrupted by adverse conditions of weather, ground, light or other allowances beyond the teams' control, the following procedures apply:

- a) If before or during in the first innings is delayed or interrupted on one or more occasions, two overs shall be deducted from the original 70 for every complete 7:30 minutes lost (i.e. 3.75 minutes per over), i.e. one over deducted from each innings.
- b) A minimum of 10 overs per innings is required to constitute a completed game
- c) If the reasons for a delay starting an innings are attributable to the batting side, the facts are to be reported to the CHK Management.
- d) The second innings shall consist of the same number of overs as the first. If the second innings is not completed for any reason other than that of a result already being achieved, the game will be decided on DLS method provided that the minimum ten overs have been completed.

*Please see the following example for clarification:*

**Scenario:** Due to ground, light, or weather conditions, the start of a match is delayed by 40 minutes and will now commence at 1.40 pm. The game will be reduced by a total of 10 overs (40 minutes divided by 7.5 rounded up= 5 x 2 overs), seven overs deducted from

*each innings. Each side will now bowl 30 overs. The lost time is attributed across both innings, i.e. 18 minutes (5 x 3.75 rounded down) deducted from each innings (original playing time of 2 hours 15 minutes, minus 18 minutes = new playing time of 1 hour 57 minutes). Therefore, the revised hours of play will be 1.40 to 3.37 and 3.47 to 5.44 pm.*

## **9. Number of Overs per Bowler**

- a) No bowler shall bowl more than **seven** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one fifth of the total overs allowed. Where the total number of overs is not divisible by five, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

## **10. Free Hit after a No Ball**

A Free Hit after a No Ball is applied to all No Balls. Refer Conditions of Play Rule 17 for outline on this rule

## **11. Fielder's Absence - Maximum Penalty Time**

Under CHK Playing Conditions 22, a fielder's unserved Penalty time shall be limited to a maximum of 70 minutes.

## **12. Fielding Restrictions**

- a) At the instant of delivery, there may not be more than five (5) fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-

circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines. The fielding restriction area should be marked with disks at five-yard (4.57-metre) intervals by the home side in each game.

- c) At the instant of delivery, there may not be more than five (5) fielders permitted outside this fielding restriction area. To clarify, if a side has less than 11 players on the field, they will still be allowed 5 fielders outside of the inner circle

### 13. The Result

- a) A result is achieved after both teams have completed their innings as above. The team scoring the higher number of runs shall win.
- b) Where there has been an interruption during play affecting either innings, or if it is not possible to complete the required number of overs in the second innings and the minimum 10 overs have been bowled, the result will be decided by the DLS method of determining the result.
- c) In the event of a Tie, points will be shared.

### 14. Points

Points for matches will be awarded as follows:

<b>Win</b>	<b>2</b> points
<b>Tie or No Result</b>	<b>1</b> points each
<b>Loss</b>	<b>0</b> points

## **15A. Divisional Champions**

After completion of the 13 matches the team with the most points shall be declared the champion of the division. Should two or more teams finish on the same points, the following criteria shall apply in deciding the champion:

- a) Net Run Rate (NRR)\*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
- c) If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.
- d) If teams are still equal then the title will be shared.

## **15B. Promotion & Relegation**

#### **6. Length of Innings**

- a) In uninterrupted matches (i.e. matches which are neither delayed nor interrupted) each team shall bat for 10 overs unless all out earlier.
- b) A side shall not be permitted to declare its innings closed or forfeit

its innings.

- c) If the either fielding side fails to bowl the required number of overs by the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress at the scheduled time shall count as a completed over for over rate calculations. Rule 12 (Over Rate Penalties) shall apply.
- d) After the first innings the interval shall not be extended, and the next innings shall commence at the scheduled time.
- e) If the side batting first is dismissed in less than 10 overs, the side batting second shall be entitled to bat for 10 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
  - i. Injury to players of either side.
  - ii. Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
  - iii. Delays caused by the batting side, e.g. changes of equipment.

***Note: In instances of inclement weather, Rule 11 shall apply, NOT the provisions for allowances.***
- h) In the event of any time allowances being granted to the fielding team under g) due to time wasting by batting team, then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate

- i) If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.
- j) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.
- k) See Rule 11 and CHK Playing Conditions Rule 16 for penalties for slow over rates.

## **7. Number of Overs per Bowler**

- a) No bowler shall bowl more than **two** overs in an innings.
- b) In a delayed or interrupted match, where the overs are reduced for both teams or for the team bowling second, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

## **8. Legitimate Balls per Over**

Refer to CHK Women's T20 League Playing Condition 8

## **9. Fielder's Absence - Maximum Penalty Time**

Under CHK Playing Condition 22, a fielder's unserved Penalty time shall be limited to a maximum of 20 minutes.

## **10. Restrictions on the Placement of Fielders**

- a) At the instant of delivery there shall be no more than five fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 25.15 yards (23 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field.
- c) Please see Playing Condition 26 regarding the overlap of the inner-circle and the boundary within the marked region at PKVR Reservoir Ground
- d) At the instant of delivery, during any point of the innings, there may not be more than four (4) fielders permitted outside this fielding restriction area. To clarify, if a side has less than 11 players on the field, they will still be allowed 4 fielders outside of the inner circle.
- e) To further clarify – there shall be no powerplays.
- f) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal 'No Ball'.

## **11. Delayed or Interrupted Matches**

- a) To constitute a match, both teams are to have the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should begin reducing overs immediately, with focus on finishing the match within original cessation time.

- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 8 minutes lost, being 4 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler shall also be reduced. See rule **7b**. This calculation must not cause the match to finish earlier than the original cessation time.
- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CricHQ.

## **12. Over Rate Penalties**

- a) All sides are expected to be in position to bowl the first ball of the last of their 10 overs within 40 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.

- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK Management and face possible suspension (see Rule 16).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.
- d) This is the only penalty for a slow over rate.

The semi-finals will be drawn based on league standings after the round-robin stage, with 1<sup>st</sup> playing 4<sup>th</sup>, and 2<sup>nd</sup> playing 3<sup>rd</sup>.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine which team proceeds to the semi-finals.

- a) Net Run Rate (NRR)\*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
- c) If the number of wins is equal then the head-to-head result between the two teams will decide the higher placed team.
- d) If teams are still equal then the final league positions from 2019-20 shall be used to determine who proceeds, with the higher-ranked team proceeding to the eliminator/final.

If the semi-finals can not be completed, for any reason, then the higher placed team after the round robin stage (using the above if required) shall proceed to the final.

If the Final can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions.

***\*Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

*In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.*

### **6. Length of Innings**

- a) Each side shall bat for 35 overs unless all out earlier or the match is restricted through delay or interruption.
- b) A side shall not be permitted to declare its innings closed or forfeit its innings.
- c) If the either fielding side fails to bowl the required number of overs by the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress

at the scheduled time shall count as a completed over for over rate calculations. Rule 14 (Over Rate Penalties) shall apply.

- d) After the first innings the interval shall not be extended and the next innings shall commence at the scheduled time.
- e) If the side batting first is dismissed in less than 35 overs, the side batting second shall be entitled to bat for 35 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
  - i) Injury to players of either side.
  - ii) Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
  - iii) Delays caused by the batting side, e.g. changes of equipment.

**Note:** *In instances of inclement weather, **Rule 8** shall apply, NOT the provisions for allowances.*

- h) In the event of any time allowances being granted to the fielding team under g) due to time wasting by batting team, then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate
- i) If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.
- j) Late commencement of the game will not normally be considered

an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.

See Rule 13 and CHK Playing Conditions Rule 16 for penalties for slow over rates.

## **7. Drinks Intervals**

- a) One drinks break per innings shall be permitted after 1 hour of play.
- b) The Drinks Intervals shall be taken on the field at all times.
- c) Under conditions of extreme heat, the umpires may permit extra intervals for drinks. The duration of these should be treated as an allowance for over rate calculations.

## **8. Delayed or Interrupted Matches**

- a) To constitute a match, both teams are to have the opportunity of batting for at least 10 overs, unless one team has been all out in less than 10 overs or unless the team batting second scores enough runs to win in less than 10 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra 15 minutes
- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable

reason, the total number of overs in the match shall be reduced by two for every complete 7.5 minutes lost, being 3.75 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see **9b and 12f**. This calculation must not cause the match to finish earlier than the original cessation time.

- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CricHQ.

## **9. Number of Overs per Bowler**

- a) No bowler shall bowl more than **seven** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by five, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

## **10. Free Hit after a No Ball**

A Free Hit after a No Ball is applied to all No Balls. Refer Conditions of Play Rule 17 for outline on this rule

## 11. Fielder's Absence - Maximum Penalty Time

The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines. The fielding restriction area should be marked with disks at five-yard (4.57-metre) intervals by the home side in each game. At the instant of delivery:

### **Powerplays**

- c) There are three phases of Powerplay:
  - iv. Powerplay 1 – no more than **two** (2) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 35 overs, these are overs 1 to 7 inclusive.
  - v. Powerplay 2 – no more than four (4) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 35 overs, these are overs 8 to 28 inclusive.
  - vi. Powerplay 3 – no more than five (5) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 35 overs, these are overs 29 to 35 inclusive.
- d) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball.
- e) At the commencement of the second and third blocks of

Powerplay overs, the umpire shall signal such commencement to the scorers by rotating his arm in a large circle.

- f) In circumstances when the number of overs of the batting side is reduced, the number of powerplay overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table applies to both the 1<sup>st</sup> and 2<sup>nd</sup> innings of the match.
- g) If play is interrupted during an innings and the table below applies, the powerplay takes immediate effect. This applies even though the interruption has occurred mid-over

### 13. Over Rate Penalties

- a) All sides are expected to be in position to bowl the first ball of the last of their 35 overs within 2 hours 15 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK Management and face possible suspension (see CHK Playing Condition 16).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The

umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.

- d) Over-rate penalties apply only to innings of 15 overs or more duration. In innings of less than 15 overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- e) This is the only penalty for a slow over rate.

## 14. Points

Points for matches will be awarded as follows:

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine which team proceeds to the finals:

- a) Net Run Rate (NRR)\*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
- c) If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.
- d) If teams are still equal then the final league positions from 2019-20 shall be used to determine who proceeds to the Finals

If the Final can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions.

***\*Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

*In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.*

### 13. League Champions

The champions for each division in the U15 T20 League will be the side that win's that division's final.

The semi-finals will be drawn based on league standings after the round-robin stage, with 1<sup>st</sup> playing 4<sup>th</sup>, and 2<sup>nd</sup> playing 3<sup>rd</sup>.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine which team proceeds to the semi-finals:

- a) Net Run Rate (NRR)\*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.
- c) If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.
- d) If teams are still equal then the final league positions from 2019-20 shall be used to determine who proceeds to the Semi Finals

If the semi-finals can not be completed, then the higher placed team after the round robin stage (using the above if required) shall proceed to the Final.

If the finals can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions.

***\*Net Run Rate*** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.

*In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.*

## ***Under-15 30-Over League***

These are the competition rules of the CHK Under-15 30-Over League. This competition will follow the same rules as the *Premier League One Day*, except for as specified as below. These rules should be read in conjunction with CHK *Playing Conditions* and CHK *Code of Behaviour*.

### **1. Competition Format**

- a) The Under-15 30-over League will consist of two divisions (Premier and Elite) of 7 teams each. All matches will be 30-over format.
- b) Teams will play each other once in a single-stage round robin.
- c) Teams will score points in each match. Each team will play 7 matches.
- d) The four teams that top the league table after the round-robin stage in each division will proceed to the semi-finals, where 1<sup>st</sup> will play 4<sup>th</sup> and 2<sup>nd</sup> will play 3<sup>rd</sup>.
- e) In case the semi-finals can not be played, the higher ranked teams will proceed to the finals (ie, 1<sup>st</sup> vs 2<sup>nd</sup>)

- g) There is no automatic promotion/relegation between divisions

- c) The above does not apply to the CHK Women's National team

### **3. Hours of Play**

Start times for all matches will be determined by CHK, and all teams must adhere to the schedule.

Games will last for 4 hours. There will be 1 hour 55 minutes per innings (3.75 minutes/over) with a 10-minute break between innings.

One drinks break will be taken in each innings after 15 overs of play. This is included in the 1 hour 55 minutes.

### **4. Toss and Team Nomination**

- a) Team lists must be provided to the umpires prior to the toss being conducted. The ages of all players must be stated.
- b) The CHK team nomination form template is not mandatory.

### **5. The Ball**

A CHK approved Kookaburra Silver Senator pink leather four-piece 156g cricket ball shall be used. One new ball shall be used at the start of each innings and the fielding team should provide sufficient spares. The CHK Women's National Team shall bowl with a 142g ball.

### **6. Length of Innings**

- a) Each side shall bat for 30 overs unless all out earlier or the match is restricted through delay or interruption.
- b) A side shall not be permitted to declare its innings closed or forfeit its innings.
- c) If the either fielding side fails to bowl the required number of overs

by the scheduled time for completion of an innings, play shall continue until the required number of overs has been bowled subject to conditions and ground availability. The over in progress at the scheduled time shall count as a completed over for over rate calculations. Rule 14 (Over Rate Penalties) shall apply.

- d) After the first innings the interval shall not be extended and the next innings shall commence at the scheduled time.
- e) If the side batting first is dismissed in less than 30 overs, the side batting second shall be entitled to bat for 30 overs
- f) The umpires will seek to regularly advise the captain of the fielding side's progress on the over rate during play
- g) During an innings, the umpires shall make note of allowances for legitimate delays that have prevented a side from bowling its allotted overs within the scheduled time. Examples of such allowances include, but shall not be limited to, the following:
  - i) Injury to players of either side.
  - ii) Inability to locate and/or retrieve a ball. Note: A maximum of two minutes will be allowed for this, after which the bowling side must produce a replacement ball for use.
  - iii) Delays caused by the batting side, e.g. changes of equipment.

**Note:** *In instances of inclement weather, **Rule 8** shall apply, NOT the provisions for allowances.*

- h) In the event of any time allowances being granted to the fielding team under g) due to time wasting by batting team, then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate
- i) If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be

deemed to have complied with the required minimum over rate.

- j) Late commencement of the game will not normally be considered an allowance unless the delay is the fault of the batting side. It is the responsibility of both captains to ensure their sides are ready to start play at the scheduled time.

See Rule 13 and CHK Playing Conditions Rule 16 for penalties for slow over rates.

## **7. Drinks Intervals**

- a) One drinks break per innings shall be permitted after 15 overs or 1 hour of play, whichever comes first.
- b) The Drinks Intervals shall be taken on the field at all times.
- c) Under conditions of extreme heat, the umpires may permit extra intervals for drinks. The duration of these should be treated as an allowance for over rate calculations.
- d) An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. No other drinks shall be taken onto the field without the permission of the umpires.

## **8. Delayed or Interrupted Matches**

- a) To constitute a match, both teams are to have the opportunity of batting for at least 10 overs, unless one team has been all out in less than 10 overs or unless the team batting second scores enough runs to win in less than 10 overs. Time adjustments cannot lead to the second team be provided the opportunity to bat more overs than the first.
- b) Where there is a delayed or interrupted match, umpires should allow the scheduled finish time to be extended by an extra 15 minutes

- c) Should the start of the match be unavoidably delayed due to ground, weather and/or light conditions or any other unavoidable reason, the total number of overs in the match shall be reduced by two for every complete 7.5 minutes lost, being 3.75 minutes per over (i.e. one over deducted from each innings). In the event that a match is so reduced, the number of overs allowed per bowler and the fielding restrictions shall also be reduced, see **9b and 12f**. This calculation must not cause the match to finish earlier than the original cessation time.
- d) In all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one over's leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time.
- e) If the second innings is not completed for any reason other than that of a result already being achieved, or loss of time affects the number of overs to be played then the game will be decided by applying the DLS method as calculated by the CricHQ.

## **9. Number of Overs per Bowler**

- a) No bowler shall bowl more than **six** overs in an innings.
- b) In a delayed or interrupted match where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by five, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

## 10. Free Hit after a No Ball

A Free Hit after a No Ball is applied to all No Balls. Refer Conditions of Play Rule 17 for outline on this rule

## 11. Fielder's Absence - Maximum Penalty Time

Under CHK Playing Conditions 22, a fielder's unserved Penalty time shall be limited to a maximum of 70 minutes.

## 12. Fielding Restrictions

- a) At the instant of delivery, there may not be more than five (5) fielders on the leg side.
- b) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines. The fielding restriction area should be marked with disks at five-yard (4.57-metre) intervals by the home side in each game. At the instant of delivery:

### **Powerplays**

- c) There are three phases of Powerplay:
  - i. Powerplay 1 – no more than **two** (2) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 35 overs, these are overs 1 to 6 inclusive.
  - ii. Powerplay 2 – no more than four (4) fieldsmen shall be permitted outside the fielding restriction area. In an innings of 35 overs, these are overs 7 to 24 inclusive.
  - iii. Powerplay 3 – no more than five (5) fieldsmen shall be permitted outside the fielding restriction area. In an innings

of 35 overs, these are overs 25 to 30 inclusive.

- d) In the event of an infringement of any of the above fielding restrictions, the striker's end umpire shall call and signal No Ball.
- e) At the commencement of the second and third blocks of Powerplay overs, the umpire shall signal such commencement to the scorers by rotating his arm in a large circle.
- f) In circumstances when the number of overs of the batting side is reduced, the number of powerplay overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table applies to both the 1<sup>st</sup> and 2<sup>nd</sup> innings of the match.

<b>Duration</b>	<b>Powerplay 1</b>	<b>Powerplay 2</b>	<b>Powerplay 3</b>
10	2	6	2
11	2	7	2
12	3	7	2
13	3	8	2
14	3	8	3
15	3	9	3
16	4	9	3
17	4	10	3
18	4	10	4
19	4	11	4
20	4	12	4
21	4	13	4
22	5	13	4
23	5	14	4
24	5	14	5
25	5	15	5
26	5	16	5
27	6	16	5

28	6	17	5
29	6	17	6
30	6	18	6

- g) If play is interrupted during an innings and the table above applies, the powerplay takes immediate effect. This applies even though the interruption has occurred mid-over

### 13. Over Rate Penalties

- a) All sides are expected to be in position to bowl the first ball of the last of their 30 overs within 1 hour 55 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 bonus runs. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.
- b) If penalty runs are to be awarded due to a slow over rate the captain will be reported to the CHK Management and face possible suspension (see CHK Playing Condition 16).
- c) If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply. If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The umpire shall inform the fielding team captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the

weather, the scheduled cessation time for that innings. The umpire at the bowler's end will inform the fielding captain, the batsman and his fellow umpire of any time allowances as and when they arise.

- d) Over-rate penalties apply only to innings of 15 overs or more duration. In innings of less than 15 overs duration, umpires shall apply the penalty run Laws for time wasting especially strictly.
- e) This is the only penalty for a slow over rate.

## 14. Points

Points for matches will be awarded as follows:

<b>Win</b>	<b>2</b> points
<b>Loss</b>	<b>0</b> points

- a) Net Run Rate (NRR)\*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- b) If the NRR is equal then the team with the most wins in the competition finishes higher.

## 14. League Champions

The champions for the U13 League Elite Division 15 Over will be the side that win's the final.

The semi-finals will be drawn based on league standings after the round-robin stage, with 1<sup>st</sup> playing 4<sup>th</sup>, and 2<sup>nd</sup> playing 3<sup>rd</sup>.

If the number of points scored by two or more teams is the same, the following criteria shall be used to determine which team proceeds to the semi-finals:

- Net Run Rate (NRR)\*, as calculated by the CricHQ system and shown in the ladder, shall decide the higher placed team;
- If the NRR is equal then the team with the most wins in the competition finishes higher.
- If the number of wins is equal then the head-to-head results between the two teams will decide the higher placed team.
- If teams are still equal then the final league positions from 2019-20 shall be used to determine who proceeds to the Semi Finals

If the finals can not be completed, then the higher placed team after the round robin stage (using the above if required) shall be declared Champions.

***\*Net Run Rate** is calculated by deducting from the average runs per over scored by a team in all matches with a result, the average runs per over scored against that team throughout the competition.*

*In the event of a team being all out in less than its full quota of overs, the calculation of net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.*

- Due to the short timeframe to complete matches, teams must make every effort to start their matches at the scheduled time and team managers/coaches must ensure their players move quickly between overs and between innings to ensure a timely conclusion of matches. Matches that do not start on time may see a reduction in the number of their overs to ensure they finish within the allowable time. For every five (5) minutes of time lost, there will be a deduction of 2 overs per match or one over per innings.

### ***Illustration***

A match starting ten minutes late will be reduced by four overs or two overs per innings (i.e. each team will face only 14 overs) with the last pair of batters in each innings only facing two overs instead of four (or the last two pairs facing three overs each).
