Thank YOU!

Happy March Berkshire Township!

We hope everyone is enjoying the start of spring and the warmer temperatures. We've got a couple of important meetings and updates that we wanted to make everyone aware of as we go into March. This will be a really important month for Berkshire Township moving forward and we really hope that everyone can get involved in whatever ways they can. As always, if you have any questions please reach out to one of us so we can answer them as best we can. Thank you.

Current Events

Township Vacancies

The Township is currently interviewing potential candidates for the Township Administrator position. We apologize for the slower process, but it's important for not only us, but for the whole township, to get this right. We need a Township administrator that is just right for the Township to best assist in improving the quality of life for residents. Thank you all for your patience.

The Township is also currently reviewing applications for the vacancy on the Board of Zoning Appeals and hope to have that position filled soon as well. Thank you for everyone who applied!

DCFA Partnership

Continuing our partnership, we and the Delaware County Finance Authority started in January. We will begin re-examining our zoning policies in specific areas of Berkshire Township. There will be a public meeting held on March 25 at 6:30 pm for residents to learn and provide feedback. This will be the first of a couple of public meetings, dates will be provided for those in the future.

Looking Ahead

We just wanted to thank all of our residents for their patience again while we attempt to restaff back to full capacity and continue services at a level you are all accustomed too. The meeting on March 25th will be critical for the future of Berkshire Township and we hope that we will get to see all of you at the meeting in order to take part in this conversation where we can discuss zoning, what it means, what you think we should do to improve it, and based off of that the Township can begin considering changes as needed.
