

Berkshire Township Special Meeting Minutes

Special Meeting Minutes – April 13, 2026

Mike Dattilo called the meeting to order at 6:00 p.m.

Determination of a Quorum/Roll call: Trustees Mike Dattilo, Mary Howard, and Paul Disantis in attendance, also present were Tyler Lane, Township Administrator, Meeting Secretary, Alison Newton

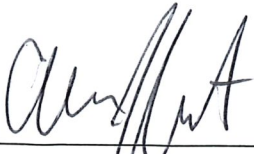

Bryan Clark with City of Columbus Department of Development, Chris Harper of Columbus Watershed Management, James Young with Columbus Public Service Management and Pete Griggs township legal council were also present for this meeting.

New business: Special Meeting for public discussion of a proposed annexation agreement between Berkshire Township and the City of Columbus regarding Hoover Reservoir.

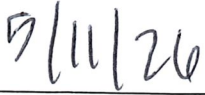

Tyler spoke about the portion of Hoover Reservoir that is in Berkshire Township, but that the City of Columbus owns. There is a proposed 35-year agreement for non-annexation of other parcels within the township with the option of a 10-year extension. They will work with the township to make this agreement best for both entities.

Representatives from the City of Columbus are here today to speak about the agreement and answer questions. Bryan spoke about how Hoover Reservoir is a critical drinking water source for the City of Columbus and has worked with other townships and counties on annexing City owned property and they understand that they will not change use, it will remain government property. James spoke to how they would outline the shore of the water as their boundary as you could see from an arial view. They attempted to leave all roadways out of the agreement and have engaged Delaware county to partnership with them and pay for their services in the maintenance of the roadways. Chris, of waterway management, spoke about the need to protect the source water and as an amenity for the surrounding area.

Adjournment: Mike Dattilo made a motion to adjourn at 6:09pm.
Mary Howard seconded. Motion approved 3-0.
