Did you know?

The township has gone through several changes over the past

2008 that was starting to need significant repairs.

- Please do not park on the street when there is 2" or more of snow and remember to move basketball hoops back away from the road.
- You can help by trimming your street tree back so that it will not cause damage to snow plows, school busses, fire trucks and delivery vehicles.
- The Township currently maintains approximately 58 lane miles of roadway.
- The roads staff consists of two full time employees and one on call, as needed, employee.

several months. Some of those changes include;

- Several staffing changes
- Our public meetings are now live streamed on Facebook
- New branding across all platforms
- Reinstatement of the newsletter

What's new?

- Chipotle recently opened on 36/37 and Fourwinds Dr.
- Since the first of October the township has written 49 new permits, 30 of these are for new homes. The balance is primarily for pools and decks.
- We have signed the final development plan for Wiltshire Neighborhood. There will be 52 building lots and some of the rear lots overlook the wetland area and the Northstar Golf Course.
